Item 7.01 Regulation FD Disclosure

This report is filed quarterly to disclose assets under management ("AUM") by asset manager, prior to the availability of Principal Financial Group, Inc's (the "Company") quarterly earnings release. The amounts presented herein will be consistent with the format of AUM by asset manager and presented again in such format within the Company's financial supplement for the quarter ended March 31, 2019 when that document is posted to the Company's investor relations web site on or about April 25, 2019.

As of March 31, 2019, the AUM by asset manager were \$423.1 billion for Principal Global Investors and \$162.0 billion for Principal International and Other Entities of the Company. Other Entities of the Company include Principal Life Insurance Company and Principal Bank.

Note: Effective January 1, 2019, Claritas, our investment management company in Brazil with approximately \$1.4 billion of AUM, moved from Principal International to Principal Global Investors. This realignment results in deeper integration with Principal Global Investor's global distribution and stronger connectivity to its shared services and investment teams.
