ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission utilizing a “shelf” registration process. Under this shelf process, we may sell the securities described in the prospectus from time to time. This prospectus provides you with a general description of the securities we may offer. We may also add, update or change information contained in this prospectus through one or more supplements to this prospectus. Any statement that we make in this prospectus will be modified or superseded by any inconsistent statement made by us in a prospectus supplement. The rules of the Securities and Exchange Commission allow us to incorporate by reference information into this prospectus. This information incorporated by reference is considered to be a part of this prospectus, and information that we file later with the Securities and Exchange Commission will automatically update and supersede this information. See “Incorporation by Reference.” You should read both this prospectus and any prospectus supplement together with additional information described under the heading “Where You Can Find More Information.”

No person has been authorized to give any information or to make any representations, other than those contained or incorporated by reference in this prospectus and, if given or made, such information or representation must not be relied upon as having been authorized by Principal Financial Group, Inc., or any underwriter, agent, dealer or remarketing firm. Neither the delivery of this prospectus nor any sale made hereunder shall under any circumstances create any implication that there has been no change in the affairs of Principal Financial Group, Inc. since the date hereof or that the information contained or

incorporated by reference herein is correct as of any time subsequent to the date of such information. This prospectus does not constitute an offer to sell or a solicitation of an offer to buy any securities by anyone in any jurisdiction in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such offer or solicitation.

FORWARD-LOOKING STATEMENTS

Certain of the statements contained in this prospectus or incorporated by reference are forward-looking statements. These forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and include estimates and assumptions related to economic, competitive and legislative developments. These forward-looking statements are subject to change and uncertainty which are, in many instances, beyond our control and have been made based upon management’s expectations and beliefs concerning future developments and their potential effect upon us. There can be no assurance that future developments will be in accordance with management’s expectations or that the effect of future developments on us will be those anticipated by management. Actual results could differ materially from those expected by us, depending on the outcome of various factors. These factors include:

- a decline or increased volatility in the securities markets could result in investors withdrawing from the markets or decreasing their rates of investment, either of which could reduce our net income, revenues and assets under management;
- our investment portfolio is subject to several risks which may diminish the value of our invested assets and affect our sales, profitability and the investment returns credited to our customers;
- competition from companies that may have greater financial resources, broader arrays of products, higher ratings and stronger financial performance may impair our ability to retain existing customers, attract new customers and maintain our profitability;
- a downgrade in Principal Life Insurance Company’s (“Principal Life”) financial strength ratings may increase policy surrenders and withdrawals, reduce new sales and terminate relationships with distributors and cause some of our existing liabilities to be subject to acceleration, additional collateral support, changes in terms, or creation of additional financial obligations;
- our efforts to reduce the impact of interest rate changes on our profitability and surplus may not be effective;
- if we are unable to attract and retain sales representatives and develop new distribution sources, sales of our products and services may be reduced;
- our international businesses face political, legal, operational and other risks that could reduce our profitability in those businesses;
- our reserves established for future policy benefits and claims may prove inadequate, requiring us to increase liabilities;
- our ability to pay stockholder dividends and meet our obligations may be constrained by the limitations on dividends Iowa insurance laws impose on Principal Life;
- we may need to fund deficiencies in our closed block (“Closed Block”) assets which benefit only the holders of Closed Block policies;

[Table of Contents](#)

- changes in laws, regulations or accounting standards may reduce our profitability;
- litigation and regulatory investigations may harm our financial strength and reduce our profitability;
- fluctuations in foreign currency exchange rates could reduce our profitability;
- applicable laws and our stockholder rights plan, certificate of incorporation and by-laws may discourage takeovers and business combinations that our stockholders might consider in their best interests;
- a downgrade in our debt ratings may adversely affect our ability to secure funds and cause some of our existing liabilities to be subject to acceleration, additional collateral support, changes in terms, or creation of additional financial obligations; and
- the risk factors or uncertainties listed from time to time in any prospectus supplement or any document incorporated into this prospectus by reference.

PRINCIPAL FINANCIAL GROUP, INC.

The Principal Financial Group is a leading provider of retirement savings, investment and insurance products and services with \$134.8 billion in assets under management and approximately 14.8 million customers worldwide as of September 30, 2003.

We focus on providing retirement products and services to businesses and their employees. Based on total plans served in 2002, more employers choose us for their 401(k) plans than any other bank, mutual fund or insurance company in the U.S., according to CFO magazine, April/ May 2003. We also had the leading market share in 2002 within the 401(k) market for businesses with less than 500 employees based on number of plans according to the Spectrem Group.

We provide financial products and services through the following four segments: (1) U.S. Asset Management and Accumulation, which provides retirement and related financial products and services primarily to businesses, their employees and other individuals and provides asset management services to our asset accumulation business, the life and health insurance operations, the Corporate and Other segment and third-party clients; (2) International Asset Management and Accumulation, which provides retirement products and services, annuities, long-term mutual funds and life insurance through subsidiaries and joint ventures in various countries; (3) Life and Health Insurance, which provides individual group life insurance, group health insurance and individual and group disability insurance throughout the U.S.; and (4) Mortgage Banking, which originates and services residential mortgage loan products for customers in the U.S. We market these products and services through career agents, brokers, financial institutions, employee-benefit consultants, financial planners, direct marketing to existing customers and a variety of representatives. We also have a Corporate and Other segment, which manages the assets representing capital that has not been allocated to any other segment.

Our life insurance in force, net of reinsurance, was \$137.8 billion as of December 31, 2002, and \$135.3 billion as of December 31, 2001. As of December 31, 2002 and 2001, our total invested assets were \$49.0 billion and \$44.8 billion, respectively; our separate account assets were \$33.5 billion and \$34.4 billion, respectively; and our stockholders' equity was \$6.7 billion and \$6.8 billion, respectively. Our net income for the years ended December 31, 2002, 2001 and 2000 was \$142.3 million, \$358.8 million, and \$620.2 million, respectively.

We were organized as an individual life insurer in 1879, formed a mutual insurance holding company in 1998, and Principal Financial Group, Inc. was organized on April 18, 2001, as a Delaware business corporation. Under the terms of Principal Mutual Holding Company's Plan of Conversion, Principal Mutual Holding Company converted from a mutual insurance holding company to a stock company subsidiary of Principal Financial Group, Inc., a Delaware business corporation, effective October 26, 2001. All membership interests in Principal Mutual Holding Company were extinguished on that date and eligible policyholders received, in aggregate, 260.8 million shares of common stock, \$1,177.5 million of cash, and \$472.6 million of policy credits as compensation.

In addition, on October 26, 2001, we completed our initial public offering ("IPO") in which we issued 100.0 million shares of common stock at a price of \$18.50 per share, prior to the underwriters' exercise of the overallotment option. Net proceeds from the IPO were \$1,753.9 million, of which \$64.2 million was retained by Principal Financial Group, Inc., and \$1,689.7 million was contributed to Principal Life principally to fund demutualization compensation to policyholders receiving cash or policy credits and to cover certain expenses related to the demutualization. Proceeds were net of offering costs of \$96.5 million and a related tax benefit of \$0.4 million.

We are an insurance holding company whose assets include all of the outstanding shares of common stock of Principal Financial Services, Inc. Principal Financial Services, Inc., an Iowa business corporation, is an intermediary holding company whose assets include all of the outstanding shares of Principal Life and other subsidiaries. Principal Financial Services, Inc. is a separate and distinct legal entity which has issued debt securities and may issue in the future additional debt securities. Although Principal Financial Services, Inc. may unconditionally guarantee our obligations with respect to one or

[Table of Contents](#)

more securities described in this prospectus, it may be unable to pay any amounts on such guarantee or to provide us with funds for our payment obligations on such securities. Principal Financial Services, Inc.'s ability to pay dividends and meet its obligations, including paying any debt service, depends upon the receipt of dividends from Principal Life. Our ability to pay dividends and meet our obligations, including paying operating expenses and any debt service, depends upon the receipt of dividends from Principal Financial Services, Inc. Iowa insurance laws impose limitations on the ability of Principal Life to pay dividends.

The principal executive office for both Principal Financial Group, Inc. and Principal Financial Services, Inc. is located at 711 High Street, Des Moines, Iowa 50392, and the telephone number is (515) 247-5111.

THE PRINCIPAL CAPITAL TRUSTS

We created each trust as a Delaware statutory trust pursuant to a trust agreement. We will enter into an amended and restated trust agreement for each trust, which will state the terms and conditions for the trust to issue and sell its preferred securities and common securities. We will amend and restate each trust agreement in its entirety substantially in the form filed as an exhibit to the registration statement that includes this prospectus. Each trust agreement will be qualified as an indenture under the Trust Indenture Act of 1939, as amended, which we refer to in this prospectus as the "Trust Indenture Act."

Each trust exists for the exclusive purposes of:

- issuing and selling to the public preferred securities, representing undivided beneficial interests in the assets of the trust,
- issuing and selling to us common securities, representing undivided beneficial interests in the assets of the trust,
- using the proceeds from the sale of the preferred securities and common securities to acquire a corresponding series of junior subordinated deferrable interest debentures, which we refer to in this prospectus as the "corresponding junior subordinated debentures,"
- distributing the cash payments it receives from the corresponding junior subordinated debentures it owns to you and the other holders of preferred securities and us, as the holder of common securities, and
- engaging in the other activities that are necessary, convenient or incidental to these purposes.

Accordingly, the corresponding junior subordinated debentures will be the sole assets of each trust, and payments under the corresponding junior subordinated debentures and the related expense agreement will be the sole revenue of each trust.

We will own all of the common securities of each trust. The common securities of a trust will rank equally with, and payments will be made pro rata with, the preferred securities of the trust, except that if an event of default under a trust agreement then exists, our rights as holder of the common securities to payment of distributions and payments upon liquidation or redemption will be subordinated to your rights as a holder of the preferred securities of the trust. See "Description of Preferred Securities — Subordination of Common Securities."

Unless we state otherwise in a prospectus supplement, each trust has a term of approximately 45 years. A trust may also terminate earlier. The trustees of each trust will conduct its business and affairs. As holder of the common securities we will initially appoint the trustees. Initially, the trustees will be:

- Wilmington Trust Company, which will act as property trustee and as Delaware trustee, and
- Two of our employees or officers or those of our affiliates, who will act as administrative trustees.

[Table of Contents](#)

Wilmington Trust Company, as property trustee, will act as sole indenture trustee under each trust agreement for purposes of compliance with the provisions of the Trust Indenture Act. Wilmington Trust Company will also act as trustee under the guarantee and the junior subordinated indenture pursuant to which we will issue the junior subordinated debentures. See “Description of Junior Subordinated Debentures” and “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities.”

The holder of the common securities of a trust, or the holders of a majority in liquidation preference of the preferred securities if an event of default under the trust agreement for the trust has occurred and is continuing, will be entitled to appoint, remove or replace the property trustee and/or the Delaware trustee of the trust. You will not have the right to vote to appoint, remove or replace the administrative trustees. Only we, as the holder of the common securities, will have these voting rights. The duties and obligations of the trustees are governed by the applicable trust agreement. We will pay all fees and expenses related to the trusts and the offering of the preferred securities and will pay, directly or indirectly, all ongoing costs, expenses and liabilities of the trusts, except for payments made on the preferred securities or the common securities, subject to the guarantee.

The principal executive office of each trust is 711 High Street, Des Moines, Iowa 50392, Attention: Corporate Secretary and its telephone number is (515) 247-5111.

USE OF PROCEEDS

Unless we state otherwise in a prospectus supplement, we intend to use the proceeds from the sale of the securities offered by this prospectus, including the corresponding junior subordinated debentures issued to the trusts in connection with their investment of all the proceeds from the sale of preferred securities, for general corporate purposes, including working capital, capital expenditures, investments in subsidiaries, acquisitions and refinancing of debt, including commercial paper and other short-term indebtedness. We will include a more detailed description of the use of proceeds of any specific offering of securities in the prospectus supplement relating to the offering.

RATIOS OF EARNINGS TO FIXED CHARGES

The following table sets forth, for the years and periods indicated, our ratios of:

- earnings to fixed charges before interest credited on investment products; and
- earnings to fixed charges.

We calculate the ratio of “earnings to fixed charges before interest credited on investment products” by dividing the sum of income from continuing operations before income taxes (BT), interest expense (I), interest factor of rental expense (IF) less undistributed income from equity investees (E) by the sum of interest expense (I), interest factor of rental expense (IF) and dividends on majority-owned subsidiary redeemable preferred securities (non-intercompany) (D). The formula for this ratio is: $(BT+I+IF-E)/(I+IF+D)$.

We calculate the ratio of “earnings to fixed charges” by dividing the sum of income from continuing operations before income taxes (BT), interest expense (I), interest factor of rental expense (IF) less undistributed income from equity investees (E) and the addition of interest credited on investment products (IC) by interest expense (I), interest factor of rental expense (IF), dividends on majority-owned subsidiary redeemable preferred securities (non-intercompany) (D) and interest credited on investment products (IC). The formula for this calculation is: $(BT+I+IF-E+IC)/(I+IF+D+IC)$. “Interest credited on investment products” includes interest paid on guaranteed investment contracts, funding agreements, medium-term notes and other investment-only pension products. Similar to debt, these products have a total fixed return and a fixed maturity date.

DESCRIPTION OF GUARANTEE OF PRINCIPAL FINANCIAL SERVICES, INC.

Principal Financial Services, Inc. may guarantee unconditionally our obligations with respect to any of the following securities as described in the applicable prospectus supplement:

- senior debt securities,
- subordinated debt securities,
- junior subordinated debentures,
- guarantees by Principal Financial Group, Inc. of the preferred securities,
- preferred stock,
- depositary shares,
- warrants,
- purchase contracts, or
- purchase units.

If Principal Financial Services, Inc. guarantees these obligations under any such securities, we will tell you in the applicable prospectus supplement and describe the terms of the guarantee in such prospectus supplement. Unless we tell you otherwise in the applicable prospectus supplement, such guarantee will be an unsecured obligation of Principal Financial Services, Inc. and will be enforceable against Principal Financial Services, Inc. without any need to first enforce against Principal Financial Group, Inc.

DESCRIPTION OF THE DEBT SECURITIES

We may offer unsecured senior debt securities or subordinated debt securities. We refer to the senior debt securities and the subordinated debt securities together in this prospectus as the “debt securities.” The senior debt securities will rank equally with all of our other unsecured, unsubordinated obligations. The subordinated debt securities will be subordinate and junior in right of payment to all of our senior debt.

We will issue the senior debt securities in one or more series under an indenture, which we refer to as the “senior indenture,” to be entered into between us and The Bank of New York, as trustee. We will issue subordinated debt securities in one or more series under an indenture, which we refer to as the “subordinated indenture,” between us and The Bank of New York, as trustee.

We may from time to time without notice to, or the consent of, the holders of the debt securities, create and issue additional debt securities under the indentures, equal in rank to existing debt securities in all respects (or in all respects except for the payment of interest accruing prior to the issue date of the new debt securities, or except for the first payment of interest following the issue date of the new debt securities) so that the new debt securities may be consolidated and form a single series with existing debt securities and have the same terms as to status, redemption and otherwise as existing debt securities.

The following description of the terms of the indentures is a summary. It summarizes only those portions of the indentures which we believe will be most important to your decision to invest in our debt securities. You should keep in mind, however, that it is the indentures, and not this summary, which define your rights as a debtholder. There may be other provisions in the indentures which are also important to you. You should read the indentures for a full description of the terms of the debt. The senior indenture and the subordinated indenture are filed as exhibits to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain copies of the senior indenture and the subordinated indenture.

The Debt Securities are Unsecured Obligations

Our debt securities will be unsecured obligations and our senior debt securities will be unsecured and will rank equally with all of our other senior unsecured and unsubordinated obligations. As a non-operating holding company, we have no significant business operations of our own. Therefore, we rely on dividends from our insurance company and other subsidiaries as the principal source of cash flow to meet our obligations for payment of principal and interest on our outstanding debt obligations and corporate expenses. Accordingly, the debt securities will be effectively subordinated to all existing and future liabilities of our subsidiaries, and you should rely only on our assets for payments on the debt securities. The payment of dividends by Principal Life is limited under the Iowa insurance laws. See “Principal Financial Group, Inc.”

Unless we state otherwise in the applicable prospectus supplement, the indentures do not limit us from incurring or issuing other secured or unsecured debt under either of the indentures or any other indenture that we may have entered into or enter into in the future. See “— Subordination under the Subordinated Indenture” and the prospectus supplement relating to any offering of subordinated debt securities.

Terms of the Debt Securities

We may issue the debt securities in one or more series through an indenture that supplements the senior indenture or the subordinated indenture or through a resolution of our board of directors or an authorized committee of our board of directors.

[Table of Contents](#)

You should refer to the applicable prospectus supplement for the specific terms of the debt securities. These terms may include the following:

- interest rate(s) or the method of determining the interest rate(s),

- if other than the principal amount of the debt securities, the portion of the principal amount of the debt securities that is payable upon declaration of acceleration of maturity,
- any additions or changes to the indenture relating to a series of debt securities necessary to permit or facilitate issuing the series in bearer form, registrable or not registrable as to principal, and with or without interest coupons,

- whether a temporary global security will be issued and the terms upon which these temporary debt securities may be exchanged for definitive debt securities,
- whether the debt securities will be issued in whole or in part in the form of one or more global securities,
- identity of the depositary for global securities,

[Table of Contents](#)

- whether a Principal Financial Services, Inc. guarantee will apply to such debt securities and, if so, the material terms thereof, and
- any other special terms of such debt securities or related guarantee.

Debt securities may also be issued under the indentures upon the exercise of warrants or delivery upon settlement of purchase contracts. See “Description of Warrants” and “Description of Purchase Contracts.”

Special Payment Terms of the Debt Securities

We may issue one or more series of debt securities at a substantial discount below their stated principal amount. These may bear no interest or interest at a rate which at the time of issuance is below market rates. We will describe United States federal tax consequences and special considerations relating to any series in the applicable prospectus supplement.

The purchase price of any of the debt securities may be payable in one or more foreign currencies or currency units. The debt securities may be denominated in one or more foreign currencies or currency units, or the principal of, premium, if any, or interest on any debt securities may be payable in one or more foreign currencies or currency units. We will describe the restrictions, elections, United States federal income tax considerations, specific terms and other information relating to the debt securities and any foreign currencies or foreign currency units in the applicable prospectus supplement.

If we use any index to determine the amount of payments of principal of, premium, if any, or interest on any series of debt securities, we will also describe in the applicable prospectus supplement the special United States federal income tax, accounting and other considerations applicable to the debt securities.

Denominations, Registration and Transfer

We expect to issue most debt securities in fully registered form without coupons and in denominations of \$1,000 and any integral multiple of \$1,000. Except as we may describe in the applicable prospectus supplement, debt securities of any series will be exchangeable for other debt securities of the same issue and series, in any authorized denominations, of a like tenor and aggregate principal amount and bearing the same interest rate.

You may present debt securities for exchange as described above, or for registration of transfer, at the office of the security registrar or at the office of any transfer agent we designate for that purpose. You will not incur a service charge but you must pay any taxes, assessments and other governmental charges as described in the indentures. We will appoint the trustees as security registrar under the indentures. We may at any time rescind the designation of any transfer agent that we initially designate or approve a change in the location through which the transfer agent acts. We will specify the transfer agent in the applicable prospectus supplement. We may at any time designate additional transfer agents.

Global Debt Securities

We may issue all or any part of a series of debt securities in the form of one or more global securities. We will appoint the depositary holding the global debt securities. Unless we otherwise state in the applicable prospectus supplement, the depositary will be The Depository Trust Company, or DTC. We will issue global securities in registered form and in either temporary or definitive form. Unless it is exchanged for individual debt securities, a global security may not be transferred except:

- by the depositary to its nominee,
- by a nominee of the depositary to the depositary or another nominee, or
- by the depositary or any nominee to a successor of the depositary, or a nominee of the successor.

[Table of Contents](#)

We will describe the specific terms of the depositary arrangement in the applicable prospectus supplement. We expect that the following provisions will generally apply to these depositary arrangements.

Beneficial Interests in a Global Security

If we issue a global security, the depositary for the global security or its nominee will credit on its book-entry registration and transfer system the principal amounts of the individual debt securities represented by the global security to the accounts of persons that have accounts with it. We refer to those persons as “participants” in this prospectus. The accounts will be designated by the dealers, underwriters or agents for the debt securities, or by us if the debt securities are offered and sold directly by us. Ownership of beneficial interests in a global security will be limited to participants or persons who may hold interests through participants. Ownership and transfers of beneficial interests in the global security will be shown on, and transactions can be effected only through, records maintained by the applicable depositary or its nominee, for interests of participants, and the records of participants, for interests of persons who hold through participants. The laws of some states require that you take physical delivery of securities in definitive form. These limits and laws may impair your ability to transfer beneficial interests in a global security.

So long as the depositary or its nominee is the registered owner of a global security, the depositary or nominee will be considered the sole owner or holder of the debt securities represented by the global security for all purposes under the indenture. Except as provided below, you:

- will not be entitled to have any of the individual debt securities represented by the global security registered in your name,
- will not receive or be entitled to receive physical delivery of any debt securities in definitive form, and
- will not be considered the owner or holder of the debt securities under the indenture.

Payments of Principal, Premium and Interest

We will make principal, premium, if any, and interest payments on global securities to the depositary that is the registered holder of the global security or its nominee. The depositary for the global securities will be solely responsible and liable for all payments made on account of your beneficial ownership interests in the global security and for maintaining, supervising and reviewing any records relating to your beneficial ownership interests.

We expect that the depositary or its nominee, upon receipt of any principal, premium, if any, or interest payment immediately will credit participants’ accounts with amounts in proportion to their respective beneficial interests in the principal amount of the global security as shown on the records of the depositary or its nominee. We also expect that payments by participants to you, as an owner of a beneficial interest in the global security held through those participants, will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in “street name.” These payments will be the responsibility of those participants.

Issuance of Individual Debt Securities

Unless we state otherwise in the applicable prospectus supplement, if a depositary for a series of debt securities is at any time unwilling, unable or ineligible to continue as depositary, we will appoint a successor depositary or we will issue individual debt securities in exchange for the global security. In addition, we may at any time and in our sole discretion, subject to any limitations described in the prospectus supplement relating to the debt securities, determine not to have any debt securities represented by one or more global securities. If that occurs, we will issue individual debt securities in exchange for the global security.

[Table of Contents](#)

Further, we may specify that you may, on terms acceptable to us, the trustee and the depository, receive individual debt securities in exchange for your beneficial interest in a global security, subject to any limitations described in the prospectus supplement relating to the debt securities. In that instance, you will be entitled to physical delivery of individual debt securities equal in principal amount to that beneficial interest and to have the debt securities registered in your name. Unless we otherwise specify, we will issue those individual debt securities in denominations of \$1,000 and integral multiples of \$1,000.

Payment and Paying Agents

Unless we state otherwise in an applicable prospectus supplement, we will pay principal of, premium, if any, and interest on your debt securities at the office of the trustee for your debt securities in the City of New York or at the office of any paying agent that we may designate.

Unless we state otherwise in an applicable prospectus supplement, we will pay any interest on debt securities to the registered owner of the debt security at the close of business on the record date for the interest, except in the case of defaulted interest. We may at any time designate additional paying agents or rescind the designation of any paying agent. We must maintain a paying agent in each place of payment for the debt securities.

Any moneys or U.S. government obligations (including the proceeds thereof) deposited with the trustee or any paying agent, or then held by us in trust, for the payment of the principal of, premium, if any, and interest on any debt security that remain unclaimed for two years after the principal, premium or interest has become due and payable will, at our request, be repaid to us. After repayment to us, you are entitled to seek payment only from us as a general unsecured creditor.

Redemption

Unless we state otherwise in an applicable prospectus supplement, debt securities will not be subject to any sinking fund.

Unless we state otherwise in an applicable prospectus supplement, we may, at our option, redeem any series of debt securities after its issuance date in whole or in part at any time and from time to time. We may redeem debt securities in denominations larger than \$1,000 but only in integral multiples of \$1,000.

Redemption Price

Except as we may otherwise specify in the applicable prospectus supplement, the redemption price for any debt security which we redeem will equal 100% of the principal amount plus any accrued and unpaid interest up to, but excluding, the redemption date.

Notice of Redemption

We will mail notice of any redemption of debt securities at least 30 days but not more than 60 days before the redemption date to the registered holders of the debt securities at their addresses as shown on the security register. Unless we default in payment of the redemption price, on and after the redemption date interest will cease to accrue on the debt securities or the portions called for redemption.

Consolidation, Merger and Sale of Assets

We will not consolidate with or merge into any other person or convey, transfer or lease our assets substantially as an entirety to any person, and no person may consolidate with or merge into us, unless:

- we will be the surviving company in any merger or consolidation,
- if we consolidate with or merge into another person or convey or transfer our assets substantially as an entirety to any person, the successor person is an entity organized and validly existing under the laws of the United States of America or any state thereof or the

[Table of Contents](#)

District of Columbia, and the successor entity expressly assumes our obligations relating to the debt securities,

- immediately after giving effect to the consolidation, merger, conveyance or transfer, there exists no event of default, and no event which, after notice or lapse of time or both, would become an event of default, and
- other conditions described in the relevant indenture are met.

This covenant would not apply to the direct or indirect conveyance, transfer or lease of all or any portion of the stock, assets or liabilities of any of our wholly owned subsidiaries to us or to our other wholly owned subsidiaries. In addition, this covenant would not apply to any recapitalization transaction, a change of control of Principal Financial Group, Inc. or a highly leveraged transaction unless such transaction or change of control were structured to include a merger or consolidation by us or the conveyance, transfer or lease of our assets substantially as an entirety.

Limitations upon Liens

The indentures provide that neither we nor any of our restricted subsidiaries, are permitted, directly or indirectly, to, create, issue, assume, incur, guarantee or become liable with respect to any indebtedness for money borrowed which is secured by a lien on any of the present or future common stock of a restricted subsidiary, unless the debt securities, and if we so elect, any of our other indebtedness ranking at least *pari passu* with the debt securities, shall be secured equally and ratably with, or prior to, such other secured indebtedness for money borrowed so long as it is outstanding.

When we use the term “restricted subsidiary,” we mean any subsidiary which is incorporated under the laws of any state of the United States or of the District of Columbia, and which is a regulated insurance company principally engaged in one or more of the life, annuity, property and casualty insurance businesses. However, no subsidiary is a restricted subsidiary:

- if the total assets of that subsidiary are less than 10% of our total assets and the total assets of our consolidated subsidiaries, including that subsidiary, in each case as set forth on the most recent fiscal year-end balance sheets of the subsidiary and us and our consolidated subsidiaries, respectively, and computed in accordance with generally accepted accounting principles, or
- if in the judgment of our board of directors, as evidenced by a board resolution, the subsidiary is not material to the financial condition of us and our subsidiaries taken as a whole.

Modification and Waiver

Modification

We and the trustee may modify and amend each indenture with the consent of the holders of a majority in aggregate principal amount of the series of debt securities affected. However, no modification or amendment may, without the consent of the holder of each outstanding debt security affected:

- change the stated maturity of the principal of, or any installment of interest payable on, any outstanding debt security,
- reduce the principal amount of, or the rate of interest on or any premium payable upon the redemption of, or the amount of principal of an original issue discount security that would be due and payable upon a redemption or would be provable in bankruptcy, or adversely affect any right of repayment of the holder of, any outstanding debt security,
- change the place of payment, or the coin or currency in which any outstanding debt security or the interest on any outstanding debt security is payable,

Table of Contents

- impair your right to institute suit for the enforcement of any payment on any outstanding debt security after the stated maturity or redemption date,
- reduce the percentage of the holders of outstanding debt securities necessary to modify or amend the applicable indenture, to waive compliance with certain provisions of the applicable indenture or certain defaults and consequences of such defaults or to reduce the quorum or voting requirements set forth in the applicable indenture,
- modify any of these provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the required percentage to effect such action or to provide that certain other provisions may not be modified or waived without the consent of all of the holders of the debt securities affected,
- modify the provisions with respect to the subordination of outstanding subordinated debt securities in a manner materially adverse to the holders of such outstanding subordinated debt securities, or
- modify the provisions with respect to any outstanding guarantee of any debt securities in a manner materially adverse to the holders of such outstanding debt securities.

Waiver

The holders of a majority in aggregate principal amount of the outstanding debt securities of a series may, on behalf of the holders of all debt securities of that series, waive compliance by us with certain restrictive covenants of the indenture which relate to that series.

The holders of not less than a majority in aggregate principal amount of the outstanding debt securities of a series may, on behalf of the holders of that series, generally waive any past default under the indenture relating to that series of debt securities and the consequences of such default. However, a default in the payment of the principal of, or premium, if any, or any interest on, any debt security of that series or relating to a covenant or provision which under the indenture relating to that series of debt security cannot be modified or amended without the consent of the holder of each outstanding debt security of that series affected cannot be so waived.

Events of Default

Under the terms of each indenture, each of the following constitutes an event of default for a series of debt securities:

- default for 30 days in the payment of any interest when due,
- default in the payment of principal, or premium, if any, when due,
- default in the performance, or breach, of any covenant or warranty in the indenture for 90 days after written notice,
- certain events of bankruptcy, insolvency or reorganization,
- any other event of default described in the applicable board resolution, guarantee or supplemental indenture under which the series of debt securities is issued.

We are required to furnish the trustee annually with a statement as to the fulfillment of our obligations under the indenture. Each indenture provides that the trustee may withhold notice to you of any default, except in respect of the payment of principal or interest on the debt securities, if it considers it in the interests of the holders of the debt securities to do so.

Effect of an Event of Default

If an event of default exists (other than an event of default in the case of certain events of bankruptcy), the trustee or the holders of not less than 25% in aggregate principal amount of a series of

Table of Contents

outstanding debt securities may declare the principal amount, or, if the debt securities are original issue discount securities, the portion of the principal amount as may be specified in the terms of that series, of the debt securities of that series to be due and payable immediately, by a notice in writing to us, and to the trustee if given by holders. Upon that declaration the principal (or specified) amount will become immediately due and payable. However, at any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained, the holders of not less than a majority in aggregate principal amount of a series of outstanding debt securities may, subject to conditions specified in the indenture, rescind and annul that declaration.

If an event of default in the case of certain events of bankruptcy exists, the principal amount of all debt securities outstanding under the indentures shall automatically, and without any declaration or other action on the part of the trustee or any holder of such outstanding debt, become immediately due and payable.

Subject to the provisions of the indentures relating to the duties of the trustee, if an event of default then exists, the trustee will be under no obligation to exercise any of its rights or powers under the indentures (other than the payment of any amounts on the debt securities furnished to it pursuant to the indenture) at your (or any other person's) request, order or direction, unless you have (or such other person has) offered to the trustee security or indemnity satisfactory to the trustee. Subject to the provisions for the security or indemnification of the trustee, the holders of a majority in aggregate principal amount of a series of outstanding debt securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee in connection with the debt securities of that series.

Legal Proceedings and Enforcement of Right to Payment

You will not have any right to institute any proceeding in connection with the indentures or for any remedy under the indentures, unless you have previously given to the trustee written notice of a continuing event of default with respect to debt securities of that series. In addition, the holders of at least 25% in aggregate principal amount of a series of the outstanding debt securities must have made written request, and offered security or indemnity satisfactory to the trustee, to the trustee to institute that proceeding as trustee, and, within 60 days following the receipt of that notice, the trustee must not have received from the holders of a majority in aggregate principal amount of the outstanding debt securities of that series a direction inconsistent with that request, and must have failed to institute the proceeding. However, you will have an absolute and unconditional right to receive payment of the principal of, premium, if any, and interest on that debt security on or after the due dates expressed in the debt security (or, in the case of redemption, on or after the redemption date) and to institute a suit for the enforcement of that payment.

Satisfaction and Discharge

Each indenture provides that when, among other things, all debt securities not previously delivered to the trustee for cancellation:

- have become due and payable,
- will become due and payable at their stated maturity within one year, or
- are to be called for redemption within one year under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in our name and at our expense,

and we deposit or cause to be deposited with the trustee, money or United States government obligations or a combination thereof, as trust funds, in an amount (such amount to be certified in the case of United States government obligations) to be sufficient to pay and discharge the entire indebtedness on the debt securities not previously delivered to the trustee for cancellation, for the principal, and premium, if any, and interest to the date of the deposit or to the stated maturity or redemption date, as the case may be, then the indenture will cease to be of further effect, and we will be deemed to have satisfied and

discharged the indenture. However, we will continue to be obligated to pay all other sums due under the indenture and to provide the officers' certificates and opinions of counsel described in the indenture.

Defeasance and Covenant Defeasance

Unless we state otherwise in the applicable prospectus supplement, each indenture provides that we may discharge all of our obligations, other than as to transfers and exchanges and certain other specified obligations, under any series of the debt securities at any time, and that we may also be released from our obligations described above under "Limitation upon Liens" and "Consolidation, Merger and Sale of Assets" and from certain other obligations, including obligations imposed by supplemental indentures with respect to that series, if any, and elect not to comply with those sections and obligations without creating an event of default. Discharge under the first procedure is called "defeasance" and under the second procedure is called "covenant defeasance."

Defeasance or covenant defeasance may be effected only if:

- we irrevocably deposit with the trustee money or United States government obligations or a combination thereof, as trust funds in an amount certified to be sufficient to pay on the respective stated maturities, the principal of and any premium and interest on, all outstanding debt securities of that series,
- we deliver to the trustee an opinion of counsel to the effect that:
 - the holders of the debt securities of that series will not recognize gain or loss for United States federal income tax purposes as a result of the deposit, defeasance and discharge or as a result of the deposit and covenant defeasance, and
 - the deposit, defeasance and discharge or the deposit and covenant defeasance will not otherwise alter those holders' United States federal income tax treatment of principal and interest payments on the debt securities of that series,

in the case of a defeasance, this opinion must be based on a ruling of the Internal Revenue Service or a change in United States federal income tax law occurring after the date of execution of the applicable indenture, that result would not occur under current tax law,

- no event of default under the indenture has occurred and is continuing,
- such defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, any indenture or other agreement or instrument for borrowed money to which we are a party or by which we are bound,
- such defeasance or covenant defeasance does not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act of 1940 unless such trust shall be registered under the Investment Company Act of 1940 or exempt from registration thereunder,
- we deliver to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent with respect to such defeasance or covenant defeasance have been complied with, and
- other conditions specified in the indentures are met.

The subordinated indenture will not be discharged as described above if we have defaulted in the payment of principal of, premium, if any, or interest on any senior debt, as defined below under "Subordination under the Subordinated Indenture," and that default is continuing or another event of default on the senior debt then exists and has resulted in the senior debt becoming or being declared due and payable prior to the date it otherwise would have become due and payable.

Conversion or Exchange

We may convert or exchange the debt securities into common stock or other securities. If so, we will describe the specific terms on which the debt securities may be converted or exchanged in the applicable prospectus supplement. The conversion or exchange may be mandatory, at your option, or at our option. The applicable prospectus supplement will describe the manner in which the shares of common stock or other securities you would receive would be converted or exchanged.

Subordination Under the Subordinated Indenture

In the subordinated indenture, we have agreed, and holders of subordinated debt will be deemed to have agreed, that any subordinated debt securities are subordinate and junior in right of payment to all senior debt to the extent provided in the subordinated indenture.

Upon any payment or distribution of assets to creditors upon any liquidation, dissolution, winding up, reorganization, assignment for the benefit of creditors, marshaling of assets or any bankruptcy, insolvency, debt restructuring or similar proceeding in connection with our insolvency or bankruptcy, the holders of senior debt will first be entitled to receive payment in full of principal of, premium, if any, and interest on the senior debt before the holders of subordinated debt securities will be entitled to receive or retain any payment of the principal of, premium, if any, or interest on the subordinated debt securities.

If the maturity of any subordinated debt securities is accelerated, the holders of all senior debt outstanding at the time of the acceleration will first be entitled to receive payment in full of all amounts due, including any amounts due upon acceleration, before you will be entitled to receive any payment of the principal of, premium, if any, or interest on the subordinated debt securities.

We will not make any payments of principal of, premium, if any, or interest on the subordinated debt securities or for the acquisition of subordinated debt securities (other than any sinking fund payment) if:

- a default in any payment on senior debt then exists,
- an event of default on any senior debt resulting in the acceleration of its maturity then exists, or
- any judicial proceeding is pending in connection with default.

When we use the term “debt” we mean, with respect to any person, whether recourse is to all or a portion of the assets of that person and whether or not contingent:

- every obligation of, or any obligation guaranteed by, that person for money borrowed,
- every obligation of, or any obligation guaranteed by, that person evidenced by bonds, debentures, notes or other similar instruments, including obligations incurred in connection with the acquisition of property, assets or businesses but excluding the obligation to pay the deferred purchase price of any such property, assets or business if payable in full within 90 days from the date such debt was created,
- every capital lease obligation of that person,
- leases of property or assets made as part of any sale and lease-back transaction to which that person is a party, and
- any amendments, renewals, extensions, modifications and refundings of any such debt.

The term “debt” does not include trade accounts payable or accrued liabilities arising in the ordinary course of business.

When we use the term “senior debt” we mean the principal of, premium, if any, and interest on debt, whether incurred on, prior to, or after the date of the subordinated indenture, unless the instrument creating or evidencing that debt or pursuant to which that debt is outstanding states that those obligations

[Table of Contents](#)

are not superior in right of payment to the subordinated debt securities or to other debt which ranks equally with, or junior to, the subordinated debt securities. Interest on this senior debt includes interest accruing on or after the filing of any petition in bankruptcy or for reorganization relating to Principal Financial Group, Inc., whether or not the claim for post-petition interest is allowed in that proceeding.

However, senior debt will not include:

- any debt of Principal Financial Group, Inc. which when incurred and without regard to any election under Section 1111(b) of the Bankruptcy Code, was without recourse to Principal Financial Group, Inc.,
- any debt of Principal Financial Group, Inc. to any of its subsidiaries,
- debt to any employee of Principal Financial Group, Inc. or any of its subsidiaries,
- any liability for taxes,
- indebtedness or other monetary obligations to trade creditors or assumed by Principal Financial Group, Inc. or any of its subsidiaries in the ordinary course of business in connection with the obtaining of goods, materials or services, and
- the subordinated debt securities.

The subordinated indenture does not limit the amount of additional senior debt that we may incur. We expect from time to time to incur additional senior debt.

The subordinated indenture provides that we may change the subordination provisions relating to any particular issue of subordinated debt securities prior to issuance. We will describe any change in the prospectus supplement relating to the subordinated debt securities.

Governing Law

The indentures and the debt securities will be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof.

Concerning the Trustees

The trustee under each indenture will have all the duties and responsibilities of an indenture trustee specified in the Trust Indenture Act. Neither trustee is required to expend or risk its own funds or otherwise incur financial liability in performing its duties or exercising its rights and powers if it reasonably believes that it is not reasonably assured of repayment or adequate indemnity.

Each of the trustees acts as depository for funds of, makes loans to, and performs other services for, us and our subsidiaries in the normal course of business.

DESCRIPTION OF JUNIOR SUBORDINATED DEBENTURES

We will issue the junior subordinated debentures in one or more series under a junior subordinated indenture to be entered into between us and Wilmington Trust Company, as debenture trustee.

The following description of the terms of the junior subordinated debentures is a summary. It summarizes only those terms of the junior subordinated debentures which we believe will be most important to your decision to invest in our junior subordinated debentures. You should keep in mind, however, that it is the junior subordinated indenture, and not this summary, which defines your rights as a holder of our junior subordinated debentures. There may be other provisions in the junior subordinated indenture which are also important to you. You should read the junior subordinated indenture for a full description of the terms of the junior subordinated debentures. The junior subordinated indenture is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain a copy of the junior subordinated indenture.

Ranking of the Junior Subordinated Debentures

Each series of junior subordinated debentures will rank equally with all other series of junior subordinated debentures, and will be unsecured and subordinate and junior in right of payment, as described in the junior subordinated indenture, to all of our senior debt as defined in the junior subordinated indenture, which includes all debt issued under our senior indenture or subordinated indenture. See “— Subordination.”

As a non-operating holding company, we have no significant business operations of our own. Therefore, we rely on dividends from our insurance company and other subsidiaries as the principal source of cash flow to meet our obligations for payment of principal and interest on our outstanding debt obligations and corporate expenses. Accordingly, the junior subordinated debentures will be effectively subordinated to all existing and future liabilities of our subsidiaries, and you should rely only on our assets for payments on the junior subordinated debentures. The payment of dividends by Principal Life is limited under the Iowa insurance laws. See “Principal Financial Group, Inc.”

Unless we state otherwise in the applicable prospectus supplement, the junior subordinated indenture does not limit us from incurring or issuing other secured or unsecured debt under the junior subordinated indenture or any other indenture that we may have entered into or enter into in the future. See “— Subordination” and the prospectus supplement relating to any offering of securities.

Terms of the Junior Subordinated Debentures

We may issue the junior subordinated debentures in one or more series through an indenture that supplements the junior subordinated indenture or through a resolution of our board of directors or an authorized committee of our board of directors.

You should refer to the applicable prospectus supplement for the specific terms of the junior subordinated debentures. These may include:

- the title and any limit upon the aggregate principal amount,
- the date(s) on which the principal is payable or the method of determining those date(s),
- the interest rate(s) or the method of determining these interest rate(s),
- the date(s) on which interest will be payable or the method of determining these date(s),
- the circumstances in which interest may be deferred, if any,
- the regular record date or the method of determining this date,
- the place or places where we may pay principal, premium, if any, and interest,

Table of Contents

- conversion or exchange provisions, if any,
- the redemption or early payment provisions,
- the authorized denominations,
- the currency, currencies or currency units in which we may pay the purchase price for, the principal of, premium, if any, and interest on the junior subordinated debentures,
- additions to or changes in the events of default or any changes in any of our covenants specified in the junior subordinated indenture,
- any index or indices used to determine the amount of payments of principal and premium, if any, or the method of determining these amounts,
- whether a temporary global security will be issued and the terms upon which you may exchange a temporary global security for definitive junior subordinated debentures,
- whether we will issue the junior subordinated debentures, in whole or in part, in the form of one or more global securities,
- the terms and conditions of any obligation or right we would have to convert or exchange the junior subordinated debentures into preferred securities or other securities,
- whether a Principal Financial Services, Inc. guarantee will apply to such junior subordinated debentures and, if so, the material terms thereof, and
- any other special terms of such junior subordinated debentures or related guarantee.

Special Payment Terms of the Junior Subordinated Debentures

We may issue junior subordinated debentures at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. We will describe United States federal income tax consequences and special considerations relating to any junior subordinated debentures in the applicable prospectus supplement.

The purchase price of any of the junior subordinated debentures may be payable in one or more foreign currencies or currency units. The junior subordinated debentures may be denominated in one or more foreign currencies or currency units, or the principal of, premium, if any, or interest on any junior subordinated debentures may be payable in one or more foreign currencies or currency units. We will describe the restrictions, elections, United States federal income tax considerations, specific terms and other information relating to the junior subordinated debentures and the foreign currency units in the applicable prospectus supplement.

If we use any index to determine the amount of payments of principal of, premium, if any, or interest on any series of junior subordinated debentures, we will also describe special United States federal income tax, accounting and other considerations relating to the junior subordinated debentures in the applicable prospectus supplement.

Denominations, Registration and Transfer

Unless we state otherwise in the applicable prospectus supplement, we will issue the junior subordinated debentures only in registered form without coupons in denominations of \$25 and any integral multiple of \$25. Junior subordinated debentures of any series will be exchangeable for other junior subordinated debentures of the same issue and series, of any authorized denomination of a like aggregate principal amount, of the same original issue date and stated maturity and bearing the same interest rate.

You may present junior subordinated debentures for exchange as described above, or for registration of transfer, at the office of the securities registrar or at the office of any transfer agent we designate for that purpose. You will not incur a service charge but you must pay any taxes and other

[Table of Contents](#)

governmental charges as described in the junior subordinated indenture. We will appoint the debenture trustee as securities registrar under the junior subordinated indenture. We may at any time rescind the designation of any transfer agent that we initially designate or approve a change in the location through which the transfer agent acts. We must maintain a transfer agent in each place of payment. We will specify the transfer agent in the applicable prospectus supplement. We may at any time designate additional transfer agents.

If we redeem any junior subordinated debentures, neither we nor the debenture trustee will be required to:

- issue, register the transfer of, or exchange junior subordinated debentures during a period beginning at the opening of business 15 days before the day of selection for redemption of the junior subordinated debentures and ending at the close of business on the day of mailing of the relevant notice of redemption, or
- transfer or exchange any junior subordinated debentures selected for redemption, except for any portion not redeemed of any junior subordinated debenture that is being redeemed in part.

Global Junior Subordinated Debentures

We may issue a series of junior subordinated debentures in the form of one or more global junior subordinated debentures. We will identify the depository holding the global junior subordinated debentures in the applicable prospectus supplement. We will issue global junior subordinated debentures only in fully registered form and in either temporary or permanent form. Unless it is exchanged for an individual junior subordinated debenture, a global junior subordinated debenture may not be transferred except:

- by the depository to its nominee,
- by a nominee of the depository to the depository or another nominee, or
- by the depository or any nominee to a successor depository, or any nominee of the successor.

We will describe the specific terms of the depository arrangement in the applicable prospectus supplement. We expect that the following provisions will generally apply to these depository arrangements.

Beneficial Interests in a Global Junior Subordinated Debenture

If we issue a global junior subordinated debenture, the depository for the global junior subordinated debenture or its nominee will credit on its book-entry registration and transfer system the principal amounts of the individual junior subordinated debentures represented by the global junior subordinated debenture to the accounts of persons that have accounts with it. We refer to those persons as “participants” in this prospectus. The accounts will be designated by the dealers, underwriters or agents for the junior subordinated debentures, or by us if the junior subordinated debentures are offered and sold directly by us. Ownership of beneficial interests in a global junior subordinated debenture will be limited to participants or persons that may hold interests through participants. Ownership and transfers of beneficial interests in the global junior subordinated debenture will be shown on, and effected only through, records maintained by the applicable depository or its nominee, for interests of participants, and the records of participants, for interests of persons who hold through participants. The laws of some states require that you take physical delivery of securities in definitive form. These limits and laws may impair your ability to transfer beneficial interests in a global junior subordinated debenture.

So long as the depository or its nominee is the registered owner of the global junior subordinated debenture, the depository or the nominee will be considered the sole owner or holder of the junior

[Table of Contents](#)

subordinated debentures represented by the global junior subordinated debenture for all purposes under the junior subordinated indenture. Except as provided below, you:

- will not be entitled to have any of the individual junior subordinated debentures represented by the global junior subordinated debenture registered in your name,
- will not receive or be entitled to receive physical delivery of any junior subordinated debentures in definitive form, and
- will not be considered the owner or holder of the junior subordinated debenture under the junior subordinated indenture.

Payments of Principal, Premium and Interest

We will make principal, premium and interest payments on global junior subordinated debentures to the depositary that is the registered holder of the global junior subordinated debenture or its nominee. The depositary for the junior subordinated debentures will be solely responsible and liable for all payments made on account of your beneficial ownership interests in the global junior subordinated debenture and for maintaining, supervising and reviewing any records relating to your beneficial ownership interests.

We expect that the depositary or its nominee, upon receipt of principal, premium or interest payments, immediately will credit participants' accounts with amounts in proportion to their respective beneficial interests in the principal amount of the global junior subordinated debenture as shown on the records of the depositary or its nominee. We also expect that payments by participants to you, as an owner of a beneficial interest in the global junior subordinated debenture held through those participants, will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name." These payments will be the responsibility of those participants.

Issuance of Individual Junior Subordinated Debentures

Unless we state otherwise in the applicable prospectus supplement, if a depositary for a series of junior subordinated debentures is at any time unwilling, unable or ineligible to continue as depositary, we will issue individual junior subordinated debentures in exchange for the global junior subordinated debenture. In addition, we may at any time and in our sole discretion, subject to any limitations described in the prospectus supplement relating to the junior subordinated debentures, determine not to have any junior subordinated debentures represented by one or more global junior subordinated debentures. If that occurs, we will issue individual junior subordinated debentures in exchange for the global junior subordinated debenture.

Further, we may specify that you may, on terms acceptable to us, the debenture trustee and the depositary for the global junior subordinated debenture, receive individual junior subordinated debentures in exchange for your beneficial interest in a global junior subordinated debenture, subject to any limitations described in the prospectus supplement relating to the junior subordinated debentures. In that instance, you will be entitled to physical delivery of individual junior subordinated debentures equal in principal amount to that beneficial interest and to have the junior subordinated debentures registered in your name. Unless we otherwise specify, those individual junior subordinated debentures will be issued in denominations of \$25 and integral multiples of \$25.

Payment and Paying Agents

Unless we state otherwise in the applicable prospectus supplement, we will pay principal of, premium, if any, and interest on your junior subordinated debentures at the office of the debenture trustee or at the office of any paying agent that we may designate.

Unless we state otherwise in the applicable prospectus supplement, we will pay any interest on junior subordinated debentures to the registered owner of the junior subordinated debenture at the close of

Table of Contents

business on the regular record date for the interest, except in the case of defaulted interest. We may at any time designate additional paying agents or rescind the designation of any paying agent. We must maintain a paying agent in each place of payment for the junior subordinated debentures.

Any moneys deposited with the debenture trustee or any paying agent, or then held by us in trust, for the payment of the principal of, premium, if any, and interest on any junior subordinated debenture that remain unclaimed for two years after the principal, premium or interest has become due and payable will, at our request, be repaid to us. After repayment to us, you are entitled to seek payment only from us as a general unsecured creditor.

Redemption

Unless we state otherwise in the applicable prospectus supplement, junior subordinated debentures will not be subject to any sinking fund.

We may, at our option, redeem any series of junior subordinated debentures after its issuance date in whole or in part at any time and from time to time. We may redeem junior subordinated debentures in denominations larger than \$25 but only in integral multiples of \$25.

Redemption Price

Except as we may otherwise specify in the applicable prospectus supplement, the redemption price for any junior subordinated debenture redeemed will equal any accrued and unpaid interest to the redemption date, plus the greater of:

- the principal amount, and
- an amount equal to:
 - for junior subordinated debentures bearing interest at a fixed rate, the discounted remaining fixed amount payments, calculated as described below, or
 - for junior subordinated debentures bearing interest determined by reference to a floating rate, the discounted swap equivalent payments, calculated as described below.

The discounted remaining fixed amount payments will equal the sum of the current values of the amounts of interest and principal that would have been payable by us on each interest payment date after the redemption date and at stated maturity of the final payment of principal. This calculation will take into account any required sinking fund payments, but will otherwise assume that we have not redeemed the junior subordinated debenture prior to the stated maturity.

The current value of any amount is the present value of that amount on the redemption date after discounting that amount on a monthly, quarterly or semiannual basis, whichever corresponds to the interest payment date periods of the related series of junior subordinated debentures, from the originally scheduled date for payment. We will use the treasury rate to calculate this present value.

The treasury rate is a per annum rate, expressed as a decimal and, in the case of United States Treasury bills, converted to a per annum yield, determined on the redemption date to be the per annum rate equal to the semiannual bond equivalent yield to maturity, adjusted to reflect monthly or quarterly compounding in the case of junior subordinated debentures having monthly or quarterly interest payment dates for United States Treasury securities maturing at the stated maturity of the final payment of principal of the junior subordinated debentures redeemed. We will determine this rate by reference to the weekly average yield to maturity for United States Treasury securities maturing on that stated maturity if reported in the most recent Statistical Release H.15(519) of the Board of Governors of the Federal Reserve. If no such securities mature at the stated maturity, we will determine the rate by interpolation between the most recent weekly average yields to maturity for two series of United States Treasury securities, (1) one maturing as close as possible to, but earlier than, the stated maturity and (2) the other

maturing as close as possible to, but later than, the stated maturity, in each case as published in the most recent Statistical Release H.15(519) of the Board of Governors of the Federal Reserve.

The discounted swap equivalent payments will equal the sum of:

- the current value of the amount of principal that would have been payable by us pursuant to the terms of the junior subordinated debenture at the stated maturity of the final payment of the principal of the junior subordinated debentures. This calculation will take into account any required sinking fund payments but will otherwise assume that we had not redeemed the junior subordinated debenture prior to the stated maturity, and
- the sum of the current values of the fixed rate payments that leading interest rate swap dealers would require to be paid by an assumed fixed rate payer having the same credit standing as ours against floating rate payments to be made by these leading dealers equal to the interest payments on the junior subordinated debentures being redeemed, taking into account any required sinking fund payment, but otherwise assuming we had not redeemed the junior subordinated debenture prior to the stated maturity, under a standard interest rate swap agreement having a notional principal amount equal to the principal amount of the junior subordinated debentures, a termination date set at the stated maturity of the junior subordinated debentures and payment dates for both fixed and floating rate payers set at each interest payment date of the junior subordinated debentures. The amount of the fixed rate payments will be based on quotations received by the trustee, or an agent appointed for that purpose, from four leading interest rate swap dealers or, if quotations from four leading interest rate swap dealers are not obtainable, three leading interest rate swap dealers.

Special Event Redemption

Unless we state otherwise in the applicable prospectus supplement, if a special event relating to a series of junior subordinated debentures then exists, we may, at our option, redeem the series of junior subordinated debentures in whole, but not in part, on any date within 90 days of the special event occurring. The redemption price will equal the principal amount of the junior subordinated debentures then outstanding plus accrued and unpaid interest to the date fixed for redemption.

A “special event” means a “tax event” or an “investment company event.” A “tax event” occurs when a trust receives an opinion of counsel experienced in these matters to the effect that, as a result of any amendment to, or change, including any announced prospective change in, the laws or regulations of the United States or any political subdivision or taxing authority affecting taxation, or as a result of any official administrative pronouncement or judicial decision interpreting or applying those laws or regulations, which amendment or change is effective or pronouncement or decision is announced on or after the date of issuance of the preferred securities of a trust, there is more than an insubstantial risk that:

- the trust is, or will be within 90 days of that date, subject to United States federal income tax with respect to income received or accrued on the corresponding series of junior subordinated debentures;
- interest payable by us on the series of junior subordinated debentures is not, or within 90 days of that date, will not be, deductible, in whole or in part, for United States federal income tax purposes; or
- the trust is, or will be within 90 days of that date, subject to more than a de minimis amount of other taxes, duties or other governmental charges.

An “investment company event” occurs when, in respect of a trust, there is a change in law or regulation, or a change in interpretation or application of law or regulation, by any legislative body, court, governmental agency or regulatory authority such that such trust is or will be considered an “investment company” that is required to be registered under the Investment Company Act of 1940, which change becomes effective on or after the date of issuance of the preferred securities of a trust.

Notice of Redemption

We will mail notice of any redemption of your junior subordinated debentures at least 30 days but not more than 60 days before the redemption date to you at your registered address. Unless we default in payment of the redemption price, on and after the redemption date interest will cease to accrue on the junior subordinated debentures or the portions called for redemption.

Option to Extend Interest Payment Date

If provided in the applicable prospectus supplement, we will have the right during the term of any series of junior subordinated debentures to extend the interest payment period for a specified number of interest payment periods, subject to the terms, conditions and covenants specified in the prospectus supplement. However, we may not extend these interest payments beyond the maturity of the junior subordinated debentures. We will describe the United States federal income tax consequences and special considerations relating to any junior subordinated debentures in the applicable prospectus supplement.

If we exercise this right, during the extension period we and our subsidiaries may not:

- declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment on, any of our capital stock, or
- make any payment of principal, premium, if any, or interest on or repay, repurchase or redeem any debt securities that rank equally with or junior in interest to the junior subordinated debentures or make any related guarantee payments,

other than:

- dividends or distributions on our common stock,
- redemptions or purchases of any rights pursuant to our rights plan, or any successor to our rights plan, and the declaration of a dividend of these rights in the future, and
- payments under any guarantee.

Modification of Indenture

We and the debenture trustee may, without the consent of the holders of junior subordinated debentures, amend, waive or supplement the junior subordinated indenture for specified purposes, including, among other things, curing ambiguities, defects or inconsistencies. However, no action may materially adversely affect the interests of holders of any series of junior subordinated debentures or, in the case of corresponding junior subordinated debentures, the holders of the corresponding series of preferred securities so long as they remain outstanding. We may also amend the junior subordinated indenture to maintain the qualification of the junior subordinated indenture under the Trust Indenture Act.

We and the debenture trustee may, with the consent of the holders of not less than a majority in principal amount of the series of junior subordinated debentures affected, modify the junior subordinated indenture in a manner affecting the rights of the holders of junior subordinated debentures. However, no modification may, without the consent of the holder of each outstanding junior subordinated debenture affected:

- change the stated maturity of the junior subordinated debentures,
- reduce the principal amount of the junior subordinated debentures,
- reduce the rate or, except as permitted by the junior subordinated indenture and the terms of the series of junior subordinated debentures, extend the time of payment of interest on the junior subordinated debentures, or
- reduce the percentage of principal amount of the junior subordinated debentures, the holders of which are required to consent to the modification of the junior subordinated indenture.

Table of Contents

In the case of corresponding junior subordinated debentures, so long as any of the corresponding series of preferred securities remain outstanding:

- no such modification may be made that adversely affects the holders of the preferred securities,
- no termination of the junior subordinated indenture may occur, and
- no waiver of any debenture event of default or compliance with any covenant under the junior subordinated indenture may be effective,

without the prior consent of the holders of at least a majority of the aggregate liquidation preference of the preferred securities unless the principal of the corresponding junior subordinated debentures and all accrued and unpaid interest on the corresponding junior subordinated debentures have been paid in full and other conditions are satisfied.

In addition, we and the debenture trustee may execute, without your consent, any supplemental indenture for the purpose of creating any new series of junior subordinated debentures.

Debenture Events of Default

Under the terms of the junior subordinated indenture, each of the following constitutes a debenture event of default for a series of junior subordinated debentures:

- failure for 30 days to pay any interest on the series of junior subordinated debentures when due, subject to the deferral of any due date in the case of an extension period,
- failure to pay any principal or premium, if any, on the series of junior subordinated debentures when due, including at maturity, upon redemption or by declaration,
- failure to observe or perform in any material respect specified other covenants contained in the junior subordinated indenture for 90 days after written notice from the debenture trustee or the holders of at least 25% in principal amount of the relevant series of outstanding junior subordinated debentures,
- our bankruptcy, insolvency or reorganization, or
- any other event of default described in the applicable board resolution, guarantee or supplemental indenture under which the series of debt securities is issued.

Effect of Event of Default

The holders of a majority in outstanding principal amount of the series of junior subordinated debentures have the right to direct the time, method and place of conducting any proceeding for any remedy available to the debenture trustee. The debenture trustee or the holders of not less than 25% in aggregate outstanding principal amount of the series of junior subordinated debentures may declare the principal due and payable immediately upon a debenture event of default. In the case of corresponding junior subordinated debentures, if the debenture trustee or the holders of the corresponding junior subordinated debentures fail to make this declaration, the holders of at least 25% in aggregate liquidation preference of the corresponding series of preferred securities will have that right.

Waiver of Event of Default

The holders of a majority in aggregate outstanding principal amount of the series of junior subordinated debentures may rescind and annul the declaration and its consequences if:

- the event of default is other than our non-payment of the principal of the junior subordinated debentures which has become due solely by such acceleration and all other events of default have been cured or waived, and

[Table of Contents](#)

- we have paid or deposited with the debenture trustee a sum sufficient to pay:
- all overdue installments of interest (including interest on overdue installments of interest) and principal (and premium, if any) due other than by acceleration, and
- certain amounts owing to the debenture trustee, its agents and counsel.

The holders of a majority in aggregate outstanding principal amount of the junior subordinated debentures affected by the default may, on behalf of the holders of all the junior subordinated debentures, waive any past default and its consequences, except:

- a default in the payment of principal (or premium, if any) or interest, and
- a default relating to a covenant or provision which under the junior subordinated indenture cannot be modified or amended without the consent of the holder of each outstanding junior subordinated debenture.

We are required under the junior subordinated indenture to file annually with the junior subordinated indenture trustee a certificate of compliance.

Direct Actions by Preferred Securityholders

If a debenture event of default is attributable to our failure to pay interest or principal on the corresponding junior subordinated debentures on the date the interest or principal is payable, you, as a holder of preferred securities, may institute a legal proceeding directly against us or any guarantor, which we refer to in this prospectus as a “direct action,” for enforcement of payment to you of the principal of or interest on the corresponding junior subordinated debentures having a principal amount equal to the aggregate liquidation amount of your related preferred securities.

We may not amend the junior subordinated indenture to remove the right to bring a direct action without the prior written consent of the holders of all of the preferred securities. If the right to bring a direct action is removed, the applicable issue may become subject to the reporting obligations under the Securities Exchange Act of 1934. We have the right under the junior subordinated indenture to set-off any payment made to you as a holder of preferred securities by us in connection with a direct action. You will not be able to exercise directly any other remedy available to holders of the corresponding junior subordinated debentures.

You will not be able to exercise directly any remedies other than those described in the preceding paragraph available to holders of the junior subordinated debentures unless there has been an event of default under the trust agreement.

Consolidation, Merger, Sale of Assets and Other Transactions

We will not consolidate with or merge into any other corporation or convey, transfer or lease our properties and assets substantially as an entirety to any person, and no person will consolidate with or merge into us or convey, transfer or lease its properties and assets substantially as an entirety to us, unless:

- if we consolidate with or merge into another corporation or convey or transfer our properties and assets substantially as an entirety to any person, the successor corporation is organized under the laws of the United States or any state or the District of Columbia, and the successor corporation expressly assumes our obligations relating to the junior subordinated debentures,
- immediately after giving effect to the consolidation, merger, conveyance or transfer, there exists no debenture event of default, and no event which, after notice or lapse of time or both, would become a debenture event of default,

[Table of Contents](#)

- in the case of corresponding junior subordinated debentures, the transaction is permitted under the related trust agreement or guarantee and does not give rise to any breach or violation of the related trust agreement or guarantee, and
- other conditions described in the junior subordinated indenture are met.

The general provisions of the junior subordinated indenture do not protect you against transactions, such as a highly leveraged transaction, that may adversely affect you.

Satisfaction and Discharge

The junior subordinated indenture provides that when, among other things, all junior subordinated debentures not previously delivered to the debenture trustee for cancellation:

- have become due and payable, or
- will become due and payable at their stated maturity within one year,

and we deposit or cause to be deposited with the debenture trustee, in trust, an amount in the currency or currencies in which the junior subordinated debentures are payable sufficient to pay and discharge the entire indebtedness on the junior subordinated debentures not previously delivered to the debenture trustee for cancellation, for the principal, premium, if any, and interest on the date of the deposit or to the stated maturity, as the case may be, then the junior subordinated indenture will cease to be of further effect and we will be deemed to have satisfied and discharged the indenture. However, we will continue to be obligated to pay all other sums due under the junior subordinated indenture and to provide the officers' certificates and opinions of counsel described in the junior subordinated indenture.

Conversion or Exchange

We may convert or exchange the junior subordinated debentures into preferred securities or other securities. If so, we will describe the specific terms on which junior subordinated debentures may be converted or exchanged in the applicable prospectus supplement. The conversion or exchange may be mandatory, at your option or at our option. The applicable prospectus supplement will state the manner in which the preferred securities you would receive would be converted or exchanged.

Subordination

In the junior subordinated indenture, we have agreed that any junior subordinated debentures will be subordinate and junior in right of payment to all senior debt to the extent provided in the junior subordinated indenture.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to us, the holders of senior debt will first be entitled to receive payment in full of principal of, premium, if any, and interest on the senior debt before the holders of junior subordinated debentures or, in the case of corresponding junior subordinated debentures, the property trustee on behalf of the holders, will be entitled to receive or retain any payment of the principal, premium, if any, or interest on the junior subordinated debentures.

If the maturity of any junior subordinated debentures is accelerated, the holders of all senior debt outstanding at the time of the acceleration will first be entitled to receive payment in full of all amounts due, including any amounts due upon acceleration, before you will be entitled to receive any payment of the principal of, premium, if any, or interest on the junior subordinated debentures.

We will not make any payments of principal of, premium, if any, or interest on the junior subordinated debentures if:

- a default in any payment on senior debt then exists,
- an event of default on any senior debt resulting in the acceleration of its maturity then exists, or
- any judicial proceeding is pending in connection with a default.

When we use the term “debt,” we mean, with respect to any person, whether recourse is to all or a portion of the assets of that person and whether or not contingent:

- every obligation of that person for money borrowed,
- every obligation of that person evidenced by bonds, debentures, notes or other similar instruments, including obligations incurred in connection with the acquisition of property, assets or businesses,
- every reimbursement obligation of that person with respect to letters of credit, bankers’ acceptances or similar facilities issued for the account of the person,
- every obligation of that person issued or assumed as the deferred purchase price of property or services, but excluding trade accounts payable or accrued liabilities arising in the ordinary course of business,
- every capital lease obligation of that person, and
- every obligation of the type referred to in the prior five clauses of another person and all dividends of another person the payment of which the person has guaranteed or is responsible or liable for, directly or indirectly, including as obligor.

When we use the term “senior debt” we mean the principal, premium, if any, and interest on debt, whether incurred on, prior to or after the date of the junior subordinated indenture, unless the instrument creating or evidencing that debt or pursuant to which that debt is outstanding states that those obligations are not superior in right of payment to the junior subordinated debentures or to other debt which ranks equally with, or junior to, the junior subordinated debentures. Interest on this senior debt includes interest accruing on or after the filing of any petition in bankruptcy or for reorganization relating to Principal Financial Group, Inc., whether or not the claim for post-petition interest is allowed in that proceeding.

However, senior debt will not include:

- any debt of Principal Financial Group, Inc. which when incurred and without regard to any election under Section 1111(b) of the Bankruptcy Code, was without recourse to Principal Financial Group, Inc.,
- any debt of Principal Financial Group, Inc. to any of its subsidiaries,
- debt to any employee of Principal Financial Group, Inc.,
- any liability for taxes, and
- indebtedness or monetary obligations to trade creditors or assumed by Principal Financial Group, Inc. or any of its subsidiaries in the ordinary course of business in connection with the obtaining of materials or services.

As a non-operating holding company, we have no significant business operations of our own. Therefore, we rely on dividends from our insurance company and other subsidiaries as the principal source of cash flow to meet our obligations for payment of principal and interest on our outstanding debt obligations and corporate expenses. Accordingly, the junior subordinated debentures will be effectively subordinated to all existing and future liabilities of our subsidiaries, and you should rely only on our assets

[Table of Contents](#)

for payments on the junior subordinated debentures. The payment of dividends by Principal Life is limited under Iowa insurance laws. See “Principal Financial Group, Inc.”

The junior subordinated indenture does not limit the amount of additional senior debt that we may incur. We expect from time to time to incur additional senior debt.

The indenture provides that we may change the subordination provisions relating to any particular issue of junior subordinated debentures prior to issuance. We will describe any change in the prospectus supplement relating to the junior subordinated debentures.

Governing Law

The junior subordinated indenture and the junior subordinated debentures will be governed by and construed in accordance with the laws of the State of New York.

Information Concerning the Debenture Trustee

The debenture trustee will have all the duties and responsibilities of an indenture trustee specified in the Trust Indenture Act. Subject to those provisions, the debenture trustee is not required to exercise any of its powers under the junior subordinated indenture at your request, unless you offer reasonable indemnity against the costs, expenses and liabilities which the trustee might incur. The debenture trustee is not required to expend or risk its own funds or incur personal financial liability in performing its duties if the debenture trustee reasonably believes that it is not reasonably assured of repayment or adequate indemnity.

**DESCRIPTION OF CAPITAL STOCK OF
PRINCIPAL FINANCIAL GROUP, INC.**

Our authorized capital stock consists of 2.5 billion shares of common stock and 500 million shares of preferred stock.

As of February 1, 2004, we had 320,775,924 outstanding shares of common stock. Holders of common stock have received a right entitling them, when the right becomes exercisable, to purchase shares of Series A Junior Participating Preferred Stock. See “— Stockholder Right Plan.” No shares of preferred stock are currently outstanding.

Common Stock

Holders of common stock are entitled to receive such dividends as may from time to time be declared by our board of directors out of funds legally available for the payment of such dividends. Holders of common stock are entitled to one vote per share on all matters on which the holders of common stock are entitled to vote and do not have any cumulative voting rights. Holders of common stock have no preemptive, conversion, redemption or sinking fund rights. In the event of a liquidation, dissolution or winding up of Principal Financial Group, Inc., holders of common stock are entitled to share equally and ratably in the assets of Principal Financial Group, Inc., if any, remaining after the payment of all liabilities of Principal Financial Group, Inc. and the liquidation preference of any outstanding class or series of preferred stock. The rights and privileges of holders of common stock are subject to any series of preferred stock that we may issue in the future, as described below. Our common stock is listed on the New York Stock Exchange under the symbol “PFG”.

Preferred Stock

We will describe the particular terms of any series of preferred stock and any related guarantee in the prospectus supplement relating to the offering.

Our board of directors has the authority to issue preferred stock in one or more series and to fix the number of shares constituting any such series and the voting rights, designations, preferences and qualifications, limitations and restrictions of the shares constituting any series, without any further vote or action by our stockholders. The issuance of preferred stock by our board of directors could adversely affect the rights of holders of common stock.

We will fix or designate the rights, preferences, privileges and restrictions, including dividend rights, voting rights, terms of redemption, retirement and sinking fund provisions and liquidation preferences, if any, of a series of preferred stock through a certificate of designation adopted by our board of directors. We will describe the terms, if any, on which shares of any series of preferred stock are convertible or exchangeable into common stock in the prospectus supplement relating to the offering. The conversion or exchange may be mandatory, at your option or at our option. The applicable prospectus supplement will state the manner in which the shares of common stock that you will receive as a holder of preferred stock would be converted or exchanged.

On October 22, 2001 our board of directors authorized the issuance of one right with respect to each share of common stock issued between October 22, 2001 and the distribution date (as described below). When these rights become exercisable, holders of the rights will be entitled to purchase Series A Junior Participating Preferred Stock. See “— Stockholder Rights Plan”.

Change of Control Related Provisions in Our Certificate of Incorporation and By-Laws, and Delaware Law

A number of provisions of our certificate of incorporation and by-laws deal with matters of corporate governance and rights of stockholders. The following discussion is a general summary of selected provisions of our certificate of incorporation and by-laws and regulatory provisions that might be deemed to have a potential antitakeover effect. These provisions may have the effect of discouraging a future takeover

attempt which is not approved by our board of directors but which individual stockholders may deem to be in their best interests or in which stockholders may receive a substantial premium for their shares over then current market prices. As a result, stockholders who might desire to participate in such a transaction may not have an opportunity to do so. Such provisions will also render the removal of the incumbent board of directors or management more difficult. Some provisions of the Delaware General Corporation Law and the Iowa insurance laws may also have an antitakeover effect. The following description of selected provisions of our certificate of incorporation and by-laws and selected provisions of the Delaware General Corporation Law and the Iowa insurance laws are necessarily general and reference should be made in each case to our certificate of incorporation and by-laws, which are filed as exhibits to the registration statement that includes this prospectus, and to the provisions of those laws, See “Where You Can Find More Information” for information on where to obtain a copy of our certificate of incorporation and by-laws.

Unissued Shares of Capital Stock

Common Stock. As of February 1, 2004, we had 320,775,924 outstanding shares of common stock. The remaining shares of authorized and unissued common stock are available for future issuance without additional stockholder approval. While the additional shares are not designed to deter or prevent a change of control, under some circumstances we could use the additional shares to create voting impediments or to frustrate persons seeking to effect a takeover or otherwise gain control by, for example, issuing those shares in private placements to purchasers who might side with our board of directors in opposing a hostile takeover bid.

Preferred Stock. Our board of directors has the authority to issue preferred stock in one or more series and to fix the number of shares constituting any such series and the preferences, limitations and relative rights, including dividend rights, dividend rate, voting rights, terms of redemption, redemption price or prices, conversion rights and liquidation preferences of the shares constituting any series, without any further vote or action by our stockholders. The existence of authorized but unissued preferred stock could reduce our attractiveness as a target for an unsolicited takeover bid since we could, for example, issue shares of preferred stock to parties who might oppose such a takeover bid or shares that contain terms the potential acquiror may find unattractive. This may have the effect of delaying or preventing a change in control, may discourage bids for the common stock at a premium over the market price of the common stock, and may adversely affect the market price of, and the voting and other rights of the holders of, common stock.

Classified Board of Directors and Removal of Directors. Our certificate of incorporation provides that the directors shall be divided into three classes, as nearly equal in number as possible, with the term of office of each class to be three years. The classes serve staggered terms, such that the term of one class of directors expires each year. Any effort to obtain control of our board of directors by causing the election of a majority of the board of directors may require more time than would be required without a staggered election structure. Our certificate of incorporation also provides that directors may be removed only for cause at a meeting of stockholders by a vote of a majority of the shares then entitled to vote. This provision may have the effect of slowing or impeding a change in membership of our board of directors that would effect a change of control.

Restriction on Maximum Number of Directors and Filling of Vacancies on our Board of Directors. Our by-laws provide that the number of directors shall be fixed and increased or decreased from time to time by resolution of the board of directors, but the board of directors shall at no time consist of fewer than three directors. Stockholders can only remove a director for cause by a vote of a majority of the shares entitled to vote, in which case the vacancy caused by such removal may be filled at such meeting by the stockholders entitled to vote for the election of the director so removed. Any vacancy on the board of directors, including a vacancy resulting from an increase in the number of directors or resulting from a removal for cause where the stockholders have not filled the vacancy, may be filled by a majority of the directors then in office, although less than a quorum. If the vacancy is not so filled, it shall be filled by the stockholders at the next annual meeting of stockholders. The stockholders are not permitted to fill

[Table of Contents](#)

vacancies between annual meetings except where the vacancy resulted from a removal for cause. These provisions give incumbent directors significant authority that may have the effect of limiting the ability of stockholders to effect a change in management.

Advance Notice Requirements for Nomination of Directors and Presentation of New Business at Meetings of Stockholders; Action by Written Consent. Our by-laws provide for advance notice requirements for stockholder proposals and nominations for director. In addition, under the provisions of both our certificate of incorporation and by-laws, action may not be taken by written consent of stockholders; rather, any action taken by the stockholders must be effected at a duly called meeting. The chief executive officer, or, under some circumstances, the president or any vice president, and the board of directors may call a special meeting. These provisions make it more procedurally difficult for a stockholder to place a proposal or nomination on the meeting agenda or to take action without a meeting, and therefore may reduce the likelihood that a stockholder will seek to take independent action to replace directors or seek a stockholder vote with respect to other matters that are not supported by management.

Limitations on Director Liability

Our certificate of incorporation contains a provision that is designed to limit our directors' liability. Specifically, directors will not be held liable to Principal Financial Group, Inc. for monetary damages for breach of their fiduciary duty as a director, except to the extent that this limitation on or exemption from liability is not permitted by the Delaware General Corporation Law and any amendments to that law.

The principal effect of the limitation on liability provision is that a stockholder is unable to prosecute an action for monetary damages against a director of Principal Financial Group, Inc. unless the stockholder can demonstrate a basis for liability for which indemnification is not available under the Delaware General Corporation Law. This provision, however, does not eliminate or limit director liability arising in connection with causes of action brought under the federal securities laws. Our certificate of incorporation does not eliminate our directors' duty of care. The inclusion of this provision in our certificate of incorporation may, however, discourage or deter stockholders or management from bringing a lawsuit against directors for a breach of their fiduciary duties, even though such an action, if successful, might otherwise have benefited Principal Financial Group, Inc. and our stockholders. This provision should not affect the availability of equitable remedies such as injunction or rescission based upon a director's breach of the duty of care.

Our by-laws also provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. We are required to indemnify our directors and officers for all judgments, fines, settlements, legal fees and other expenses incurred in connection with pending or threatened legal proceedings because of the director's or officer's position with Principal Financial Group, Inc. or another entity that the director or officer serves at our request, subject to various conditions, and to advance funds to our directors and officers to enable them to defend against such proceedings. To receive indemnification, the director or officer must have been successful in the legal proceeding or have acted in good faith and in what was reasonably believed to be a lawful manner in the best interest of Principal Financial Group, Inc.

Supermajority Voting Requirement for Amendment of Certain Provisions of our Certificate of Incorporation and By-Laws. The provisions of our certificate of incorporation governing, among other things the classified board, the director's discretion in determining what he or she reasonably believes to be in the best interests of Principal Financial Group, Inc., the liability of directors and the elimination of stockholder actions by written consent may not be amended, altered or repealed unless the amendment is approved by the vote of holders of three-fourths of the shares then entitled to vote at an election of directors. This requirement exceeds the majority vote of the outstanding stock that would otherwise be required by the Delaware General Corporation Law for the repeal or amendment of such provisions of the certificate of incorporation. Our by-laws may be amended by the board of directors or by the vote of holders of three-fourths of the shares then entitled to vote. These provisions make it more difficult for any person to remove or amend any provisions that have an antitakeover effect.

Business Combination Statute. In addition, as a Delaware corporation, we are subject to Section 203 of the Delaware General Corporation Law, unless we elect in our certificate of incorporation not to be governed by the provisions of Section 203. We have not made that election. Section 203 can affect the ability of an “interested stockholder” of Principal Financial Group, Inc. to engage in business combinations, such as mergers, consolidations or acquisitions of additional shares of Principal Financial Group, Inc., for a period of three years following the time that the stockholder becomes an “interested stockholder.” An “interested stockholder” is defined to include persons owning directly or indirectly 15% or more of the outstanding voting stock of a corporation. The provisions of Section 203 are not applicable in some circumstances, including those in which (a) the business combination or transaction which results in the stockholder becoming an “interested stockholder” is approved by the corporation’s board of directors prior to the time the stockholder becomes an “interested stockholder” or (b) the “interested stockholder,” upon consummation of such transaction, owns at least 85% of the voting stock of the corporation outstanding prior to such transaction.

Limitations on Acquisitions of Securities

Iowa law prohibits for a period of 5 years following October 26, 2001, the date of distribution of consideration to Principal Life’s policyholders in exchange for their membership interests:

- any person, other than the reorganized company, or other than an employee benefit plan or employee benefit trust sponsored by the reorganized company from, directly or indirectly, acquiring or offering to acquire the beneficial ownership of more than 5% of any class of voting security of the reorganized company, and
- any person, other than the reorganized company, or other than an employee benefit plan or employee benefit trust sponsored by the reorganized company, who acquires 5% or more of any class of voting security of the reorganized company prior to the conversion from, directly or indirectly, acquiring or offering to acquire the beneficial ownership of additional voting securities of the reorganized company,

unless the acquisition is approved by the Insurance Commissioner of the State of Iowa and by the board of directors of the reorganized company.

By virtue of these provisions, we may not be subject to an acquisition by another company during the 5 years following October 26, 2001, the date of distribution of consideration to Principal Life’s policyholders in exchange for their membership interests.

The insurance holding company and other insurance laws of many states also regulate changes of control of insurance holding companies, such as Principal Financial Group, Inc. A change of control is generally presumed upon acquisitions of 10% or more of voting securities. The Iowa, Arizona and Vermont insurance holding company laws, which are applicable to us require filings in connection with proposed acquisitions of control of domestic insurance companies. These insurance holding company laws prohibit a person from acquiring direct or indirect control of an insurer incorporated in the relevant jurisdiction without prior insurance regulatory approval.

Stockholder Rights Plan

Our board of directors has adopted a stockholder rights plan under which each outstanding share of our common stock issued between October 22, 2001 and the distribution date (as described below) is coupled with a stockholder right. The stockholder rights are attached to the certificates representing outstanding shares of common stock, and no separate rights certificates will be distributed. Each right entitles the holder to purchase one one-thousandth of a share of our Series A Junior Participating Preferred Stock. Each one one-thousandth of a share of Series A Junior Participating Preferred Stock have economic and voting terms equivalent to one share of Principal Financial Group, Inc.’s common stock. Until it is exercised, the right itself will not entitle the holder of the right to any rights as a stockholder, including the right to receive dividends or to vote at stockholder meetings. The description and terms of

[Table of Contents](#)

the rights are found in a rights agreement entered into between Principal Financial Group, Inc. and Mellon Investor Services LLC, as rights agent. The following description of the rights agreement is a summary. You should read the rights agreement for a full description. The rights agreement is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information.”

Stockholder rights are not exercisable until the distribution date and will expire at the close of business on October 22, 2011, unless earlier redeemed or exchanged by us. A distribution date would occur upon the earlier of:

- the tenth day after the first public announcement or communication to us that a person or group of affiliated or associated persons (referred to as an acquiring person) has acquired beneficial ownership of 10% or more of our outstanding common stock (the date of such announcement or communication is referred to as the stock acquisition time); or
- the tenth business day after the commencement or announcement of the intention to commence a tender offer or exchange offer that would result in a person or group becoming an acquiring person.

If any person becomes an acquiring person, each holder of a stockholder right will be entitled to exercise the right and receive, instead of Series A Junior Participating Preferred Stock, common stock or, in some circumstances, cash, a reduction in purchase price, property or other securities of Principal Financial Group, Inc., having a value equal to two times the purchase price of the stockholder right. All stockholder rights that are beneficially owned by an acquiring person or its transferee will become null and void.

If at any time after a public announcement has been made or Principal Financial Group, Inc. has received notice that a person has become an acquiring person:

- Principal Financial Group, Inc. is acquired in a merger or other business combination, or
- 50% or more of Principal Financial Group, Inc.’s assets, cash flow or earning power is sold or transferred,

each holder of a stockholder right, except rights which previously have been voided as described above, will have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the purchase price of the right.

The purchase price payable, the number of one one-thousandth of a share of Series A Junior Participating Preferred Stock or other securities or property issuable upon exercise of stockholder rights and the number of such rights outstanding, are subject to adjustment from time to time to prevent dilution. Except as provided in the rights agreement, no adjustment in the purchase price or the number of shares of Series A Junior Participating Preferred Stock issuable upon exercise of a stockholder right will be required until the cumulative adjustment would require an increase or decrease of at least one percent in the purchase price or number of shares for which a right is exercisable.

At any time until the earlier of (1) the stock acquisition time or (2) the final expiration date of the rights agreement, we may redeem all the stockholder rights at a price of \$0.001 per right. At any time after a person has become an acquiring person and prior to the acquisition by such person of 50% or more of the outstanding shares of our common stock, we may exchange the stockholder rights, in whole or in part, at an exchange ratio of one share of common stock, or one one-thousandth of a share of Series A Junior Participating Preferred Stock or of a share of a class or series of preferred stock having equivalent rights, preferences and privileges, per right.

The stockholder rights plan is designed to protect stockholders in the event of unsolicited offers to acquire Principal Financial Group, Inc. and other coercive takeover tactics which, in the opinion of Principal Financial Group, Inc.’s board of directors, could impair its ability to represent stockholder interests. The provisions of the stockholder rights plan may render an unsolicited takeover more difficult or less likely to occur or may prevent such a takeover, even though such takeover may offer our stockholders

[Table of Contents](#)

the opportunity to sell their stock at a price above the prevailing market rate and may be favored by a majority of our stockholders.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock and our Series A Junior Participating Preferred Stock is Mellon Investor Services LLC.

DESCRIPTION OF DEPOSITARY SHARES

General Terms

We may elect to offer depositary shares representing receipts for fractional interests in debt securities or preferred stock. In this case, we will issue receipts for depositary shares, each of which will represent a fraction of a debt security or share of a particular series of preferred stock, as the case may be.

We will deposit the debt securities or shares of any series of preferred stock represented by depositary shares under a deposit agreement between us and a depositary which we will name in the applicable prospectus supplement. Subject to the terms of the deposit agreement, as an owner of a depositary share you will be entitled, in proportion to the applicable fraction of a debt security or share of preferred stock represented by the depositary share, to all the rights and preferences of the debt security or preferred stock, as the case may be, represented by the depositary share, including, as the case may be, interest, dividend, voting, conversion, redemption, sinking fund, repayment at maturity, subscription and liquidation rights.

The following description of the terms of the deposit agreement is a summary. It summarizes only those terms of the deposit agreement that we believe will be most important to your decision to invest in our depositary shares. You should keep in mind, however, that it is the deposit agreement, and not this summary, which defines your rights as a holder of depositary shares. There may be other provisions in the deposit agreement that are also important to you. You should read the deposit agreement for a full description of the terms of the depositary shares. The form of the deposit agreement is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain a copy of the deposit agreement.

Interest, Dividends and Other Distributions

The depositary will distribute all payments of interest, cash dividends or other cash distributions received on the debt securities or preferred stock, as the case may be, to you in proportion to the number of depositary shares that you own.

In the event of a distribution other than in cash, the depositary will distribute property received by it to you in an equitable manner, unless the depositary determines that it is not feasible to make a distribution. In that case the depositary may sell the property and distribute the net proceeds from the sale to you.

Redemption of Depositary Shares

If we redeem a debt security or series of preferred stock represented by depositary shares, the depositary will redeem your depositary shares from the proceeds received by the depositary resulting from the redemption. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per debt security or share of preferred stock, as the case may be, payable in relation to the redeemed series of debt securities or preferred stock. Whenever we redeem debt securities or shares of preferred stock held by the depositary, the depositary will redeem as of the same redemption date the number of depositary shares representing, as the case may be, the debt securities or shares of preferred stock redeemed. If fewer than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by lot, proportionately or by any other equitable method as the depositary may determine.

Exercise of Rights under the Indentures or Voting the Preferred Stock

Upon receipt of notice of any meeting at which you are entitled to vote, or of any request for instructions or directions from you as holder of debt securities, the depositary will mail to you the information contained in that notice. Each record holder of the depositary shares on the record date will be entitled to instruct the depositary how to give instructions or directions with respect to the debt securities

[Table of Contents](#)

represented by that holder's depositary shares or how to vote the amount of the preferred stock represented by that holder's depositary shares. The record date for the depositary shares will be the same date as the record date for the debt securities or preferred stock, as the case may be. The depositary will endeavor, to the extent practicable, to give instructions or directions with respect to the debt securities or to vote the amount of the preferred stock, as the case may be, represented by the depositary shares in accordance with those instructions. We will agree to take all reasonable action which the depositary may deem necessary to enable the depositary to do so. The depositary will abstain from giving instructions or directions with respect to the debt securities or voting shares of the preferred stock, as the case may be, if it does not receive specific instructions from you.

Amendment and Termination of the Deposit Agreement

We and the depositary may amend the form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement at any time. However, any amendment which materially and adversely alters the rights of the holders of the depositary shares will not be effective unless the amendment has been approved by the holders of at least a majority of the depositary shares then outstanding.

The deposit agreement will terminate if:

- all outstanding depositary shares have been redeemed, or
- there has been a complete repayment or redemption of the debt securities or a final distribution in respect of the preferred stock, including in connection with our liquidation, dissolution or winding up, and the repayment, redemption or distribution proceeds, as the case may be, have been distributed to you.

Resignation and Removal of Depositary

The depositary may resign at any time by delivering to us notice of its election to do so. We also may, at any time, remove the depositary. Any resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of such appointment. We must appoint the successor depositary within 60 days after delivery of the notice of resignation or removal. The successor depositary must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

Charges of Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the depositary in connection with the initial deposit of the debt securities or preferred stock, as the case may be, and issuance of depositary receipts, all withdrawals of shares of debt securities or preferred stock, as the case may be, by you and any repayment or redemption of the debt securities or preferred stock, as the case may be. You will pay other transfer and other taxes and governmental charges, as well as the other charges that are expressly provided in the deposit agreement to be for your account.

Miscellaneous

The depositary will forward all reports and communications from us which are delivered to the depositary and which we are required or otherwise determine to furnish to holders of debt securities or preferred stock, as the case may be.

[Table of Contents](#)

Neither we nor the depository will be liable under the deposit agreement to you other than for the depository's gross negligence, willful misconduct or bad faith. Neither we nor the depository will be obligated to prosecute or defend any legal proceedings relating to any depository shares, debt securities or preferred stock unless satisfactory indemnity is furnished. We and the depository may rely upon written advice of counsel or accountants, or upon information provided by persons presenting debt securities or shares of preferred stock for deposit, you or other persons believed to be competent and on documents which we and the depository believe to be genuine.

DESCRIPTION OF WARRANTS

We may issue warrants, including warrants to purchase debt securities, preferred stock, common stock or other of our securities. We may issue warrants independently or together with any other securities, and they may be attached to or separate from those securities. We will issue the warrants under warrant agreements between us and a bank or trust company, as warrant agent, that we will describe in the prospectus supplement relating to the warrants that we offer.

The following description of the terms of the warrants is a summary. It summarizes only those terms of the warrants and the warrant agreement which we believe will be most important to your decision to invest in our warrants. You should keep in mind, however, that it is the warrant agreement and the warrant certificate relating to the warrants, and not this summary, which defines your rights as a warrant holder. There may be other provisions in the warrant agreement and the warrant certificate relating to the warrants which are also important to you. You should read these documents for a full description of the terms of the warrants. Forms of these documents are filed as exhibits to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain copies of these documents.

Debt Warrants

We will describe in the applicable prospectus supplement the terms of warrants to purchase debt securities that we may offer, the warrant agreement relating to the debt warrants and the warrant certificates representing the debt warrants. These terms will include the following:

- the title of the debt warrants,
- the debt securities for which the debt warrants are exercisable,
- the aggregate number of the debt warrants,
- the principal amount of debt securities that you may purchase upon exercise of each debt warrant, and the price or prices at which we will issue the debt warrants,
- the procedures and conditions relating to the exercise of the debt warrants,
- the designation and terms of any related debt securities and guarantee issued with the debt warrants, and the number of debt warrants issued with each debt security,
- the date, if any, from which you may separately transfer the debt warrants and the related securities,
- the date on which your right to exercise the debt warrants commences, and the date on which your right expires,
- the maximum or minimum number of the debt warrants which you may exercise at any time,
- if applicable, a discussion of material United States federal income tax considerations,
- any other terms of the debt warrants and terms, procedures and limitations relating to your exercise of the debt warrants, and
- the terms of the securities you may purchase upon exercise of the debt warrants.

We will also describe in the applicable prospectus supplement any provisions for a change in the exercise price or expiration date of the warrants and the kind, frequency and timing of any notice to be given. You may exchange debt warrant certificates for new debt warrant certificates of different denominations and may exercise debt warrants at the corporate trust office of the warrant agent or any other office that we indicate in the applicable prospectus supplement. Prior to exercise, you will not have any of the rights of holders of the debt securities purchasable upon that exercise and will not be entitled to payments of principal, premium, if any, or interest on the debt securities purchasable upon the exercise.

Other Warrants

We may issue other warrants. We will describe in the applicable prospectus supplement the following terms of those warrants:

- the title of the warrants,
- the securities, which may include preferred stock or common stock, for which you may exercise the warrants,
- the aggregate number of the warrants,
- the number of securities that you may purchase upon exercise of each warrant, and the price or prices at which we will issue the warrants,
- the procedures and conditions relating to the exercise of the warrants,
- the designation and terms of any related securities issued with the warrants, and the number of warrants issued with each security,
- the date, if any, from which you may separately transfer the warrants and the related securities,
- the date on which your right to exercise the warrants commences, and the date on which your right expires,
- the maximum or minimum number of warrants which you may exercise at any time,
- if applicable, a discussion of material United States federal income tax considerations, and
- any other terms of the warrants, including terms, procedures and limitations relating to your exchange and exercise of the warrants.

We will also describe in the applicable prospectus supplement any provisions for a change in the exercise price or the expiration date of the warrants and the kind, frequency and timing of any notice to be given. You may exchange warrant certificates for new warrant certificates of different denominations and may exercise warrants at the corporate trust office of the warrant agent or any other office that we indicate in the applicable prospectus supplement. Prior to the exercise of your warrants, you will not have any of the rights of holders of the preferred stock, common stock or other securities purchasable upon that exercise and will not be entitled to dividend payments, if any, or voting rights of the preferred stock, common stock or other securities purchasable upon the exercise.

Exercise of Warrants

We will describe in the prospectus supplement relating to the warrants the principal amount or the number of our securities that you may purchase for cash upon exercise of a warrant, and the exercise price. You may exercise a warrant as described in the prospectus supplement relating to the warrants at any time up to the close of business on the expiration date stated in the prospectus supplement. Unexercised warrants will become void after the close of business on the expiration date, or any later expiration date that we determine.

We will forward the securities purchasable upon the exercise as soon as practicable after receipt of payment and the properly completed and executed warrant certificate at the corporate trust office of the warrant agent or other office stated in the applicable prospectus supplement. If you exercise less than all of the warrants represented by the warrant certificate, we will issue you a new warrant certificate for the remaining warrants.

DESCRIPTION OF PURCHASE CONTRACTS AND PURCHASE UNITS

We may issue purchase contracts, including contracts obligating you to purchase from us, and for us to sell to you, a specific number of debt securities, shares of our common stock or preferred stock, depository shares, warrants, trust preferred securities or other property, at a future date or dates. The price per share of preferred stock or common stock may be fixed at the time the purchase contracts are issued or may be determined by reference to a specific formula described in the purchase contracts. We may issue purchase contracts separately or as a part of units each consisting of a purchase contract and debt securities, undivided beneficial ownership interests in debt securities, trust preferred securities, depository shares representing fractional interests in debt securities or shares of preferred stock, or debt obligations of third parties, including U.S. Treasury securities, securing your obligations under the purchase contract. The purchase contracts may require us to make periodic payments to you or vice versa and the payments may be unsecured or prefunded on some basis. The purchase contracts may require you to secure your obligations in a specified manner. We will describe in the applicable prospectus supplement the terms of any purchase contracts or purchase units and any related guarantee.

DESCRIPTION OF PREFERRED SECURITIES

The trustees of each trust will issue preferred securities and common securities of the trust. The preferred securities will represent preferred undivided beneficial interests in the assets of the related trust. As a holder of trust preferred securities, you will generally be entitled to a preference with respect to distributions and amounts payable on redemption or liquidation over the common securities of the trust, as well as other benefits as described in the corresponding trust agreement. Each of the trusts is a legally separate entity and the assets of one trust are not available to satisfy the obligations of any other trust.

The following description of the terms of the form of trust agreement is a summary. It summarizes only those portions of the form of trust agreement which we believe will be most important to your decision to invest in the preferred securities. You should keep in mind, however, that it is the trust agreement, and not this summary, which defines your rights as a holder. There may be other provisions in the trust agreement which are also important to you. You should read the form of trust agreement itself for a full description of the terms of the preferred securities. The form of trust agreement is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain a copy of the trust agreement.

Ranking of Preferred Securities

The preferred securities of a trust will rank equally, and we will make payments proportionately, with the common securities of the trust except as described under “— Subordination of Common Securities.” The preferred securities of each trust represent preferred undivided beneficial interests in the assets of the trust. The property trustee will hold legal title to the corresponding junior subordinated debentures in trust for the benefit of the holders of the related preferred securities and common securities.

Each guarantee agreement that we execute for your benefit, as a holder of preferred securities of a trust, will be a guarantee on a subordinated basis with respect to the related preferred securities. However, our guarantee will not guarantee payment of distributions or amounts payable on redemption or liquidation of the preferred securities when the related trust does not have funds on hand available to make such payments. See “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities.”

Distributions on the Preferred Securities

The trust will pay the distributions on the preferred securities and common securities at a rate specified in the prospectus supplement.

The amount of distributions the trust must pay for any period will be computed on the basis of a 360-day year of twelve 30-day months unless we otherwise specify in the applicable prospectus supplement. Distributions that are in arrears may bear interest at the rate per annum specified in the applicable prospectus supplement. The term “distributions” as we use it in this prospectus includes any additional amounts provided in the corresponding trust agreement.

Distributions on the preferred securities will be cumulative, will accrue from the date of original issuance and will be payable on the dates specified in the applicable prospectus supplement. If any date on which distributions are payable on the preferred securities is not a business day, the trust will instead make the payment on the next succeeding day that is a business day, and without any interest or other payment on account of the delay. However, if that business day is in the next succeeding calendar year, the trust will make the payment on the immediately preceding business day. In each case payment will be made with the same force and effect as if made on the date the payment was originally due. When we use the term “business day” in this prospectus, we mean any day other than a Saturday or a Sunday, or a day on which banking institutions in the City of New York are authorized or required by law or executive order to remain closed or a day on which the corporate trust office of the applicable trustee is closed for business.

If provided in the applicable prospectus supplement, we have the right under the junior subordinated indenture, the contract that provides the terms for the corresponding junior subordinated debentures, to extend the interest payment period for a specified number of periods. However, we may not

[Table of Contents](#)

extend these interest payments beyond the maturity of the junior subordinated debentures. As a consequence of any extension, distributions on the corresponding preferred securities would be deferred by the trust during the extension period. These distributions would continue to accumulate additional distributions at the rate per annum set forth in the prospectus supplement.

If we exercise this right, during the extension period we and our subsidiaries may not:

- declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment on, any of our capital stock, or
- make any payment of principal, premium, if any, or interest on or repay, repurchase or redeem any debt securities that rank equally with or junior in interest to the corresponding junior subordinated debentures or make any related guarantee payments,

other than:

- dividends or distributions on our common stock,
- redemptions or purchases of any rights pursuant to our rights plan, or any successor to our rights plan, and the declaration of a dividend of these rights in the future, and
- payments under any guarantee.

We anticipate that the revenue of each trust available for distribution to you, as a holder of preferred securities, will be limited to payments under the corresponding junior subordinated debentures in which the trust will invest the proceeds from the issuance and sale of its preferred securities and its common securities. See “Description of Corresponding Junior Subordinated Debentures.”

If we do not make interest payments on the corresponding junior subordinated debentures, the property trustee will not have funds available to pay distributions on the corresponding preferred securities. The payment of distributions, if and to the extent the trust has funds legally available for the payment of these distributions is guaranteed by us on a limited basis as set forth under “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities.”

The trust will pay distributions on the preferred securities to you provided you are entered in the register of the trust on the relevant record dates. As long as the preferred securities remain in book-entry form, the record date will be one business day prior to the relevant distribution date. If any preferred securities are not in book-entry form, the record date for the preferred securities will be the date 15 days prior to the relevant distribution date.

Redemption

Redemption on a Repayment or Redemption of the Corresponding Junior Subordinated Debentures

Upon the repayment or redemption, in whole or in part, of any corresponding junior subordinated debentures, the property trustee must apply the proceeds from that repayment or redemption to redeem a like amount of the corresponding preferred securities. This redemption must be made upon not less than 30 nor more than 60 days notice to you. The redemption price will be equal to the aggregate liquidation preference of the preferred securities, plus accumulated and unpaid distributions on the preferred securities to the date of redemption and the related amount of any premium paid by us upon the concurrent redemption of the corresponding junior subordinated debentures. See “Description of Corresponding Junior Subordinated Debentures — Optional Redemption.”

If less than all of any series of corresponding junior subordinated debentures are repaid or redeemed, then the proceeds from the repayment or redemption will be allocated to redeem a proportionate amount of each of the preferred securities and the common securities. The amount of premium, if any, paid by us upon the redemption of all or any part of any series of any corresponding junior subordinated debentures repaid or redeemed will be allocated proportionately to the redemption of the preferred securities and the common securities.

[Table of Contents](#)

We must repay the principal of the corresponding junior subordinated debentures when they are due. In addition, we will have the right to redeem any series of corresponding junior subordinated debentures:

- in whole or in part, subject to the conditions we describe under “Description of Corresponding Junior Subordinated Debentures — Optional Redemption,”
- at any time, in whole, but not in part, upon the occurrence of a tax event or an investment company event, each as defined below, and subject to the further conditions we describe under “Description of Corresponding Junior Subordinated Debentures — Optional Redemption,” or
- as we may otherwise specify in the applicable prospectus supplement.

Redemption or Distribution Upon the Occurrence of a Tax Event or an Investment Company Event

If an event occurs that constitutes a tax event or an investment company event we will have the right to:

- redeem the corresponding junior subordinated debentures in whole, but not in part, and cause a mandatory redemption of the preferred securities and common securities in whole, but not in part, within 90 days following the occurrence of the tax event or an investment company event, or
- dissolve the related trust and cause the corresponding junior subordinated debentures to be distributed to the holders of the preferred securities and common securities in liquidation of the trust.

If provided in the applicable prospectus supplement, we will have the right to extend or shorten the maturity of any series of corresponding junior subordinated debentures at the time that we exercise our right to elect to dissolve the related trust and cause the corresponding junior subordinated debentures to be distributed to the holders of the preferred securities and common securities in liquidation of the trust.

When we use the term “additional sums” in this prospectus we mean the additional amounts that may be necessary in order that the amount of distributions then due and payable by a trust on its outstanding preferred securities and common securities will not be reduced as a result of any additional taxes, duties and other governmental charges to which the trust has become subject as a result of a tax event.

When we use the term “tax event” we mean the receipt by the trust of an opinion of counsel experienced in those matters to the effect that, as a result of any amendment to, or change, including any announced prospective change, in, the laws of the United States or any political subdivision or taxing authority affecting taxation, or as a result of any official administrative pronouncement or judicial decision interpreting or applying those laws or regulations, which amendment or change is effective or pronouncement or decision is announced on or after the trust issues the preferred securities, there is more than an insubstantial risk that:

- the trust is, or will be within 90 days of the date of the opinion, subject to United States federal income tax with respect to income received or accrued on the corresponding series of corresponding junior subordinated debentures,
- interest payable by us on the series of corresponding junior subordinated debentures is not, or within 90 days of the date of the opinion, will not be, deductible, in whole or in part, for United States federal income tax purposes, or
- the trust is, or will be within 90 days of the date of the opinion, subject to more than a de minimis amount of other taxes, duties or other governmental charges.

[Table of Contents](#)

When we use the term “investment company event” we mean the occurrence of a change in law or regulation or a change in interpretation or application of law or regulation by any legislative body, court, governmental agency or regulatory authority to the effect that the applicable trust is or will be considered an investment company that is required to be registered under the Investment Company Act of 1940, which change becomes effective on or after the date of original issuance of the series of preferred securities issued by the trust.

When we use the term “like amount,” we mean:

- with respect to a redemption of any series of preferred securities, preferred securities having a liquidation amount equal to that portion of the principal amount of corresponding junior subordinated debentures to be contemporaneously redeemed, the proceeds of which will be used to pay the redemption price of the preferred securities, and
- with respect to a distribution of corresponding junior subordinated debentures to you, as a holder of preferred securities in connection with a dissolution or liquidation of the related trust, corresponding junior subordinated debentures having a principal amount equal to the liquidation amount of your preferred securities.

When we use the term “liquidation amount,” we mean the stated amount of \$25 per preferred security and common security.

After the liquidation date fixed for any distribution of corresponding junior subordinated debentures for any series of preferred securities:

- the series of preferred securities will no longer be deemed to be outstanding,
- The Depository Trust Company, which we refer to in this prospectus as “DTC,” or its nominee, as the record holder of the series of preferred securities, will receive a registered global certificate or certificates representing the corresponding junior subordinated debentures to be delivered upon that distribution, and
- any certificates representing the series of preferred securities not held by DTC or its nominee will be deemed to represent the corresponding junior subordinated debentures having a principal amount equal to the stated liquidation preference of the series of preferred securities, and bearing accrued and unpaid interest in an amount equal to the accrued and unpaid distributions on the series of preferred securities until you present the certificates to the administrative trustees or their agent for transfer or reissuance.

We can make no assurance as to what the market prices will be for the preferred securities or the corresponding junior subordinated debentures that may be distributed to you in exchange for your preferred securities if a dissolution and liquidation of a trust were to occur. Accordingly, the preferred securities that you purchase, or the corresponding junior subordinated debentures that you receive on dissolution and liquidation of a trust, may trade at a discount to the price that you paid to purchase the preferred securities.

Voluntary Distribution of Junior Subordinated Debentures

If we so provide in the applicable prospectus supplement, we may elect, at any time, to dissolve the trust and cause the corresponding junior subordinated debentures to be distributed to you, as a holder of the preferred securities, and us, as the holder of the common securities, in liquidation of the trust.

Redemption Procedures

The trust will redeem the preferred securities on each redemption date at the redemption price with the applicable proceeds from the contemporaneous redemption of the corresponding junior subordinated debentures. The trust will make redemptions of the preferred securities and pay the

[Table of Contents](#)

redemption price only to the extent that it has funds available for the payment of the redemption price. See also “— Subordination of Common Securities.”

If a trust gives notice to you of redemption of your preferred securities, then by 12:00 noon, New York City time, on the redemption date, to the extent funds are available, the property trustee will irrevocably deposit with DTC funds sufficient to pay the applicable redemption price and will give DTC irrevocable instructions and authority to pay the redemption price to you. See “— Book-Entry Issuance.”

If the preferred securities are no longer in book-entry form, the trust, to the extent funds are available, will irrevocably deposit with the paying agent for the preferred securities funds sufficient to pay the applicable redemption price to you and will give the paying agent irrevocable instructions and authority to pay the redemption price to you upon surrender of your certificates.

The trust will pay any distributions payable on or prior to the redemption date for any preferred securities called for redemption to you on the relevant record dates for the distribution. If the trust has given notice of redemption and has deposited the required funds, then upon the date of the deposit, all your rights will cease, except your right to receive the redemption price, without interest on that redemption price, and your preferred securities will cease to be outstanding. If any date fixed for redemption of preferred securities is not a business day, then the trust will pay the redemption price on the next succeeding day which is a business day, and without any interest or other payment on account of the delay. However, if the business day falls in the next calendar year, the trust will make the payment on the immediately preceding business day. If payment of the redemption price is improperly withheld or refused and not paid either by the trust or by us pursuant to the guarantee as described under “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities,” distributions on the preferred securities will continue to accrue at the then applicable rate, from the redemption date originally established by the trust for the preferred securities to the date the redemption price is actually paid. In this case the actual payment date will be the date fixed for redemption for purposes of calculating the redemption price.

Subject to applicable law, including United States federal securities law, we or our subsidiaries may at any time purchase outstanding preferred securities by tender, in the open market or by private agreement.

The trust will make payment of the redemption price on the preferred securities and any distribution of corresponding junior subordinated debentures to the applicable record holders as they appear on the register for the preferred securities on the relevant record date. This date will generally be one business day prior to the relevant redemption date or liquidation date. However, if any preferred securities are not in book-entry form, the relevant record date for the preferred securities will be the date 15 days prior to the redemption date or liquidation date.

If less than all of the preferred securities and common securities issued by a trust are to be redeemed on a redemption date, then the aggregate liquidation amount of the preferred securities and common securities to be redeemed will be allocated proportionately among the preferred securities and the common securities. The property trustee will select the particular preferred securities to be redeemed on a proportionate basis not more than 60 days prior to the redemption date from the outstanding preferred securities not previously called for redemption, by any method that the property trustee deems fair and appropriate. This method may provide for the selection for redemption of portions, equal to \$25 or an integral multiple of \$25, of the liquidation amount of preferred securities. The property trustee will promptly notify the trust registrar in writing of the preferred securities selected for redemption and, in the case of any preferred securities selected for partial redemption, the liquidation amount of the preferred securities to be redeemed.

Subordination of Common Securities

The trust will make payment of distributions, any additional amounts and the redemption price on the preferred securities and common securities proportionately based on the liquidation amount of the

Table of Contents

preferred securities and common securities. However, if on any distribution date or redemption date a debenture event of default exists, the trust will not make any payment on the common securities unless payment in full in cash of all accumulated and unpaid distributions, any additional amounts and the full amount of the redemption price on all of the outstanding preferred securities of the trust, has been made or provided for. The property trustee will apply all available funds first to the payment in full in cash of all distributions on, or redemption price of, the preferred securities then due and payable. If any event of default resulting from a debenture event of default exists, we as holder of the common securities of the trust will be deemed to have waived any right to act with respect to the event of default under the trust agreement until the effect of all those events of default with respect to the preferred securities have been cured, waived or otherwise eliminated. Until any events of default under the trust agreement with respect to the preferred securities have been so cured, waived or otherwise eliminated, the property trustee will act solely on your behalf, as a holder of the preferred securities, and not on our behalf as holder of the common securities, and only you acting with the other holders will have the right to direct the property trustee to act on your behalf.

Liquidation Distribution Upon Dissolution

Each trust will automatically dissolve upon expiration of its term or the redemption of all of the preferred securities of the trust. In addition, we will dissolve the trust on the first to occur of:

- our bankruptcy, dissolution or liquidation,
- the distribution of a like amount of corresponding junior subordinated debentures to the holders of its preferred securities and common securities,
- the redemption of all of the preferred securities, and
- the entry of an order for the dissolution of the trust by a court of competent jurisdiction.

If an early dissolution occurs as described in the clauses above (except with respect to a redemption of all of the preferred securities), the trustees will liquidate the trust as expeditiously as the trustees determine to be possible by distributing, after satisfaction of liabilities to creditors of the trust as provided by applicable law, to the holders of the preferred securities and common securities a like amount of corresponding junior subordinated debentures. If the property trustee determines that this distribution is not practical, you will be entitled to receive out of the assets of the trust available for distribution, after satisfaction of liabilities to creditors of the trust as provided by applicable law, an amount equal to the aggregate of the liquidation amount plus accrued and unpaid distributions to the date of payment. We refer to this liquidation amount in this prospectus as the “liquidation distribution.” If the trust can make the liquidation distribution only in part because it has insufficient assets available to pay the full aggregate liquidation distribution, then it will pay the amounts on a proportionate basis. We, as the holder of the common securities, will be entitled to receive distributions upon any liquidation proportionately with you, and the other holders of the preferred securities, except that if an event exists that constitutes a debenture event of default, the preferred securities will have a priority over the common securities. A supplemental indenture may provide that if an early dissolution occurs as described in the third clause above, the corresponding junior subordinated debentures may be subject to optional redemption in whole, but not in part.

Events of Default; Notice

Under the terms of the form of trust agreement, each of the following constitutes an event of default for a series of preferred securities:

- the occurrence of a debenture event of default under the junior subordinated indenture (see “Description of Junior Subordinated Debentures — Debenture Events of Default”) or an event of default described in any related guarantee,

[Table of Contents](#)

- default by the trust in the payment of any distribution when it becomes due and payable, and continuation of that default for a period of 30 days,
- default by the trust in the payment of any redemption price of the preferred securities or common securities when it becomes due and payable,
- default in the performance, or breach, in any material respect, of any covenant or warranty of the trustees in the trust agreement, other than a covenant or warranty a default in the performance of which or the breach of which is dealt with in the second and third clauses above, and continuation of the default or breach for a period of 60 days after there has been given to the defaulting trustee or trustees by the holders of at least 10% in aggregate liquidation amount of the outstanding preferred securities, a written notice specifying the default or breach and requiring it to be remedied and stating that the notice is a notice of default under such trust agreement, or
- the bankruptcy or insolvency of the property trustee and our failure to appoint a successor property trustee within 60 days of that event.

Within five business days after the occurrence of any event of default actually known to the property trustee, the property trustee will transmit notice of the event of default to you, the administrative trustees and us, as depositor, unless the event of default has been cured or waived. We, as depositor, and the administrative trustees are required to file annually with the property trustee a certificate as to whether or not we are and they are in compliance with all the conditions and covenants applicable to them and to us under the trust agreement.

If a debenture event of default then exists, the preferred securities will have a preference over the common securities upon termination of the trust. See “— Liquidation Distribution Upon Dissolution.”

The existence of an event of default does not entitle you to accelerate the maturity.

Removal of Trustees

Unless a debenture event of default then exists, the holder of the common securities may remove any trustee. If a debenture event of default then exists the holders of a majority in liquidation amount of the outstanding preferred securities may remove the property trustee and the Delaware trustee. In no event will you have the right to vote to appoint, remove or replace the administrative trustees. These voting rights are vested exclusively in us as the holder of the common securities. No resignation or removal of a trustee and no appointment of a successor trustee will be effective until the acceptance of appointment by the successor trustee in accordance with the provisions of the trust agreement.

Co-trustees and Separate Property Trustee

Unless an event of default then exists, for the purpose of meeting the legal requirements of the Trust Indenture Act or of any jurisdiction in which any part of the trust property may be located, we, as the holder of the common securities, and the administrative trustees will have power to appoint one or more persons approved by the property trustee either to act as a co-trustee, jointly with the property trustee, of all or any part of the trust property, or, to the extent required by law, to act as separate trustee. These persons will have the powers provided in the instrument of appointment, and we may vest in that person or persons any property, title, right or power deemed necessary or desirable, subject to the provisions of the trust agreement. If a debenture event of default exists, the property trustee alone will have power to make that appointment.

Merger or Consolidation of Trustees

Any corporation into which the property trustee, the Delaware trustee or any administrative trustee that is not a natural person may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the trustee is a party, or

[Table of Contents](#)

any corporation succeeding to all or substantially all the corporate trust business of the trustee, will be the successor of such trustee under the trust agreements, provided that the corporation is otherwise qualified and eligible.

Mergers, Consolidations, Amalgamations or Replacements of the Trusts

A trust may not merge with or into, consolidate, amalgamate, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to any corporation or other body, except as described below or as described under “— Liquidation Distribution Upon Dissolution.”

A trust may, at our request, with the consent of the administrative trustees and without your consent, merge with or into, consolidate, amalgamate, or be replaced by a trust organized under the laws of any state. However, the following conditions must be satisfied:

- the successor entity must either:
 - expressly assume all of the obligations of the trust relating to the preferred securities, or
 - substitute for the preferred securities other securities having substantially the same terms and the same ranking as the preferred securities,
- we must expressly appoint a trustee of the successor entity possessing the same powers and duties as the property trustee as the holder of the corresponding junior subordinated debentures,
- the successor securities must be listed, or any successor securities must be listed upon notification of issuance, on any national securities exchange or other organization on which the preferred securities are then listed,
- the merger, consolidation, amalgamation or replacement must not cause the preferred securities, including any successor securities, to be downgraded by any nationally recognized statistical rating organization,
- the merger, consolidation, amalgamation or replacement must not adversely affect the rights, preferences and privileges of holders of the preferred securities, including any successor securities, in any material respect,
- the successor entity must have a purpose substantially identical to that of the trust,
- prior to the merger, consolidation, amalgamation, replacement, conveyance, transfer or lease we must have received an opinion of counsel to the trust to the effect that:
 - the merger, consolidation, amalgamation or replacement does not adversely affect the rights, preferences and privileges of holders of the preferred securities, including any successor securities, in any material respect, and
 - following the merger, consolidation, amalgamation or replacement neither the trust nor the successor entity will be required to register as an investment company under the Investment Company Act, and
- we or any permitted successor or assignee must own all of the common securities of the successor entity and guarantee the obligations of such successor entity under the successor securities at least to the extent provided by the guarantee.

However, a trust must not, except with the consent of holders of 100% in liquidation amount of the preferred securities, consolidate, amalgamate, merge with or into, or be replaced by or convey, transfer or lease its properties and assets substantially as an entirety to any other entity or permit any other entity to consolidate, amalgamate, merge with or into, or replace it if it would cause the trust or the successor entity to be classified as other than a grantor trust for United States federal income tax purposes.

Voting Rights; Amendment of Trust Agreement

Except as provided below and under “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities — Amendments and Assignment” and as otherwise required by law and the applicable trust agreement, you will have no voting rights.

We and the administrative trustees may amend a trust agreement without your consent:

- to cure any ambiguity, correct or supplement any provisions in the trust agreement which may be inconsistent with any other provision, or to make any other provisions with respect to matters or questions arising under the trust agreement, which are not inconsistent with the other provisions of the trust agreement, or
- to modify, eliminate or add to any provisions of the trust agreement to the extent necessary to ensure that the trust will be classified for United States federal income tax purposes as a grantor trust at all times that any preferred securities and common securities are outstanding, or to ensure that the trust will not be required to register as an investment company under the Investment Company Act.

However, in the case of the first clause above, the action may not adversely affect in any material respect the interests of the holders of the preferred securities or our interests, as the holder of the common securities. Any such amendments of the trust agreement will become effective when notice is given to you and us.

We and the administrative trustees may also amend a trust agreement with:

- the consent of holders representing not less than a majority, based upon liquidation amounts, of the outstanding preferred securities and common securities, and
- receipt by the trustees of an opinion of counsel to the effect that the amendment or the exercise of any power granted to the trustees under the amendment will not affect the status of the trust as a grantor trust for United States federal income tax purposes or its exemption from the status of an “investment company” under the Investment Company Act.

Without both your and our consent a trust agreement may not be amended to:

- change the amount or timing of any distribution on the preferred securities and common securities or otherwise adversely affect the amount of any distribution of the preferred securities and common securities as of a specified date, or
- restrict your or our right to institute suit for the enforcement of any payment on or after that date.

So long as any corresponding junior subordinated debentures are held by the property trustee, the trustees may not:

- direct the time, method and place of conducting any proceeding for any remedy available to the debenture trustee, or for executing any trust or power conferred on the debenture trustee with respect to the corresponding junior subordinated debentures,
- waive any past default that is waiveable under specified sections of the junior subordinated indenture,
- exercise any right to rescind or annul a declaration that the principal of all the junior subordinated debentures is due and payable, or
- consent to any amendment, modification or termination of the junior subordinated indenture or the corresponding junior subordinated debentures, where that consent is required,

without, in each case, obtaining the prior approval of the holders of a majority in aggregate liquidation amount of all outstanding preferred securities. However, where a consent under the junior subordinated

[Table of Contents](#)

indenture would require the consent of each holder of corresponding junior subordinated debentures affected by the consent, no consent may be given by the property trustee without the prior consent of each holder of the corresponding preferred securities.

The trustees may not revoke any action previously authorized or approved by a vote of the preferred securities except by subsequent vote of the holders of the preferred securities. The property trustee will notify you of any notice of default with respect to the corresponding junior subordinated debentures. In addition to obtaining the approval of the holders of the preferred securities prior to taking any of these actions, the trustees must obtain an opinion of counsel experienced in these matters to the effect that the trust will not be classified as a corporation or partnership for United States federal income tax purposes on account of the action.

Any required approval of holders of preferred securities may be given at a meeting of holders of preferred securities convened for that purpose or through a written consent. The property trustee will cause a notice of any meeting at which you are entitled to vote to be given to each holder of record of preferred securities in the manner set forth in the trust agreement.

Your vote or consent is not required for a trust to redeem and cancel the preferred securities under the applicable trust agreement.

Any preferred securities that are owned by us, the trustees or any of our affiliates or any affiliate of the trustees, will, for purposes of a vote or consent, be treated as if they were not outstanding.

Global Preferred Securities

We may issue a series of preferred securities in the form of one or more global preferred securities. We will identify the depositary which will hold the global preferred security in the applicable prospectus supplement. Unless we otherwise indicate in the applicable prospectus supplement, the depositary will be DTC. We will issue global preferred securities only in fully registered form and in either temporary or permanent form. Unless it is exchanged for individual preferred securities, a global preferred security may not be transferred except:

- by the depositary to its nominee,
- by a nominee of the depositary to the depositary or another nominee, or
- by the depositary or any nominee to a successor depositary, or any nominee of the successor.

We will describe the specific terms of the depositary arrangement in the applicable prospectus supplement. We expect that the following provisions will generally apply to these depositary arrangements.

Beneficial Interests in a Global Preferred Security

If we issue a global preferred security, the depositary for the global preferred security or its nominee will credit on its book-entry registration and transfer system the aggregate liquidation amounts of the individual preferred securities represented by the global preferred securities to the accounts of participants. The accounts will be designated by the dealers, underwriters or agents for the preferred securities, or by us if the preferred securities are offered and sold directly by us. Ownership of beneficial interests in a global preferred security will be limited to participants or persons that may hold interests through participants. Ownership and transfers of beneficial interests in the global preferred security will be shown on, and effected only through, records maintained by the applicable depositary or its nominee, for interests of participants, and the records of participants, for interests of persons who hold through participants. The laws of some states require that you take physical delivery of the securities in definitive form. These limits and laws may impair your ability to transfer beneficial interests in a global preferred security.

So long as the depositary or its nominee is the registered owner of the global preferred security, the depositary or nominee will be considered the sole owner or holder of the preferred securities

[Table of Contents](#)

represented by the global preferred security for all purposes under the trust agreement. Except as provided below, you:

- will not be entitled to have any of the individual preferred securities represented by the global preferred security registered in your name,
- will not receive or be entitled to receive physical delivery of any preferred securities in definitive form, and
- will not be considered the owner or holder of the preferred security under the trust agreement.

Payments of Distributions

We will pay distributions on global preferred securities to the depositary that is the registered holder of the global security, or its nominee. The depositary for the preferred securities will be solely responsible and liable for all payments made on account of your beneficial ownership interests in the global preferred security and for maintaining, supervising and reviewing any records relating to your beneficial ownership interests.

We expect that the depositary or its nominee, upon receipt of any payment of liquidation amount, premium or distributions, immediately will credit participants' accounts with amounts in proportion to their respective beneficial interests in the aggregate liquidation amount of the global preferred security as shown on the records of the depositary or its nominee. We also expect that payments by participants to owners of beneficial interests in the global preferred security held through those participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name." These payments will be the responsibility of those participants.

Issuance of Individual Preferred Securities

Unless we state otherwise in the applicable prospectus supplement, if a depositary for a series of preferred securities is at any time unwilling, unable or ineligible to continue as a depositary and we do not appoint a successor depositary within 90 days, we will issue individual preferred securities in exchange for the global preferred security. In addition, we may at any time and in our sole discretion, subject to any limitations described in the prospectus supplement relating to the preferred securities, determine not to have any preferred securities represented by one or more global preferred securities. If that occurs, we will issue individual preferred securities in exchange for the global preferred security.

Further, we may specify that you may, on terms acceptable to us, the property trustee and the depositary for the global preferred security, receive individual preferred securities in exchange for your beneficial interests in a global preferred security, subject to any limitations described in the prospectus supplement relating to the preferred securities. In that instance, you will be entitled to physical delivery of individual preferred securities equal in liquidation amount to that beneficial interest and to have the preferred securities registered in its name. Unless we otherwise specify, those individual preferred securities will be issued in denominations of \$25 and integral multiples of \$25.

Payment and Paying Agency

A trust will make payments on the preferred securities to DTC, which will credit the relevant accounts at DTC on the applicable distribution dates. However, if any preferred securities are not held by DTC, the trust will make the payments by check mailed to the address of the holder entitled to the payment as shown on the register. Unless we state otherwise in the applicable prospectus supplement, the paying agent will initially be the property trustee, together with any co-paying agent chosen by the property trustee and acceptable to the administrative trustees and us. The paying agent may resign as paying agent upon 30 days' written notice to the administrative trustees, property trustees and us. If the property trustee ceases to be the paying agent, the administrative trustees will appoint a successor to act as

[Table of Contents](#)

paying agent. The successor must be a bank or trust company acceptable to the administrative trustees and us.

Registrar and Transfer Agent

Unless we state otherwise in the applicable prospectus supplement, the property trustee will act as registrar and transfer agent for the preferred securities.

A trust will register transfers of preferred securities without charge, but upon your payment of any tax or other governmental charges that may be imposed in connection with any transfer or exchange. A trust will not be required to register the transfer of its preferred securities after the preferred securities have been called for redemption.

Information Concerning the Property Trustee

The property trustee, unless an event of default then exists, will be required to perform only those duties that are specifically set forth in the applicable trust agreement. After an event of default, the property trustee must exercise the same degree of care and skill as a prudent person would exercise or use in the conduct of his or her own affairs. However, the property trustee is under no obligation to exercise any of the powers vested in it by the trust agreement at your request unless you offer reasonable indemnity against the costs, expenses and liabilities that it might incur. If no event of default then exists and the property trustee is required to decide between alternative causes of action, construe ambiguous provisions in a trust agreement or is unsure of the application of any provision of a trust agreement, and the matter is not one on which holders are entitled under the trust agreement to vote, then the property trustee will take such action as is directed by us. If it is not so directed, the property trustee will take such action as it deems advisable and in the best interests of the holders of the preferred securities and the holder of the common securities and will have no liability except for its own bad faith, negligence or willful misconduct.

Miscellaneous

The trust agreements authorize and direct the administrative trustees to operate the related trusts in such a way that the trusts will not be deemed to be an investment company required to be registered under the Investment Company Act or taxed as a corporation for United States federal income tax purposes and so that the corresponding junior subordinated debentures will be treated as our indebtedness for United States federal income tax purposes. We and the administrative trustees are authorized to take any action, not inconsistent with applicable law, the certificate of trust of a trust or the trust agreement, that we and the administrative trustees determine in our discretion to be necessary or desirable for these purposes, as long as the action does not materially adversely affect the interests of the holders of the preferred securities.

You have no preemptive or similar rights as a holder of preferred securities. No trust may borrow money or issue debt or mortgage or pledge any of its assets.

**DESCRIPTION OF GUARANTEE BY PRINCIPAL FINANCIAL GROUP, INC.
OF THE PREFERRED SECURITIES**

At the same time as the issuance by a trust of its preferred securities, we will execute and deliver a guarantee for your benefit, as a holder of the preferred securities. Wilmington Trust Company will act as indenture trustee under the guarantee for the purposes of compliance with the Trust Indenture Act. The guarantee will be qualified as an indenture under the Trust Indenture Act.

The following description of the terms of the guarantee is a summary. It summarizes only those portions of the guarantee that we believe will be most important to your decision to invest in the preferred securities of a trust. You should keep in mind, however, that it is the guarantee, and not this summary, which defines your rights as a holder of preferred securities. There may be other provisions in the guarantee that are also important to you. You should read the guarantee itself for a full description of its terms. The guarantee is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain a copy of the guarantee. When we refer in this summary to preferred securities, we mean the preferred securities issued by a trust to which the guarantee relates.

General Terms of the Guarantee

We will irrevocably agree to pay in full on a subordinated basis, to the extent described below, the guarantee payments, as defined below, to you, as and when due, regardless of any defense, right of set-off or counterclaim that the trust may have or assert other than the defense of payment.

The following payments, which we refer to in this prospectus as the “guarantee payments,” to the extent not paid by or on behalf of the related trust, will be subject to the guarantee:

- any accrued and unpaid distributions required to be paid to you on the related preferred securities, to the extent that the trust has funds available for the payments,
- the redemption price for any preferred securities called for redemption, to the extent that the trust has funds available for the payments, or
- upon a voluntary or involuntary dissolution, winding up or liquidation of the trust, unless the corresponding junior subordinated debentures are distributed to you, the lesser of:
 - the liquidation distribution, and
 - the amount of assets of the trust remaining available for distribution to you.

Our obligation to make a guarantee payment may be satisfied by us directly paying to you the required amounts or by causing the trust to pay the amounts to you.

The guarantee will be an irrevocable guarantee on a subordinated basis of the related trust obligations under the preferred securities, but will apply only to the extent that the related trust has funds sufficient to make the payments. It is not a guarantee of collection.

If we do not make interest payments on the corresponding junior subordinated debentures held by the trust, we expect that the trust will not pay distributions on the preferred securities and will not have funds legally available for those payments. The guarantee will rank subordinate and junior in right of payment to all senior debt. See “— Status of the Guarantee.”

As a non-operating holding company, we have no significant business operations of our own. Therefore, we rely on dividends from our insurance company and other subsidiaries as the principal source of cash flow to meet our obligations for payment of principal and interest on our outstanding debt obligations and corporate expenses. Accordingly, our obligations under the guarantee will be effectively subordinated to all existing and future liabilities of our subsidiaries, and you should rely only on our assets for payments under the guarantee. The payment of dividends by Principal Life is limited under Iowa insurance laws. See “Principal Financial Group, Inc.”

[Table of Contents](#)

Unless we state otherwise in the applicable prospectus supplement, the guarantee does not limit the amount of secured or unsecured debt that we may incur. We expect from time to time to incur additional senior debt.

We have, through the guarantee, the trust agreement, the junior subordinated debentures, the junior subordinated indenture and the expense agreement, taken together, fully, irrevocably and unconditionally guaranteed all of the obligations of the trust under the preferred securities. No single document standing alone or operating in conjunction with fewer than all of the other documents constitutes the guarantee. It is only the combined operation of these documents that has the effect of providing a full, irrevocable and unconditional guarantee of the obligations of the trust under the preferred securities. See “Relationship Among the Preferred Securities, the Corresponding Junior Subordinated Debentures and the Guarantees by Principal Financial Group, Inc. of the Preferred Securities.”

Status of the Guarantee

The guarantee will constitute an unsecured obligation of Principal Financial Group, Inc. and will rank subordinate and junior in right of payment to all its senior debt.

Unless we state otherwise in the applicable prospectus supplement, the guarantee of a series of preferred securities will rank equally with the guarantees relating to all other series of preferred securities that we may issue. The guarantee will constitute a guarantee of payment and not of collection, which means that the guaranteed party may institute a legal proceeding directly against us to enforce its rights under the guarantee without first instituting a legal proceeding against any other person or entity. The property trustee of the related trust will hold the guarantee for your benefit. The guarantee will not be discharged except by payment of the guarantee payments in full to the extent not paid by the trust or upon distribution of the corresponding junior subordinated debentures to you.

Amendments and Assignment

We may not amend the guarantee without the prior approval of the holders of not less than a majority of the aggregate liquidation amount of outstanding preferred securities, except for any changes which do not materially adversely affect the rights of the holders of the preferred securities, in which case no vote will be required. The manner of obtaining any approval will be as set forth under “Description of the Preferred Securities — Voting Rights; Amendment of Trust Agreement.”

All guarantees and agreements contained in the guarantee will bind our successors, assigns, receivers, trustees and representatives and will inure to the benefit of the holders of the related preferred securities then outstanding.

Events of Default

An event of default under the guarantee will occur when we fail to perform any of our payment or other obligations under the guarantee. The holders of not less than a majority in aggregate liquidation amount of the related preferred securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the guarantee trustee under the guarantee or to direct the exercise of any trust or power conferred upon the guarantee trustee under the guarantee.

You may institute a legal proceeding directly against us to enforce your rights under the guarantee without first instituting a legal proceeding against the trust, the guarantee trustee or any other person or entity.

We, as guarantor, are required to file annually with the guarantee trustee a certificate as to whether or not we are in compliance with all the conditions and covenants applicable to us under the guarantee.

Information Concerning the Guarantee Trustee

The guarantee trustee, unless a default by us in the performance of the guarantee then exists, is required to perform only those duties that are specifically set forth in the guarantee. After a default under the guarantee, the guarantee trustee must exercise the same degree of care and skill as a prudent person would exercise or use in the conduct of his or her own affairs. However, the guarantee trustee is under no obligation to exercise any of the powers vested in it by the guarantee at your request unless you offer reasonable indemnity against the costs, expenses and liabilities that it might incur.

Termination of the Guarantee

The guarantee will terminate and be of no further force and effect:

- upon full payment of the redemption price of the related preferred securities,
- upon full payment of the amounts payable upon liquidation of the related trust, or
- upon distribution of corresponding junior subordinated debentures to the holders of the preferred securities.

The guarantee will continue to be effective or will be reinstated if at any time you must restore payment of any sums paid under the preferred securities or the guarantee.

Governing Law

The guarantee will be governed by and construed in accordance with the laws of the State of New York.

The Expense Agreement

Under an expense agreement entered into by us, we will irrevocably and unconditionally guarantee to each person or entity to whom a trust becomes indebted or liable, the full payment of any costs, expenses or liabilities of the trust, other than obligations of the trust to pay to you the amounts due to you under the terms of the preferred securities.

DESCRIPTION OF CORRESPONDING JUNIOR SUBORDINATED DEBENTURES

The corresponding junior subordinated debentures are to be issued in one or more series of junior subordinated debentures under the junior subordinated indenture with terms corresponding to the terms of the related preferred securities. See “Description of Junior Subordinated Debentures.”

The following description of the terms of the corresponding junior subordinated debentures and the junior subordinated indenture is a summary. It summarizes only those portions of the junior subordinated indenture which we believe will be most important to your decision to invest in the preferred securities. You should keep in mind, however, that it is the junior subordinated indenture, and not this summary, which defines your rights. There may be other provisions in the junior subordinated indenture which are also important to you. You should read the junior subordinated indenture itself for a full description of its terms. The junior subordinated indenture is filed as an exhibit to the registration statement that includes this prospectus. See “Where You Can Find More Information” for information on how to obtain a copy of the junior subordinated indenture.

General Terms of the Corresponding Junior Subordinated Debentures

At the same time a trust issues preferred securities, the trust will invest the proceeds from the sale and the consideration paid by us for the common securities in a series of corresponding junior subordinated debentures issued by us to the trust. Each series of corresponding junior subordinated debentures will be in the principal amount equal to the aggregate stated liquidation amount of the related preferred securities plus our investment in the common securities and, unless we state otherwise in the applicable prospectus supplement, will rank equally with all other series of corresponding junior subordinated debentures. The corresponding junior subordinated debentures will be unsecured and subordinate and junior in right of payment to the extent and in the manner set forth in the junior subordinated indenture to all our senior debt. See “Description of Junior Subordinated Debentures — Subordination” and the prospectus supplement relating to any offering of related preferred securities.

Optional Redemption

Unless we state otherwise in the applicable prospectus supplement, we may, at our option, redeem the corresponding junior subordinated debentures on any interest payment date, in whole or in part. Unless we state otherwise in the applicable prospectus supplement, the redemption price for any corresponding junior subordinated debentures will be equal to any accrued and unpaid interest to the date fixed for redemption, plus the greater of:

- the principal amount of the debentures, and
- an amount equal to:
 - for junior subordinated debentures bearing interest at a fixed rate, the discounted remaining fixed amount payments. See “Description of Junior Subordinated Debentures — Redemption.”
 - for junior subordinated debentures bearing interest determined by reference to a floating rate, the discounted swap equivalent payments. See “Description of Junior Subordinated Debentures — Redemption.”

If a tax event or an investment company event exists, we may, at our option, redeem the corresponding junior subordinated debentures on any interest payment date falling within 90 days of the occurrence of the tax event or investment company event, in whole but not in part, subject to the provisions of the junior subordinated indenture. The redemption price for any corresponding junior subordinated debentures will be equal to 100% of the principal amount of the corresponding junior subordinated debentures then outstanding plus accrued and unpaid interest to the date fixed for redemption. See “Description of Junior Subordinated Debentures — Redemption.”

[Table of Contents](#)

For so long as the applicable trust is the holder of all the outstanding series of corresponding junior subordinated debentures, the trust will use the proceeds of any redemption to redeem the corresponding preferred securities. We may not redeem a series of corresponding junior subordinated debentures in part unless all accrued and unpaid interest has been paid in full on all outstanding corresponding junior subordinated debentures of the series for all interest periods terminating on or prior to the redemption date.

Covenants of Principal Financial Group, Inc.

We will covenant in the junior subordinated indenture for each series of corresponding junior subordinated debentures that we will pay additional sums to the trust, if:

- the trust that has issued the corresponding series of preferred securities and common securities is the holder of all of the corresponding junior subordinated debentures,
- a tax event exists, and
- we have not redeemed the corresponding junior subordinated debentures or terminated the trust.

We will also covenant, for each series of corresponding junior subordinated debentures, that we and our subsidiaries will not:

- declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment on any of our capital stock, or
- make any payment of principal of, interest or premium, if any, on or repay or repurchase or redeem any debt securities, including other corresponding junior subordinated debentures, that rank equally with or junior in interest to the corresponding junior subordinated debentures or make any related guarantee payments,

other than:

- dividends or distributions in our common stock,
- redemptions or purchases of any rights pursuant to our rights plan, or any successor to our rights plan, and the declaration of a dividend of these rights in the future, and
- payments under any guarantee of preferred securities,

if at that time:

- there has occurred any event of which we have actual knowledge that with the giving of notice or the lapse of time, or both, would constitute an “event of default” under the junior subordinated indenture for that series of corresponding junior subordinated debentures which we have not taken reasonable steps to cure,
- we are in default on our payment of any obligations under the related guarantee, or
- we have given notice of our selection of an extension period as provided in the junior subordinated indenture for that series of corresponding junior subordinated debentures and have not rescinded that notice, or the extension period, or any extension, is continuing.

We will also covenant, for each series of corresponding junior subordinated debentures:

- to maintain, by ourselves or our permitted successors, directly or indirectly, 100% ownership of the common securities of the trust to which corresponding junior subordinated debentures have been issued,

[Table of Contents](#)

- not to voluntarily terminate, wind-up or liquidate any trust, except in connection with a distribution of corresponding junior subordinated debentures to you in liquidation of the trust, or in connection with mergers, consolidations or amalgamations permitted by the related trust agreement, and
- to use our reasonable efforts, consistent with the terms and provisions of the related trust agreement, to cause the trust to remain a statutory trust and not to be classified as an association taxable as a corporation for United States federal income tax purposes.

**RELATIONSHIP AMONG THE PREFERRED SECURITIES, THE CORRESPONDING
JUNIOR SUBORDINATED DEBENTURES AND THE GUARANTEES
BY PRINCIPAL FINANCIAL GROUP, INC. OF THE PREFERRED SECURITIES**

As long as payments of interest and other payments are made when due on each series of corresponding junior subordinated debentures, these payments will be sufficient to cover distributions and other payments due on the related preferred securities, primarily because:

- the aggregate principal amount of each series of corresponding junior subordinated debentures will be equal to the sum of the aggregate stated liquidation amount of the corresponding preferred securities and corresponding common securities,
- the interest rate and interest and other payment dates on each series of corresponding junior subordinated debentures will match the distribution rate and distribution and other payment dates for the corresponding preferred securities,
- we will pay for all and any costs, expenses and liabilities of the trust except the obligations of the trust to holders of its preferred securities under the preferred securities, and
- each trust agreement further provides that the trust will not engage in any activity that is not consistent with the limited purposes of the trust.

We will irrevocably guarantee payments of distributions and other amounts due on the preferred securities, to the extent the trust has funds available for the payment of such distributions, to the extent set forth under “Description of Guarantee by Principal Financial Group, Inc. of the Preferred Securities.”

Taken together, our obligations under each series of junior subordinated debentures, the junior subordinated indenture, the related trust agreement, the related expense agreement and the related guarantee provide a full, irrevocable and unconditional guarantee of payments of distributions and other amounts due on the related series of preferred securities. No single document standing alone or operating in conjunction with fewer than all of the other documents constitutes the guarantee. It is only the combined operation of these documents that has the effect of providing a full, irrevocable and unconditional guarantee of the obligations of the trust under the preferred securities. If and to the extent that we do not make payments on any series of corresponding junior subordinated debentures, the trust will not pay distributions or other amounts due on its preferred securities.

Notwithstanding anything to the contrary in the junior subordinated indenture, we have the right to set-off any payment we are otherwise required to make under the junior subordinated indenture with and to the extent we have made or are making a payment under the related guarantee.

You may institute a legal proceeding directly against us to enforce your rights under the related guarantee without first instituting a legal proceeding against the guarantee trustee, the related trust or any other person or entity.

The preferred securities of each trust evidence your rights to the benefits of the trust. Each trust exists for the sole purpose of issuing its preferred securities and common securities, investing the proceeds from the sale of such securities in corresponding junior subordinated debentures and related purposes.

A principal difference between your rights as a holder of a preferred security and the rights of a holder of a corresponding junior subordinated debenture is that a holder of a corresponding junior subordinated debenture will accrue, and, subject to the permissible extension of the interest period, is entitled to receive, interest on the principal amount of corresponding junior subordinated debentures held, while you are only entitled to receive distributions if and to the extent the trust has funds available for the payment of those distributions.

Upon any voluntary or involuntary termination, winding-up or liquidation of any trust involving the liquidation of the corresponding junior subordinated debentures, you will be entitled to receive, out of assets held by the trust, the liquidation distribution in cash. See “Description of Preferred Securities — Liquidation Distribution Upon Termination.”

[Table of Contents](#)

Upon any voluntary or involuntary liquidation or bankruptcy of Principal Financial Group, Inc., the property trustee, as holder of the corresponding junior subordinated debentures, would be a subordinated creditor. In this case, the property trustee would be subordinated in right of payment to all senior debt, but entitled to receive payment in full of principal and interest, before any of our stockholders receive payments or distributions. Since we are the guarantor under each guarantee and have agreed to pay for all costs, expenses and liabilities of each trust, your position as a holder of the preferred securities and the position of a holder of the corresponding junior subordinated debentures relative to other creditors and to our stockholders in the event of liquidation or bankruptcy of our company would be substantially the same.

A default or event of default under any senior debt would not constitute a default or event of default under the junior subordinated indenture. However, in the event of payment defaults under, or acceleration of, senior debt, the subordination provisions of the junior subordinated indenture provide that we may not make payments on the corresponding junior subordinated debentures until the senior debt has been paid in full or any payment default under the senior debt has been cured or waived. Our failure to make required payments on any series of corresponding junior subordinated debentures would constitute an event of default under the junior subordinated indenture.

If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or other to settle those sales or to close out any related open borrowings of stock, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment).

We may indemnify agents, underwriters, dealers and remarketing firms against certain liabilities, including liabilities under the Securities Act. Our agents, underwriters, dealers and remarketing firms, or their affiliates, may be customers of, engage in transactions with or perform services for us, in the ordinary course of business.

We may authorize our agents and underwriters to solicit offers by certain institutions to purchase the securities at the public offering price under delayed delivery contracts.

- If we use delayed delivery contracts, we will disclose that we are using them in the prospectus supplement and will tell you when we will demand payment and delivery of the securities under the delayed delivery contracts.
- These delayed delivery contracts will be subject only to the conditions that we describe in the prospectus supplement.
- We will describe in the applicable prospectus supplement the commission that underwriters and agents soliciting purchases of the securities under delayed contracts will be entitled to receive.

The maximum underwriting compensation in connection with any shelf take-down will not exceed 8% of the offering proceeds, from such take-down.

Item 15. Indemnification of Directors and Officers**Principal Financial Group, Inc.**

Our directors and officers may be indemnified against liabilities, fines, penalties and claims imposed upon or asserted against them as provided in the Delaware General Corporation Law and our certificate of incorporation and by-laws. Such indemnification covers all costs and expenses incurred by a director or officer in his or her capacity as such. The board of directors, by a majority vote of a quorum of disinterested directors or, under certain circumstances, independent counsel appointed by the board of directors, must determine that the director or officer seeking indemnification was not guilty of willful misconduct or a knowing violation of the criminal law. In addition, the Delaware General Corporation Law and our certificate of incorporation may, under certain circumstances, eliminate the liability of directors and officers in a stockholder or derivative proceeding. If the person involved is not a director or officer of Principal Financial Group, Inc., the board of directors may cause Principal Financial Group, Inc. to indemnify, to the same extent allowed for our directors and officers, such person who was or is a party to a proceeding by reason of the fact that he or she is or was our employee or agent, or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise. We have policies in force and effect that insure our directors and officers against losses which they or any of them will become legally obligated to pay by reason of any actual or alleged error or misstatement or misleading statement or act or omission or neglect or breach of duty by such directors and officers in the discharge of their duties, individually or collectively, or as a result of any matter claimed against them solely by reason of their being directors or officers. Such coverage is limited by the specific terms and provisions of the insurance policies.

Principal Financial Services, Inc.

The Iowa Business Corporation Act grants Principal Financial Services, Inc. the power to indemnify its directors and officers against liabilities under certain circumstances. The articles of incorporation and the by-laws of Principal Financial Services, Inc. provide for indemnification of directors, officers and employees to the full extent provided by the Iowa Business Corporation Act. The articles of incorporation and the by-laws provide that Principal Financial Services, Inc. shall indemnify its directors and officers, as provided under the Iowa Business Corporation Act subject to the limitations as may be established by Principal Financial Services, Inc. The articles of incorporation further provide that a director shall not be personally liable to Principal Financial Services, Inc. or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (a) for a breach of the director's duty of loyalty to Principal Financial Services, Inc. or its shareholders, (b) for acts or omissions not in

Table of Contents

good faith or which involve intentional misconduct or knowing violation of the law, (c) for a transaction from which the director derives an improper personal benefit or (d) under Section 490.833 of the Iowa Business Corporation Act (relating to certain unlawful distributions to shareholders).

The by-laws provide that Principal Financial Services, Inc. shall indemnify, directly or through insurance coverage, its directors and officers against all damages, awards, legal fees and other expenses reasonably incurred in connection with or resulting from any proceeding because of the director's or officer's position with Principal Financial Services, Inc. or another entity that the director or officer serves at Principal Financial Services, Inc.'s request. The by-laws further state that the indemnification provided therein shall not be deemed exclusive and shall be in addition to any rights as may be otherwise provided as a matter of law subject to such limitations as may be established by Principal Financial Services, Inc.

The Trusts

Principal Financial Group, Inc., as depositor under the respective trust agreements, has agreed to indemnify each trust's trustee for, and to hold each such trustee harmless against, any loss, damage, claims, liability, penalty or expense incurred without negligence or bad faith on the part of any such trustee, arising out of or in connection with the acceptance or administration of the respective trust agreements, including the costs and expenses of any trustee of defending itself against any claim or liability in connection with the exercise and performance of any of its powers or duties under the respective trust agreements.

Item 17. Undertakings

(a) Rule 415 Offering

Each undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings Incorporating Subsequent Exchange Act Documents by Reference

Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of such registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Acceleration of Effectiveness

Insofar as indemnifications for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing

Table of Contents

provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person, if any, of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) Rule 430A Offering

Each undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Equity Offerings of Non-reporting Registrants

Each undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

(f) Qualification of Trust Indentures for Delayed Offerings

Each undersigned registrant hereby undertakes to file an application for the purpose of determining eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers, or other management employee of the Company or any Subsidiary stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 104. Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor

signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 601) conclusive and may be relied upon by the Trustee, the Company, and any agent of the Trustee or the Company, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a Person acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority.

(c) The fact and date of the execution by any Person of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient and in accordance with such reasonable rules as the Trustee may determine.

(d) The ownership of Securities shall be proved by the Security Register.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(f) The Company may, but shall not be obligated to, set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities, provided that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date (as defined below) by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been

set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 106.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 502, (iii) any request to institute proceedings referred to in Section 507(2) or (iv) any direction referred to in Section 512. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 106.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 106, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of

which may do so pursuant to such appointment with regard to all or any part of such principal amount.

SECTION 105. Notices, Etc., to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

(1) the Trustee by any Holder or by the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed to or with the Trustee in writing at its Corporate Trust Office or

(2) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Company, Attention: [General Counsel].

Neither the Company nor the Trustee shall be deemed to have received any such request, demand, authorization, direction, notice, consent, waiver or Act of Holders unless given, furnished or filed as provided in this Section 105.

SECTION 106. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the written approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 107. Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act which is required under such Act to be a part of and govern this Indenture,

the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act which may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

SECTION 108. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 109. Successors and Assigns.

All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

SECTION 110. Separability Clause.

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 111. Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent and their successors and assigns, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 112. Governing Law; Waiver of Jury Trial.

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof.

EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE SECURITIES OR THE TRANSACTION CONTEMPLATED HEREBY.

SECTION 113. Legal Holidays.

In any case where any Interest Payment Date, Redemption Date, Maturity or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities (other than a provision of any Security which specifically states that such provision shall apply in lieu of this Section)) payment of interest or principal (and premium, if any) need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if

made on the Interest Payment Date or Redemption Date, or at the Maturity or Stated Maturity and no interest shall accrue for the period from and after such Interest Payment Date, Redemption Date, Maturity or Stated Maturity, as the case may be, if such payment is made or duly provided for on the next succeeding Business Day, except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day.

SECTION 114. Computations.

Unless otherwise specifically provided, the certificate or opinion of any independent firm of public accountants of recognized standing selected by the Board of Directors shall be conclusive evidence of the correctness of any computation made under the provisions of this Indenture. The Company shall furnish to the Trustee upon its request a copy of any such certificate or opinion.

provided, that if the Guarantor will guarantee the obligations of the Company under the Securities of a series, such matters shall be established in one or more indenture supplements hereto to which the Company, the Guarantor and the Trustee shall be a party.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided herein or in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

Section 302. Denominations.

The Securities of each series shall be in registered form without coupons and shall be issuable in denominations of \$1,000 and any integral multiples thereof, unless otherwise specified as contemplated by Section 301.

Section 303. Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman, President, Chief Executive Officer or any Vice President. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities.

Notwithstanding the provisions of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Company Order otherwise required pursuant to such preceding paragraph at or prior to the authentication of each Security of such series if such Company Order is delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized signatories, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been

duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 309, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Minor typographical and other minor errors in the text of any Security shall not affect the validity and enforceability of such Security if it has been duly authenticated and delivered by the Trustee.

The Company shall execute and the Trustee shall authenticate and deliver one or more Global Securities with respect to each series of Securities that (i) shall represent an aggregate amount equal to the aggregate principal amount of the initially issued Securities of such series, (ii) shall be registered in the name of the Depository or the nominee of the Depository, (iii) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instruction and (iv) shall bear a legend substantially in the form required in Section 202.

The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the Trustee, being advised by counsel, determines in good faith that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

The Depository must, at all times while it serves as such Depository, be a clearing agency registered under the Exchange Act, and any other applicable statute or regulation. Neither the Trustee nor any agent shall have any responsibility for any actions taken or not taken by the Depository.

Section 304. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, typewritten or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities of any series in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company in a Place of Payment without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of

definitive Securities of the same series of authorized denominations and having the same Original Issue Date and Stated Maturity and having the same terms as such temporary Securities. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

Section 305. Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office a register (the register maintained in such office or in any other office or agency of the Company in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at the office or agency of the Company in a Place of Payment, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series of any authorized denominations and of a like tenor and aggregate principal amount, of the same original Issue Date and Stated Maturity and having the same terms.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for the individual Securities represented thereby, a Global Security representing all or a portion of the Securities may not be transferred except as a whole by the Depositary to a nominee of such Depositary, or by a nominee of such Depositary to such Depositary or another nominee of such Depositary, or by such Depositary or any such nominee to a successor Depositary or nominee of such successor Depositary.

At the option of the Holder, Securities may be exchanged for other Securities, of the same series of any authorized denominations, of like tenor and aggregate principal amount, of the same Original Issue Date and Stated Maturity and having the same terms, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

If at any time the Depositary notifies the Company that it is unwilling or unable to continue as Depositary or if at any time the Depositary shall cease to be a clearing agency registered under the Exchange Act as provided in Section 303, the Company shall appoint a successor Depositary. If a successor Depositary is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Securities, will authenticate and make available for delivery, individual Securities in an aggregate principal amount equal

to the principal amount of the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Company may at any time and in its sole discretion determine that individual Securities issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Securities, will authenticate and make available for delivery, individual Securities in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Depositary may surrender a Global Security in exchange in whole or in part for individual Securities on such terms as are acceptable to the Company, the Trustee and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and make available for delivery, without service charge:

(1) to each Person specified by such Depositary a new individual Security or Securities of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(2) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of individual Securities delivered to Holders thereof.

Upon the exchange of a Global Security for individual Securities in an aggregate principal amount equal to the principal amount of such Global Security, such Global Security shall be canceled by the Trustee. Individual Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall make available for delivery such individual Securities to the Persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Security Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to

cover any tax, assessment or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304, 906 or 1108 not involving any transfer.

Neither the Company nor the Trustee shall be required, pursuant to the provisions of this Section: (i) to issue, register the transfer of or exchange any Security of any series during a period beginning at the opening of business 15 Business Days before the day of the mailing of a notice of redemption of any such Securities selected for redemption of Securities pursuant to Article Eleven and ending at the close of business on the day of such mailing of notice of redemption; or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any Security to be redeemed in part, any portion thereof that is not redeemed.

Section 306. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same issue and series, of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such mutilated Security, and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the issuing Company shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same issue and series of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time

enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 307. Payment of Interest; Interest Rights Preserved.

Interest on any Security of any series which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest in respect of Securities of such series. The initial payment of interest on any Security of any series which is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security or in the Board Resolution pursuant to Section 301 with respect to the related series of Securities.

Any interest on any Security which is payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities of such series (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series in respect of which interest is in default (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security of such series at the address of such Holder as it appears in the Security Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such

series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of the series in respect of which interest is in default may be listed, and upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 308. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 307) any interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 309. Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed by the Trustee in accordance with its customary procedures. Acquisition by the Company of any Security shall not operate as

a redemption or satisfaction of the indebtedness represented by such Security unless and until the same is delivered to the Trustee for cancellation.

Section 310. Computation of Interest.

Except as otherwise specified as contemplated by Section 301 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

Section 311. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

Section 401. Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Request cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for) and the Trustee at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

(1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to Section 401 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 607 and the preceding paragraph, the obligations of the Company to any Authenticating Agent under Section 614 and, if money and/or Government Obligations shall have been deposited with the Trustee pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003 shall survive.

ARTICLE FIVE

REMEDIES

Section 501. Events of Default.

"Event of Default", wherever used herein with respect to the Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security of that series when it becomes due and payable, and such default continues for a period of 30 days; or

(2) default in the payment of the principal of or premium, if any, on any Security of that series at its Maturity; or

(3) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or the breach of which is specifically dealt with elsewhere in this Section), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(4) the entry of a decree or order by a court having jurisdiction in the premises adjudging the Company bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

(5) the institution by the Company of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer of consent seeking reorganization or relief under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of any such petition or to the

appointment of a receiver, liquidator assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated bankrupt, or the taking of corporate action by the Company in furtherance of any such action; or

(6) any other Event of Default specified with respect to Securities of that series as contemplated in Section 301.

Section 502. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 501(4) or 501(5)) with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable. If an Event of Default specified in Section 501(4) or 501(5) with respect to Securities of a series at the time Outstanding occurs, the principal amount of all the Securities of such series (or specified amount) shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of, and premium, if any, on, any Securities of that series which have become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates borne by such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates borne by or prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Securities of that series, other than the non-payment of the principal (or a specified portion of the principal) of and interest on Securities of that series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 503. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal or premium, if any, on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, including, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal or premium, if any, and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 504. Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors:

(a) the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding, and

(ii) in particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same in accordance with Section 506; and

(b) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee for distribution in accordance with Section 506, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

Section 505. Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 506. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to a series of Securities pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or

property on account of principal or premium, if any, or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee and any predecessor Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid upon such series of Securities for principal (and premium, if any) and interest in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such series of Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Company, its successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Section 507. Limitation on Suits.

No Holder of any Securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of that series have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders), or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this

Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

Section 508. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 307) interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 509. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 510. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 512. Control by Holders.

The Holders of a majority in aggregate principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any

trust or power conferred on the Trustee, with respect to the Securities of such series, provided that:

(1) such direction shall not be in conflict with any rule of law or with this Indenture, involve the Trustee in personal liability or be unduly prejudicial to the Holders of the Securities not joining in the action; and

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 513. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of any series may, on behalf of the Holders of all the Securities of such series, waive any past default hereunder with respect to such series and its consequences, except a default:

(1) in the payment of the principal of, or premium, if any, or interest on, any Security of such series; or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 514. Undertaking for Costs.

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, any party litigant in such suit to file an undertaking to pay the costs of such suit, and that court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any such party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the respective Stated Maturities expressed in such Security (or in the case of redemption, on the Redemption Date).

Section 515. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

Section 601. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgement made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Sections 101, 104 and 512, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 602. Notice of Defaults.

If a default occurs hereunder with respect to the Securities of a series, the Trustee within 90 days of such default shall give the Holders notice of such default as and to the extent provided by the Trust Indenture Act; provided, however, that in the case of any default of the character specified in Section 501(3) with respect to such Securities, no such notice to Holders shall be given until at least 30 days after the occurrence thereof; and provided, further, that the Trustee may withhold notice to the Holders, of any default with respect to Securities of a series (except any default of the character specified in Section 501(1) and (2)), if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of the notice is in the interest of the Holders of such Securities. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to the Securities of a series.

Section 603. Certain Rights of Trustee.

Subject to the provisions of Section 601:

(1) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order, and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same;

(4) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(6) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(7) the Trustee's immunities and protections from liability and its rights to compensation and indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents and employees and its services as Paying Agent, Security Registrar or any other role assumed by the Trustee hereunder or to which it has been appointed with respect to the Securities issued hereunder. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal and final payment of the Securities;

(8) the Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(9) the Trustee shall not be deemed to have actual knowledge of any "default" or Event of Default hereunder except (i) during any period it is serving as Paying Agent for the Securities of a series, any Event of Default pursuant to Section 501(1) or (2), or (ii) any default or Event of Default of which a Responsible Officer shall have received written notification from the Company or the Holders of at least 25% in aggregate principal amount of the Securities of the series with respect to which such default or Event of Default has occurred and is continuing or obtained "actual knowledge." The term "actual knowledge" as used herein shall mean the actual fact or statement of knowing by a Responsible Officer without independent investigation with respect thereto.

The term "default" as used in this Section 603 shall mean any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of a series;

(10) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture (other than the payment of debt service on the Securities from moneys furnished to it pursuant hereto), whether at the request or direction of the Holders or any other Person, pursuant to this Indenture or otherwise, unless it shall have been offered indemnity or security satisfactory to it against the fees, advances, costs, expenses and liabilities which might be incurred by it in connection with the exercise of any such rights or powers;

(11) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(12) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Notwithstanding anything else herein contained, (i) the Trustee shall not be liable for any error of judgment made in good faith by any officer of the Trustee and (ii) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it believes the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 604. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 605. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 608 and 613, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 606. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as agreed with the Company herein or otherwise.

SECTION 607. Compensation and Reimbursement.

The Company agrees:

(1) to pay to the Trustee from time to time compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the compensation, reasonable disbursements and expenses of its agents or attorneys), except any such expense, disbursement or advance as may be attributable to the negligence or bad faith of it or of its agents or attorneys;

(3) to indemnify each of the Trustee or any predecessor Trustee and their agents for, and to hold them harmless against, any and all loss, damage, claim, liability or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section, except to the extent that such loss, damage, claim, liability or expense is due to its own negligence or bad faith; and

(4) without limiting any rights available to the Trustee under applicable law, that when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(4) or Section 501(5), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

SECTION 608. Disqualification; Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

SECTION 609. Corporate Trustee Required; Eligibility.

The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall (i) be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, (ii) be authorized under such laws to exercise corporate trust powers, (iii) have a combined capital and surplus of at least \$50,000,000, and (iv) be subject to supervision or examination by Federal or State authority. If such corporation files reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so filed. If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article Six. Neither the Company nor any Person directly or indirectly controlling, controlled by or under common control with the Company shall serve as Trustee for the Securities of any series issued hereunder.

SECTION 610. Resignation and Removal; Appointment of Successor.

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 611.

The Trustee may resign as Trustee at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 611 shall not have been delivered to the resigning Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Trustee may be removed as Trustee hereunder at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

If at any time an instrument of acceptance by a successor Trustee required by Section 611 shall not have been delivered to the Trustee within 30 days after the date a notice of removal is delivered to the Trustee, the Trustee being removed may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

If at any time:

(1) the Trustee shall fail to comply with Section 608 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months; or

(2) the Trustee shall cease to be eligible under Section 609 and shall fail to resign after written request therefor by the Company or by any such Holder; or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Company by a Board Resolution may remove the Trustee, or (B) subject to Section 514, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee or Trustees.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series and shall comply with the applicable requirements of Section 611. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 611, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 611, any Holder who has been a bona fide Holder of a Security for at least six months may, subject to Section 514, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 611. Acceptance of Appointment by Successor.

(a) In the case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 612. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 613. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

SECTION 614. Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 306, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State, Territory or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent files reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so filed.

If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of an Authenticating Agent, shall be the successor Authenticating Agent hereunder, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give notice of such appointment in the manner provided in Section 106 to all Holders of Securities of the series with respect to which such Authenticating Agent will serve. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time compensation for its services under this Section as agreed to in writing between the parties.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

SECTION 701. Company to Furnish Trustee Names and Addresses of Holders.

The Company will furnish or cause to be furnished to the Trustee:

(1) semi-annually, not more than 15 days after each Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Regular Record Date; and

(2) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished; provided, that no such list need be provided in any case to the extent it would include names and addresses received by the Trustee in its capacity as Security Registrar.

SECTION 702. Preservation of Information; Communications to Holders.

The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 701 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 701 upon receipt of a new list so furnished.

The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and privileges of the Trustee, shall be as provided by the Trust Indenture Act.

Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 703. Reports by Trustee.

The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within 60 days after each May 15 following the date of this Indenture, deliver to Holders a brief report, dated as of such May 15, which complies with the provisions of such Section 313(a).

A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange, if any, upon which any Securities are listed, with the Commission and with the Company. The Company will notify the Trustee whenever any Securities are listed on any stock exchange and any delisting thereof.

SECTION 704. Reports by Company.

The Company shall:

(1) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail, to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company pursuant to Clauses (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its

covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

ARTICLE EIGHT

In case of any such consolidation, merger, conveyance, transfer or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate.

ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 901. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto or, if applicable, into agreements supplemental to any Guarantee, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities or, if applicable, to evidence the succession of another Person to the Guarantor and the assumption by any such successor of the Guarantor's obligations under any Guarantee (in either case with such changes herein and therein as may be necessary or advisable to reflect such Person's legal status, if such Person is not a corporation); or

(2) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee or to surrender any right or power herein conferred upon the Company; or

(3) to provide for the issuance under this Indenture of Securities in bearer form (including securities registrable as to principal only) and to provide for exchangeability of such Securities for Securities issued hereunder in fully registered form, and to make all appropriate changes for such purpose; or

(4) to establish the form or terms of Securities of any series as permitted by Sections 201 or 301; or

(5) to add to the covenants of the Company or the Guarantor for the benefit of the Holders of all Securities or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company or the Guarantor; or

(6) to add any additional Events of Default; or

(7) to secure the Securities; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee pursuant to the requirements of Section 611(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein, in any Securities or in any Guarantee, which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture as the Company and the Trustee may deem necessary and desirable, provided that such action pursuant to this Clause (9) shall not adversely affect the interests of the Holders of Securities of any series in any material respect; or

(10) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture or any Guarantee under the Trust Indenture Act or otherwise as necessary to comply with applicable law; or

(11) to make any change that does not adversely affect the rights of any Holder in any material respect.

SECTION 902. Supplemental Indentures With Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture and, if applicable, the Guarantor and the Trustee may enter into an agreement or agreements supplemental hereto to add to or to change or eliminate any provisions of a Guarantee; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest payable on, any Outstanding Security, or reduce the principal amount of or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon redemption or would be provable in bankruptcy, or adversely affect any right of repayment of the Holder of any Security or change the Place of Payment or the coin or currency in which, any Outstanding Security or the interest thereon is payable, or impair

the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date); or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences or reduce the quorum or voting requirements provided for in this Indenture; or

(3) modify any of the provisions of this Section, Section 513 or Section 1008, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section and Section 1008, or the deletion of this proviso, in accordance with the requirements of Sections 611 and 901(8).

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture, or a supplemental agreement which changes or eliminates any covenant or other provision of a Guarantee, which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, protections, privileges, indemnities, liabilities or immunities under this Indenture or otherwise.

SECTION 904. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 905. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 906. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE TEN

COVENANTS

SECTION 1001. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of, premium, if any, and interest on the Securities of that series in accordance with the terms of such Securities and this Indenture.

Unless otherwise specified as contemplated by Section 301, the Company shall pay interest on overdue amounts at the rate set forth in the first paragraph of the Securities, and it shall pay interest on overdue interest at the same rate (to the extent that the payment of such interest shall be legally enforceable), which interest on overdue interest shall accrue from the date such amounts became overdue.

SECTION 1002. Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, The City of New York and each other Place of Payment for any series, an office or agency where Securities of that series may be presented or surrendered for payment, and an office or agency where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company initially appoints the Trustee, acting through its Corporate Trust Office, as its agent for said purposes. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York and each other Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 1003. Money for Securities Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of or premium, if any, or interest on any of the Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, and any interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent, (2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities) in the making of any payment of principal (and premium, if any) or interest, and (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by the Company or any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money or U.S. Government Obligation (including the proceeds thereof and the interest thereon) deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any

Security and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company at its option on Company Request (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004. Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not, to the best knowledge of the signers thereof, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 1005. Existence.

Subject to Article Eight, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders.

SECTION 1006. Payment of Taxes.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all taxes, assessments and governmental charges levied or imposed upon the Company or any Restricted Subsidiary or upon the income, profits or property of the Company or any Restricted Subsidiary, and lawful claims for labor, materials and supplies, which, if unpaid, might by law become a Lien upon the property of the Company or any Restricted Subsidiary; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment or governmental charge whose amount, applicability or validity is being

contested in good faith by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Securities.

SECTION 1007. Limitation on Liens.

The Company will not, nor will it permit any Restricted Subsidiary, directly or indirectly, to, create, issue, assume, incur, or guarantee or become liable with respect to indebtedness for money borrowed if such indebtedness is secured by a Lien on any present or future common stock of any Restricted Subsidiary (whether such shares of common stock are now owned or hereafter acquired) without in any such case making or causing to be made effective a provision (and the Company covenants that in any such case it shall make or cause to be made effective such provision) whereby the Securities, will be secured equally and ratably with, or prior to, such indebtedness or guarantee; it being understood that in such event the Company may also so secure any other such indebtedness of the Company or such Restricted Subsidiary entitled thereto, subject to any applicable priority of payment.

SECTION 1008. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision, covenant or condition set forth in any covenant provided pursuant to Section 901(5) for the benefit of the Holders or in any of Sections 1006 and 1007, with respect to the Securities of any series if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 1009. Calculation of Original Issue Discount.

The Company shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

SECTION 1101. Company's Right of Redemption.

Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series, and notwithstanding any additional redemption rights that may be so specified, the Company may, at its option, redeem the Securities of any series

after their date of issuance in whole or in part at any time and from time to time, subject to the provisions of this Section 1101 and the other provisions of this Article Eleven. Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series, the redemption price for any Security so redeemed shall be equal to 100% of the principal amount of such Securities then Outstanding plus accrued and unpaid interest up to, but excluding, the date fixed for redemption; provided, however, that installments of accrued and unpaid interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

SECTION 1102. Applicability of Article.

Redemption of Securities, as permitted or required by any form of Security issued pursuant to this Indenture or the documentation providing therefor, shall be made in accordance with such form of Security or documentation and this Article Eleven; provided, however, that if any provision of any such form of Security or documentation shall conflict with any provision of this Article, the provision of such form of Security or documentation shall govern. Except as otherwise set forth in the form of Security for such series or such documentation, each Security shall be subject to partial redemption only in the amount of \$1,000 or integral multiples of \$1,000.

SECTION 1103. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company of the Securities of a series, the Company shall, at least 45 days but not more than 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities (a) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or (b) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction or condition.

SECTION 1104. Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities not previously called for redemption, by such method as the Trustee in its sole discretion shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security, provided that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for

such Security. If less than all the Securities and of a specified tenor are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities and specified tenor not previously called for redemption in accordance with the preceding sentence.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption as aforesaid and, in the case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

The provisions of the two preceding paragraphs shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed. If the Company shall so direct, Securities registered in the name of the Company, any Affiliate or any Subsidiary thereof shall not be included in the Securities selected for redemption.

SECTION 1105. Notice of Redemption.

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at its address appearing in the Security Register. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest shall cease to accrue on the Securities.

All notices of redemption shall state:

(1) the Redemption Date;

(2) the Redemption Price, or if not then ascertainable, the manner of calculation thereof;

(3) if less than all the Outstanding Securities consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the Outstanding Securities consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed;

(4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date;

(5) the place or places where each such Security is to be surrendered for payment of the Redemption Price; and

(6) the CUSIP numbers, if any.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 1106. Deposit of Redemption Price.

Prior to 10:00 a.m. New York City time on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 1107. Securities Payable on Redemption Date.

Notice of redemption having been given pursuant to Section 1105, the Securities to be so redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear or accrue any interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with any accrued but unpaid interest to, but excluding, the Redemption Date; provided, however, that installments of accrued and unpaid interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 1108. Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing),

and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE TWELVE

DEFEASANCE AND COVENANT DEFEASANCE

SECTION 1201. Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option at any time, to have Section 1202 or Section 1203 applied to any Securities upon compliance with the conditions set forth below in this Article. Any such election shall be evidenced by a Board Resolution.

SECTION 1202. Defeasance and Discharge.

Upon the Company's exercise of its option (if any) to have this Section applied to any Securities, the Company shall be deemed to have been discharged from its obligations with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 1204 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Securities and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company and upon Company Request, shall execute proper instruments acknowledging the same), subject to the following, which shall survive until otherwise terminated or discharged hereunder: (1) the Company's obligations with respect to such Securities under Sections 304, 305, 306, 1002 and 1003; (2) the rights, powers, trusts, duties and immunities of the Trustee hereunder, including but not limited to those enumerated under Sections 601, 603 and 607; and (3) this Article. Subject to compliance with this Article, the Company may exercise its option (if any) to have this Section applied to any Securities notwithstanding the prior exercise of its option (if any) to have Section 1203 applied to such Securities.

SECTION 1203. Covenant Defeasance.

Upon the Company's exercise of its option (if any) to have this Section applied to any Securities (1) the Company shall be released from its obligations under Sections 801, Sections 1006 and 1007, and any covenants provided pursuant to 901(5) for the benefit of the Holders of such Securities; and (2) the occurrence of any event specified in Sections 501(3) (with respect to any of Section 801, Sections 1006 and 1007, and any such covenants provided pursuant to Section 901(5)) shall be deemed not to be or result in an Event of Default, in each case with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 1204 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that,

with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section (to the extent so specified in the case of Section 501(3)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

Notwithstanding any Covenant Defeasance with respect to Section 801, any Person that would otherwise have been required to assume the obligations of the Company pursuant to said Section shall be required, as a condition to any merger, consolidation, conveyance, transfer or lease contemplated thereby, to assume the obligations of the Company to the Trustee under Sections 607 and 1205.

SECTION 1204. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of Section 1202 or Section 1203 to any Securities:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee which satisfies the requirements contemplated by Section 609 and agrees to comply with the provisions of this Article applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefits of the Holders of such Securities, (A) money in an amount, or (B) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on such Securities on the respective Stated Maturities or on the Redemption Date, in accordance with the terms of this Indenture and such Securities.

(2) In the event of an election to have Section 1202 apply to any Securities, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in the case of either (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) In the event of an election to have Section 1203 apply to any Securities, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the

Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Securities or any other Securities shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 501(4) and (5), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

(5) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any indenture or other agreement or instrument for borrowed money to which the Company is a party or by which it is bound.

(6) Such Defeasance or Covenant Defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act unless such trust shall be registered under the Investment Company Act or exempt from registration thereunder.

(7) If such Securities are to be redeemed prior to Stated Maturity (other than from mandatory sinking fund payments or analogous payments), notice of such redemption shall have been duly given pursuant to this Indenture or provision therefor satisfactory to the Trustee shall have been made.

(8) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

SECTION 1205. Deposited Money and Government Obligations to Be Held in Trust;
Miscellaneous Provisions.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations (including the proceeds thereof and the interest thereon) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 1206, the Trustee and any such other trustee are referred to collectively as the "Trustee") pursuant to Section 1204 in respect of any Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to

Section 1204 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities.

Anything in this Article to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or Government Obligations held by it as provided in Section 1204 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Securities.

SECTION 1206. Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article with respect to any Securities by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Securities from which the Company has been discharged or released pursuant to Section 1202 or 1203 shall be revived and reinstated as though no deposit had occurred pursuant to this Article with respect to such Securities, until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 1205 with respect to such Securities in accordance with this Article; provided, however, that if the Company makes any payment of principal of or any premium or interest on any such Security following such reinstatement of its obligations, the Company shall be subrogated to the rights (if any) of the Holders of such Securities to receive such payment from the money so held in trust.

SECTION 1207. Qualifying Trustee.

Any trustee appointed pursuant to Section 1204 for the purpose of holding trust funds deposited pursuant to that Section shall be appointed under an agreement in form acceptable to the Trustee and shall provide to the Trustee a certificate of such trustee, upon which certificate the Trustee shall be entitled to conclusively rely, that all conditions precedent provided for herein to the related Defeasance or Covenant Defeasance have been complied with. In no event shall the Trustee be liable for any acts or omissions of said trustee.

SECTION 104. Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing;

and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 601) conclusive and may be relied upon by the Trustee, the Company, and any agent of the Trustee or the Company, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a Person acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority.

(c) The fact and date of the execution by any Person of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient and in accordance with such reasonable rules as the Trustee may determine.

(d) The ownership of Securities shall be proved by the Security Register.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(f) The Company may, but shall not be obligated to, set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities, provided that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date (as defined below) by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Company

from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities in the manner set forth in Section 106.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 502, (iii) any request to institute proceedings referred to in Section 507(2) or (iv) any direction referred to in Section 512. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 106.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities in the manner set forth in Section 106, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

SECTION 105. Notices, Etc., to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

(1) the Trustee by any Holder or by the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed to or with the Trustee in writing at its Corporate Trust Office or

(2) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Company, Attention: [General Counsel].

Neither the Company nor the Trustee shall be deemed to have received any such request, demand, authorization, direction, notice, consent, waiver or Act of Holders unless given, furnished or filed as provided in this Section 105.

SECTION 106. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as

shall be made with the written approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 107. Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act which is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act which may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

SECTION 108. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 109. Successors and Assigns.

All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

SECTION 110. Separability Clause.

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 111. Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent and their successors and assigns, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 112. Governing Law; Waiver of Jury Trial.

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflicts of laws principles thereof.

EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE SECURITIES OR THE TRANSACTION CONTEMPLATED HEREBY.

SECTION 113. Legal Holidays.

In any case where any Interest Payment Date, Redemption Date, Maturity or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities (other than a provision of any Security which specifically states that such provision shall apply in lieu of this Section)) payment of interest or principal (and premium, if any) need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Maturity or Stated Maturity, and no interest shall accrue for the period from and after such Interest Payment Date, Redemption Date, Maturity or Stated Maturity, as the case may be, if such payment is made or duly provided for on the next succeeding Business Day, except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day.

SECTION 114. Computations.

Unless otherwise specifically provided, the certificate or opinion of any independent firm of public accountants of recognized standing selected by the Board of Directors shall be conclusive evidence of the correctness of any computation made under the provisions of this Indenture. The Company shall furnish to the Trustee upon its request a copy of any such certificate or opinion.

ARTICLE TWO
SECURITY FORMS

SECTION 201. Forms Generally.

The Securities of each series shall be substantially in the form attached as Exhibit A, or in such other form or forms as shall be established by or pursuant to a Board Resolution or in one or more indentures supplemental hereto, in each case with such appropriate provisions as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with applicable tax laws or the rules of any securities exchange or Depository therefor or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution thereof. If the form of Securities of any series is established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Company Order contemplated by Section 303 with respect to the authentication and delivery of such Securities.

The Trustee's certificate of authentication shall be substantially in the form set forth in this Article.

The definitive Securities shall be printed, typewritten or produced in any other manner permitted by the rules of any securities exchange on which the Securities may be listed, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

The Global Security or Securities evidencing the Securities of a series (and all Securities issued in exchange therefore) shall bear the legend indicated in Section 202.

SECTION 202. Form of Legend for Global Securities.

Every Global Security authenticated and delivered hereunder shall, in addition to the provisions contained in Exhibit A, bear a legend in substantially the following form:

(u) any other terms of the Securities of such series or any related Guarantee (which terms shall not be inconsistent with the provisions of the Trust Indenture Act, but may modify, amend, supplement or delete any of the terms of this Indenture with respect to such series), including any terms which may be required by or advisable under United States laws or regulations or advisable (as determined by the Company) in connection with the marketing of Securities of the series;

provided, that if the Guarantor will guarantee the obligations of the Company under the Securities of a series, such matters shall be established in one or more indenture supplements hereto to which the Company, the Guarantor and the Trustee shall be a party.

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided herein or in or pursuant to such Board Resolution and set forth in such Officers' Certificate or in any such indenture supplemental hereto.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

SECTION 302. Denominations.

The Securities of each series shall be in registered form without coupons and shall be issuable in denominations of \$1,000 and any integral multiples thereof, unless otherwise specified as contemplated by Section 301.

SECTION 303. Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman, President, Chief Executive Officer or any Vice President. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities.

Notwithstanding the provisions of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Company Order otherwise required pursuant to such preceding paragraph at or prior to the authentication of each Security of such series if such Company Order is delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of one of its authorized signatories, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 309, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Minor typographical and other minor errors in the text of any Security shall not affect the validity and enforceability of such Security if it has been duly authenticated and delivered by the Trustee.

The Company shall execute and the Trustee shall authenticate and deliver one or more Global Securities with respect to each series of Securities that (i) shall represent an

aggregate amount equal to the aggregate principal amount of the initially issued Securities of such series, (ii) shall be registered in the name of the Depository or the nominee of the Depository, (iii) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instruction and (iv) shall bear a legend substantially in the form required in Section 202.

The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the Trustee, being advised by counsel, determines in good faith that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability to existing Holders.

The Depository must, at all times while it serves as such Depository, be a clearing agency registered under the Exchange Act, and any other applicable statute or regulation. Neither the Trustee nor any agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 304. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, typewritten or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities of any series in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company in a Place of Payment without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations and having the same Original Issue Date and Stated Maturity and having the same terms as such temporary Securities. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

SECTION 305. Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office a register (the register maintained in such office or in any other office or agency of the Company in a Place of Payment being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall

provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at the office or agency of the Company in a Place of Payment, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series of any authorized denominations and of a like tenor and aggregate principal amount, of the same original Issue Date and Stated Maturity and having the same terms.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for the individual Securities represented thereby, a Global Security representing all or a portion of the Securities may not be transferred except as a whole by the Depositary to a nominee of such Depositary, or by a nominee of such Depositary to such Depositary or another nominee of such Depositary, or by such Depositary or any such nominee to a successor Depositary or nominee of such successor Depositary.

At the option of the Holder, Securities may be exchanged for other Securities, of the same series of any authorized denominations, of like tenor and aggregate principal amount, of the same Original Issue Date and Stated Maturity and having the same terms, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

If at any time the Depositary notifies the Company that it is unwilling or unable to continue as Depositary or if at any time the Depositary shall cease to be a clearing agency registered under the Exchange Act as provided in Section 303, the Company shall appoint a successor Depositary. If a successor Depositary is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Securities, will authenticate and make available for delivery, individual Securities in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Company may at any time and in its sole discretion determine that individual Securities issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Securities, will authenticate and make available for delivery, individual Securities in an aggregate principal amount equal to the principal amount of

the Global Security or Securities representing the Securities in exchange for such Global Security or Securities.

The Depositary may surrender a Global Security in exchange in whole or in part for individual Securities on such terms as are acceptable to the Company, the Trustee and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and make available for delivery, without service charge:

(1) to each Person specified by such Depositary a new individual Security or Securities of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and

(2) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of individual Securities delivered to Holders thereof.

Upon the exchange of a Global Security for individual Securities in an aggregate principal amount equal to the principal amount of such Global Security, such Global Security shall be canceled by the Trustee. Individual Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall make available for delivery such individual Securities to the Persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Security Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304, 906 or 1108 not involving any transfer.

Neither the Company nor the Trustee shall be required, pursuant to the provisions of this Section: (i) to issue, register the transfer of or exchange any Security of any series

during a period beginning at the opening of business 15 Business Days before the day of the mailing of a notice of redemption of any such Securities selected for redemption of Securities pursuant to Article Eleven and ending at the close of business on the day of such mailing of notice of redemption; or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except, in the case of any Security to be redeemed in part, any portion thereof that is not redeemed.

SECTION 306. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same issue and series, of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such mutilated Security, and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the issuing Company shall execute and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same issue and series of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 307. Payment of Interest; Interest Rights Preserved.

Interest on any Security of any series which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest in respect of Securities of such series. The initial payment of interest on any Security of any series which is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security or in the Board Resolution pursuant to Section 301 with respect to the related series of Securities.

Any interest on any Security which is payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities of such series (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series in respect of which interest is in default (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security of such series at the address of such Holder as it appears in the Security Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such

series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of the series in respect of which interest is in default may be listed, and upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 308. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 307) any interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee nor any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

SECTION 309. Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled

Securities held by the Trustee shall be disposed by the Trustee in accordance with its customary procedures. Acquisition by the Company of any Security shall not operate as a redemption or satisfaction of the indebtedness represented by such Security unless and until the same is delivered to the Trustee for cancellation.

SECTION 310. Computation of Interest.

Except as otherwise specified as contemplated by Section 301 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

SECTION 311. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE FOUR

SATISFACTION AND DISCHARGE

SECTION 401. Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Request cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for) and the Trustee at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

(1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation:

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year of the date of deposit, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds: (A) money in an amount; (B) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount; or (C) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee of such series (but such opinion need only be delivered if Government Obligations have been so deposited), to pay and discharge, and which shall be applied by the Trustee, to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to Section 401 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 607 and the preceding paragraph, the obligations of the Company to any Authenticating Agent under Section 614 and, if money and/or Government Obligations shall have been deposited with the Trustee

pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003 shall survive.

SECTION 402. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations deposited with the Trustee pursuant to Section 401 and all proceeds of such Government Obligations and the interest thereon, shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest for whose payment such money and Government Obligations have been deposited with the Trustee.

ARTICLE FIVE

REMEDIES

SECTION 501. Events of Default.

"Event of Default", wherever used herein with respect to the Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security of that series when it becomes due and payable, and such default continues for a period of 30 days; or

(2) default in the payment of the principal of or premium, if any, on any Security of that series at its Maturity; or

(3) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or the breach of which is specifically dealt with elsewhere in this Section), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(4) the entry of a decree or order by a court having jurisdiction in the premises adjudging the Company bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the

Company under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

(5) the institution by the Company of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer of consent seeking reorganization or relief under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated bankrupt, or the taking of corporate action by the Company in furtherance of any such action; or

(6) any other Event of Default specified with respect to Securities of that series as contemplated in Section 301.

SECTION 502. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 501(4) or 501(5)) with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable, provided that the payment of principal and interest on such Securities shall remain subordinated to the extent provided in Article Thirteen. If an Event of Default specified in Section 501(4) or 501(5) with respect to Securities of a series at the time Outstanding occurs, the principal amount of all the Securities of such series (or specified amount) shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of, and premium, if any, on, any Securities of that series which have become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates borne by such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates borne by or prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Securities of that series, other than the non-payment of the principal (or a specified portion of the principal) of and interest on Securities of that series which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 503. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal or premium, if any, on any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest, including, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal or premium, if any, and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 504. Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors:

(a) the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding, and

(ii) in particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same in accordance with Section 506; and

(b) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee for distribution in accordance with Section 506, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf

of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

SECTION 505. Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation, reasonable disbursements, advances and expenses of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 506. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to a series of Securities pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal or premium, if any, or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee and any predecessor Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid upon such series of Securities for principal (and premium, if any) and interest in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such series of Securities for principal (and premium, if any) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Company, its successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

SECTION 507. Limitation on Suits.

No Holder of any Securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of that series have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders), or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 508. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and (subject to Section 307) interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

SECTION 509. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 512. Control by Holders.

The Holders of a majority in aggregate principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that:

(1) such direction shall not be in conflict with any rule of law or with this Indenture, involve the Trustee in personal liability or be unduly prejudicial to the Holders of the Securities not joining in the action; and

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 513. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of any series may, on behalf of the Holders of all the Securities of such series, waive any past default hereunder with respect to such series and its consequences, except a default:

(1) in the payment of the principal of, or premium, if any, or interest on, any Security of such series; or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 514. Undertaking for Costs.

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, any party litigant in such suit to file an undertaking to pay the costs of such suit, and that court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any such party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Security on or after the respective Stated Maturities expressed in such Security (or in the case of redemption, on the Redemption Date).

SECTION 515. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

SECTION 601. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgement made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series, determined as provided in Sections 101, 104 and 512, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 602. Notice of Defaults.

If a default occurs hereunder with respect to the Securities of a series, the Trustee within 90 days of such default shall give the Holders notice of such default as and to the extent provided by the Trust Indenture Act; provided, however, that in the case of any default of the character specified in Section 501(3) with respect to such Securities, no such notice to Holders shall be given until at least 30 days after the occurrence thereof; and provided, further, that the Trustee may withhold notice to the Holders, of any default with respect to Securities of a series (except any default of the character specified in Section 501(1) and (2)), if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of the notice is in the interest of the Holders of such Securities. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to the Securities of a series.

SECTION 603. Certain Rights of Trustee.

Subject to the provisions of Section 601:

(1) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order, and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and may at

its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same;

(4) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(6) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(7) the Trustee's immunities and protections from liability and its rights to compensation and indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents and employees and its services as Paying Agent, Security Registrar or any other role assumed by the Trustee hereunder or to which it has been appointed with respect to the Securities issued hereunder. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal and final payment of the Securities;

(8) the Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(9) the Trustee shall not be deemed to have actual knowledge of any "default" or Event of Default hereunder except (i) during any period it is serving as Paying Agent for the Securities of a series, any Event of Default pursuant to Section 501(1) or (2), or (ii) any default or Event of Default of which a Responsible Officer shall have received written notification from the Company or the Holders of at least 25% in aggregate principal amount of the Securities of the series with respect to which such default or Event of Default has occurred and is continuing or obtained "actual knowledge." The term "actual knowledge" as used herein shall mean the actual fact or statement of knowing by a Responsible Officer without independent investigation with respect thereto. The term "default" as used in this Section 603 shall mean any event which is, or after

notice or lapse of time or both would become, an Event of Default with respect to Securities of a series;

(10) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture (other than the payment of debt service on the Securities from moneys furnished to it pursuant hereto), whether at the request or direction of the Holders or any other Person, pursuant to this Indenture or otherwise, unless it shall have been offered indemnity or security satisfactory to it against the fees, advances, costs, expenses and liabilities which might be incurred by it in connection with the exercise of any such rights or powers;

(11) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(12) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Notwithstanding anything else herein contained, (i) the Trustee shall not be liable for any error of judgment made in good faith by any officer of the Trustee and (ii) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it believes the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 604. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 605. May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 608 and 613, may otherwise

deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

SECTION 606. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as agreed with the Company herein or otherwise.

SECTION 607. Compensation and Reimbursement.

The Company agrees:

(1) to pay to the Trustee from time to time compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the compensation, reasonable disbursements and expenses of its agents or attorneys), except any such expense, disbursement or advance as may be attributable to the negligence or bad faith of it or of its agents or attorneys;

(3) to indemnify each of the Trustee or any predecessor Trustee and their agents for, and to hold them harmless against, any and all loss, damage, claim, liability or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section, except to the extent that such loss, damage, claim, liability or expense is due to its own negligence or bad faith; and

(4) without limiting any rights available to the Trustee under applicable law, that when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(4) or Section 501(5), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

SECTION 608. Disqualification; Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

SECTION 609. Corporate Trustee Required; Eligibility.

The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall (i) be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, (ii) be authorized under such laws to exercise corporate trust powers, (iii) have a combined capital and surplus of at least \$50,000,000, and (iv) be subject to supervision or examination by Federal or State authority. If such corporation files reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so filed. If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article Six. Neither the Company nor any Person directly or indirectly controlling, controlled by or under common control with the Company shall serve as Trustee for the Securities of any series issued hereunder.

SECTION 610. Resignation and Removal; Appointment of Successor.

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 611.

The Trustee may resign as Trustee at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 611 shall not have been delivered to the resigning Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Trustee may be removed as Trustee hereunder at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

If at any time an instrument of acceptance by a successor Trustee required by Section 611 shall not have been delivered to the Trustee within 30 days after the date a notice of removal is delivered to the Trustee, the Trustee being removed may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

If at any time:

(1) the Trustee shall fail to comply with Section 608 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months; or

(2) the Trustee shall cease to be eligible under Section 609 and shall fail to resign after written request therefor by the Company or by any such Holder; or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Company by a Board Resolution may remove the Trustee, or (B) subject to Section 514, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee or Trustees.

If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series and shall comply with the applicable requirements of Section 611. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 611, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 611, any Holder who has been a bona fide Holder of a

Security for at least six months may, subject to Section 514, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of such series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 611. Acceptance of Appointment by Successor.

(a) In the case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and upon the execution and delivery of such

supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 612. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 613. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

SECTION 614. Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 306, and

Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State, Territory or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent files reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so filed.

If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of an Authenticating Agent, shall be the successor Authenticating Agent hereunder, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give notice of such appointment in the manner provided in Section 106 to all Holders of Securities of the series with respect to which such Authenticating Agent will serve. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent.

No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time compensation for its services under this Section as agreed to in writing between the parties.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

SECTION 701. Company to Furnish Trustee Names and Addresses of Holders.

The Company will furnish or cause to be furnished to the Trustee:

(1) semi-annually, not more than 15 days after each Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of such Regular Record Date; and

(2) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished; provided, that no such list need be provided in any case to the extent it would include names and addresses received by the Trustee in its capacity as Security Registrar.

SECTION 702. Preservation of Information; Communications to Holders.

The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 701 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 701 upon receipt of a new list so furnished.

The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and privileges of the Trustee, shall be as provided by the Trust Indenture Act.

Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 703. Reports by Trustee.

The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within 60 days after each May 15 following the date of this Indenture, deliver to Holders a brief report, dated as of such May 15, which complies with the provisions of such Section 313(a).

A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange, if any, upon which any Securities are listed, with the Commission and with the Company. The Company will notify the Trustee whenever any Securities are listed on any stock exchange and any delisting thereof.

SECTION 704. Reports by Company.

The Company shall:

(1) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of said Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents

and reports which may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(2) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(3) transmit by mail, to all Holders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company pursuant to Clauses (1) and (2) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

ARTICLE EIGHT

In case of any such consolidation, merger, conveyance, transfer or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate.

ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 901. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto or, if applicable, into agreements supplemental to any Guarantee, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities or, if applicable, to evidence the succession of another Person to the Guarantor and the assumption by any such successor of the Guarantor's obligations under any Guarantee (in either case with such changes herein and therein as may be necessary or advisable to reflect such Person's legal status, if such Person is not a corporation); or

(2) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee or to surrender any right or power herein conferred upon the Company; or

(3) to provide for the issuance under this Indenture of Securities in bearer form (including securities registrable as to principal only) and to provide for exchangeability of such Securities for Securities issued hereunder in fully registered form, and to make all appropriate changes for such purpose; or

(4) to establish the form or terms of Securities of any series as permitted by Sections 201 or 301; or

(5) to add to the covenants of the Company or the Guarantor for the benefit of the Holders of all Securities or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company or the Guarantor; or

(6) to add any additional Events of Default; or

(7) to secure the Securities; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee pursuant to the requirements of Section 611(b); or

(9) to cure any ambiguity, to correct or supplement any provision herein, in any Securities or in any Guarantee, which may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture as the

Company and the Trustee may deem necessary and desirable, provided that such action pursuant to this Clause (9) shall not adversely affect the interests of the Holders of Securities of any series in any material respect; or

(10) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture or any Guarantee under the Trust Indenture Act or otherwise as necessary to comply with applicable law; or

(11) to modify the provisions in Article Twelve of this Indenture with respect to the subordination of Outstanding Securities of any series in a manner not materially adverse to the Holders thereof; or

(12) to make any change that does not adversely affect the rights of any Holder in any material respect.

SECTION 902. Supplemental Indentures With Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture and, if applicable, the Guarantor and the Trustee may enter into an agreement or agreements supplemental hereto to add to or to change or eliminate any provisions of a Guarantee; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest payable on, any Outstanding Security, or reduce the principal amount of or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon redemption or would be provable in bankruptcy, or adversely affect any right of repayment of the Holder of any Security or change the Place of Payment or the coin or currency in which, any Outstanding Security or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date); or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences or reduce the quorum or voting requirements provided for in this Indenture; or

Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section and Section 1008, or the deletion of this proviso, in accordance with the requirements of Sections 611 and 901(8); or

(4) modify the provisions of Article Twelve of this Indenture with respect to the subordination of Outstanding Securities of any series in a manner materially adverse to the Holders thereof.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture, or a supplemental agreement which changes or eliminates any covenant or other provision of a Guarantee, which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, protections, privileges, indemnities, liabilities or immunities under this Indenture or otherwise.

SECTION 904. Effect of Supplemental Indentures.

SECTION 906. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE TEN

COVENANTS

SECTION 1001. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of, premium, if any, and interest on the Securities of that series in accordance with the terms of such Securities and this Indenture.

Unless otherwise specified as contemplated by Section 301, the Company shall pay interest on overdue amounts at the rate set forth in the first paragraph of the Securities, and it shall pay interest on overdue interest at the same rate (to the extent that the payment of such interest shall be legally enforceable), which interest on overdue interest shall accrue from the date such amounts became overdue.

SECTION 1002. Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, The City of New York and each other Place of Payment for any series, an office or agency where Securities of that series may be presented or surrendered for payment, and an office or agency where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company initially appoints the Trustee, acting through its Corporate Trust Office, as its agent for said purposes. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York and each other Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 1003. Money for Securities Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of or premium, if any, or interest on any of the Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, and any interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent, (2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities) in the making of any payment of principal (and premium, if any) or interest, and (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by the Company or any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money or U.S. Government Obligation (including the proceeds thereof and the interest thereon) deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company at its option on Company Request (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004. Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not, to the best knowledge of the signers thereof, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 1005. Existence.

Subject to Article Eight, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders.

SECTION 1006. Payment of Taxes.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all taxes, assessments and governmental charges levied or imposed upon the Company or any Restricted Subsidiary or upon the income, profits or

property of the Company or any Restricted Subsidiary, and lawful claims for labor, materials and supplies, which, if unpaid, might by law become a Lien upon the property of the Company or any Restricted Subsidiary; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment or governmental charge whose amount, applicability or validity is being contested in good faith by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Securities.

SECTION 1007. Limitation on Liens.

The Company will not, nor will it permit any Restricted Subsidiary, directly or indirectly, to, create, issue, assume, incur, or guarantee or become liable with respect to indebtedness for money borrowed if such indebtedness is secured by a Lien on any present or future common stock of any Restricted Subsidiary (whether such shares of common stock are now owned or hereafter acquired) without in any such case making or causing to be made effective a provision (and the Company covenants that in any such case it shall make or cause to be made effective such provision) whereby the Securities, will be secured equally and ratably with, or prior to, such indebtedness or guarantee; it being understood that in such event the Company may also so secure any other such indebtedness of the Company or such Restricted Subsidiary entitled thereto, subject to any applicable priority of payment.

SECTION 1008. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision, covenant or condition set forth in any covenant provided pursuant to Section 901(5) for the benefit of the Holders or in any of Sections 1006 and 1007, with respect to the Securities of any series if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

SECTION 1009. Calculation of Original Issue Discount.

The Company shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

SECTION 1101. Company's Right of Redemption.

Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series, and notwithstanding any additional redemption rights that may be so specified, the Company may, at its option, redeem the Securities of any series after their date of issuance in whole or in part at any time and from time to time, subject to the provisions of this Section 1101 and the other provisions of this Article Eleven. Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series, the redemption price for any Security so redeemed shall be equal to 100% of the principal amount of such Securities then Outstanding plus accrued and unpaid interest up to, but excluding, the date fixed for redemption; provided, however, that installments of accrued and unpaid interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

SECTION 1102. Applicability of Article.

Redemption of Securities, as permitted or required by any form of Security issued pursuant to this Indenture or the documentation providing therefor, shall be made in accordance with such form of Security or documentation and this Article Eleven; provided, however, that if any provision of any such form of Security or documentation shall conflict with any provision of this Article, the provision of such form of Security or documentation shall govern. Except as otherwise set forth in the form of Security for such series or such documentation, each Security shall be subject to partial redemption only in the amount of \$1,000 or integral multiples of \$1,000.

SECTION 1103. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company of the Securities of a series, the Company shall, at least 45 days but not more than 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities (a) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or (b) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction or condition.

SECTION 1104. Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities not previously called for redemption, by such method as the Trustee in its sole discretion shall deem fair and appropriate and which may provide for the selection for redemption of a portion of the principal amount of any Security, provided that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security. If less than all the Securities and of a specified tenor are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 45 days prior to the Redemption Date by the Trustee, from the Outstanding Securities and specified tenor not previously called for redemption in accordance with the preceding sentence.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption as aforesaid and, in the case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

The provisions of the two preceding paragraphs shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed. If the Company shall so direct, Securities registered in the name of the Company, any Affiliate or any Subsidiary thereof shall not be included in the Securities selected for redemption.

SECTION 1105. Notice of Redemption.

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at its address appearing in the Security Register. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest shall cease to accrue on the Securities.

All notices of redemption shall state:

(1) the Redemption Date;

(2) the Redemption Price, or if not then ascertainable, the manner of calculation thereof;

(3) if less than all the Outstanding Securities consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the Outstanding Securities consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed;

(4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date;

(5) the place or places where each such Security is to be surrendered for payment of the Redemption Price; and

(6) the CUSIP numbers, if any.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 1106. Deposit of Redemption Price.

Prior to 10:00 a.m. New York City time on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 1107. Securities Payable on Redemption Date.

Notice of redemption having been given pursuant to Section 1105, the Securities to be so redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company

shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear or accrue any interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with any accrued but unpaid interest to, but excluding, the Redemption Date; provided, however, that installments of accrued and unpaid interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 1108. Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE TWELVE

SUBORDINATION OF SECURITIES

SECTION 1201. Securities Subordinate to Senior Indebtedness.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the payment of the principal of (and premium, if any) and interest on each and all of the Securities are hereby expressly made subordinate in right of payment to the prior payment in full of all amounts then due and payable in respect of all Senior Indebtedness. Each Holder, by its acceptance hereof, waives all notice of acceptance of the subordination provisions contained herein by each holder of Senior Indebtedness, whether now outstanding or hereafter incurred and waives reliance by each such holder upon said provisions.

SECTION 1202. Payment Over Proceeds Upon Dissolution, Etc.

Upon any payment or distribution of assets to creditors upon any liquidation, dissolution, winding up, reorganization, assignment for the benefit of creditors, marshaling of assets or any bankruptcy, insolvency, debt restructuring or similar proceedings in connection with the Company's insolvency or bankruptcy (each such event, if any, herein sometimes referred to as a "Proceeding"), then the holders of Senior Indebtedness shall be entitled to receive payment in full of principal of (and premium, if any) and interest, if any, on such Senior Indebtedness, or provision shall be made for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Indebtedness, before the Holders of the Securities are entitled to receive or retain any payment or distribution of any kind or character, whether in cash, property or securities (including any payment or distribution which may be payable or deliverable by reason of the payment of any other Indebtedness of the Company (including any series of the Securities) subordinated to the payment of the Securities, such payment or distribution being hereinafter referred to as a "Junior Subordinated Payment"), on account of principal of (or premium, if any) or interest on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary and to that end the holders of Senior Indebtedness shall be entitled to receive, for application to the payment thereof, any payment or distribution of any kind or character, whether in cash, property or securities, including any Junior Subordinated Payment, which may be payable or deliverable in respect of the Securities in any such Proceeding.

In the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any Security shall have received any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including any Junior Subordinated Payment, before all Senior Indebtedness is paid in full or payment thereof is provided for in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Indebtedness, and if written notice thereof shall, at least three Business Days prior to the time of such payment or distribution, have been received by a Responsible Officer or, as the case may be, such Holder, then and in such event such payment or distribution shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment or distribution of assets of the Company for application to the payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness.

For purposes of this Article only, the words "any payment or distribution of any kind or character, whether in cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment which securities are subordinated in right of payment to all then outstanding Senior Indebtedness to substantially the same extent as the Securities are so subordinated

as provided in this Article. The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the sale of all or substantially all of its properties and assets as any entirety to another Person or the liquidation or dissolution of the Company following the sale of all or substantially all of its properties and assets as an entirety to another Person upon the terms and conditions set forth in Article Eight shall not be deemed a Proceeding for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires by sale such properties and assets as an entirety, as the case may be, shall, as a part of such consolidation, merger, or sale comply with the conditions set forth in Article Eight.

SECTION 1203. Prior Payment to Senior Indebtedness Upon Acceleration of Securities.

In the event that any Securities are declared due and payable before their Stated Maturity, then and in such event the holders of the Senior Indebtedness outstanding at the time such Securities so become due and payable shall be entitled to receive payment in full of all amounts due on or in respect of such Senior Indebtedness (including any amounts due upon acceleration), or provision shall be made for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Indebtedness, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character, whether in cash, properties or securities (including any Junior Subordinated Payment) by the Company on account of the principal of (or premium, if any) or interest on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with this Indenture or as otherwise specified as contemplated by Section 301 for the Securities of any series by delivering and crediting as contemplated by Section 301 for the Securities of any series Securities which have been acquired (upon redemption or otherwise) prior to such declaration of acceleration.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if written notice of such fact shall, at least three Business Days prior to the time of such payment, have been received by a Responsible Officer or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which Section 1202 would be applicable.

SECTION 1204. No Payment When Senior Indebtedness in Default.

In the event and during the continuation of any default in the payment of principal of (or premium, if any) or interest on any Senior Indebtedness, or in the event that any event of default with respect to any Senior Indebtedness shall have occurred and be

continuing and shall have resulted in such Senior Indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, unless and until such event of default shall have been cured or waived or shall have ceased to exist and such acceleration shall have been rescinded or annulled, or in the event any judicial proceeding shall be pending with respect to any such default in payment or such event of default, then no payment or distribution of any kind or character, whether in cash, properties or securities (including any Junior Subordinated Payment) shall be made by the Company on account of principal of (or premium, if any) or interest, if any, on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with this Indenture or as otherwise specified as contemplated by Section 301 for the Securities of any series by delivering and crediting pursuant to Section 1202 or as otherwise specified as contemplated by Section 301 for the Securities of any series Securities which have been acquired (upon redemption or otherwise) prior to such default in payment or event of default.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if written notice thereof shall, at least three Business Days or prior to the time of such payment, have been received by the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which Section 1202 would be applicable.

SECTION 1205. Payment Permitted If No Default.

Nothing contained in this Article or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time except during the pendency of any Proceeding referred to in Section 1202 or under the conditions described in Sections 1203 and 1204, from making payments at any time of principal of (and premium, if any) or interest on the Securities, or (b) the application by the Trustee of any money or Government Obligations deposited with it hereunder to the payment of or on account of the principal of (and premium, if any) or interest on the Securities or the retention of such payment by the Holders, if, at least three Business Days prior to the time of such application by the Trustee, a Responsible Officer did not have knowledge that such payment would have been prohibited by the provisions of this Article.

SECTION 1206. Subrogation to Rights of Holders of Senior Indebtedness.

Subject to the payment in full of all Senior Indebtedness, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Indebtedness, the Holders of the Securities shall be subrogated to the extent of

the payments or distributions made to the holders of such Senior Indebtedness pursuant to the provisions of this Article (equally and ratably with the holders of all indebtedness of the Company which by its express terms is subordinated to Senior Indebtedness of the Company to substantially the same extent as the Securities are subordinated to the Senior Indebtedness and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Indebtedness) to the rights of the holders of such Senior Indebtedness to receive payments and distributions of cash, property and securities applicable to the Senior Indebtedness until the principal of (and premium, if any) and interest on the Securities shall be paid in full. For purposes of such subrogation or assignment, no payments or distributions to the holders of the Senior Indebtedness of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article, and no payments over pursuant to the provisions of this Article to the holders of Senior Indebtedness by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Indebtedness, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Indebtedness.

SECTION 1207. Provisions Solely to Define Relative Rights.

The provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Indebtedness on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of (and premium, if any) and interest on the Securities as and when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Indebtedness; or (c) prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture including, without limitation, filing and voting claims in any Proceeding, subject to the rights, if any, under this Article of the holders of Senior Indebtedness to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 1208. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

SECTION 1209. No Waiver of Subordination Provisions.

No right of any present or future holder of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

SECTION 1210. Notice to Trustee.

The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with actual knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer shall have received written notice thereof from the Company or a holder of Senior Indebtedness or from any trustee, agent or representative therefor (whether or not the facts contained in such notice are true); provided, however, that if the Trustee shall not have received the notice provided for in this Section at least three Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, without limitation, the payment of the principal of (and premium, if any) or interest on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary which may be received by it within three Business Days prior to such date.

Subject to the provisions of Section 601, the Trustee shall be entitled to conclusively rely on the delivery to it of a written notice by a person representing himself to be a holder of Senior Indebtedness (or a trustee or agent on behalf of such holder) to establish that such notice has been given by a holder of Senior Indebtedness (or a trustee or agent on behalf of any such holder). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article, the Trustee may request such person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such person, the extent to which such person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such person under this Article, and if such evidence is not furnished, the Trustee may defer any payment which it may be required to make for the benefit of such person pursuant to the terms of this Indenture pending judicial determination as to the rights of such person to receive such payment.

SECTION 1211. Reliance on Judicial Order of Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee, subject to the provisions of Article Six, and the Holders of the Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article.

SECTION 1212. Trustee Not Fiduciary For Holders of Senior Indebtedness.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Indebtedness shall be entitled by virtue of this Article or otherwise.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article and no implied covenants or obligations with respect to holders of Senior Indebtedness shall be read into this Indenture against the Trustee.

SECTION 1213. Rights of Trustee as Holder of Senior Indebtedness; Preservation of Trustee's Rights.

The Trustee or any Authenticating Agent in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any Senior Indebtedness which may at any time be held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall deprive the Trustee or any Authenticating Agent of any of its rights as such holder.

Nothing in this Article shall apply to claims of, or payments to, the Trustee under or pursuant to Section 607.

SECTION 1214. Article Applicable to Paying Agents.

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents

and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee.

SECTION 1215. Certain Conversions or Exchanges Deemed Payment.

For the purposes of this Article only, (a) the issuance and delivery of junior securities upon conversion or exchange of Securities shall not be deemed to constitute a payment or distribution on account of the principal of (or premium, if any) or interest on securities or on account of the purchase or other acquisition of Securities, and (b) the payment, issuance or delivery of cash, property or securities (other than junior securities) upon conversion or exchange of a Security shall be deemed to constitute payment on account of the principal of such security. For the purposes of this Section, the term "junior securities" means (i) shares of any stock of any class of the Company and (ii) securities of the Company which are subordinated in right of payment to all Senior Indebtedness which may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Securities are so subordinated as provided in this Article.

ARTICLE THIRTEEN

DEFEASANCE AND COVENANT DEFEASANCE

SECTION 1301. Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option at any time, to have Section 1302 or Section 1303 applied to any Securities upon compliance with the conditions set forth below in this Article. Any such election shall be evidenced by a Board Resolution.

SECTION 1302. Defeasance and Discharge.

Upon the Company's exercise of its option (if any) to have this Section applied to any Securities, the Company shall be deemed to have been discharged from its obligations with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 1304 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Securities and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company and upon Company Request, shall execute proper instruments acknowledging the same), subject to the following, which shall survive until otherwise terminated or discharged hereunder: (1) the Company's obligations with respect to such Securities under Sections 304, 305, 306, 1002 and 1003; (2) the rights, powers, trusts, duties and immunities of the Trustee hereunder, including but not limited to those enumerated under Sections 601, 603 and 607; and (3) this Article. Subject to compliance with this Article, the Company may exercise its option (if any) to have this Section applied to any

Securities notwithstanding the prior exercise of its option (if any) to have Section 1303 applied to such Securities.

SECTION 1303. Covenant Defeasance.

Upon the Company's exercise of its option (if any) to have this Section applied to any Securities (1) the Company shall be released from its obligations under Sections 801, Sections 1006 and 1007, and any covenants provided pursuant to 901(5) for the benefit of the Holders of such Securities; and (2) the occurrence of any event specified in Sections 501(3) (with respect to any of Section 801, Sections 1006 and 1007, and any such covenants provided pursuant to Section 901(5)) shall be deemed not to be or result in an Event of Default, in each case with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 1304 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section (to the extent so specified in the case of Section 501(3)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

Notwithstanding any Covenant Defeasance with respect to Section 801, any Person that would otherwise have been required to assume the obligations of the Company pursuant to said Section shall be required, as a condition to any merger, consolidation, conveyance, transfer or lease contemplated thereby, to assume the obligations of the Company to the Trustee under Sections 607 and 1205.

SECTION 1304. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to the application of Section 1302 or Section 1303 to any Securities:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee which satisfies the requirements contemplated by Section 609 and agrees to comply with the provisions of this Article applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefits of the Holders of such Securities, (A) money in an amount, or (B) Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the

principal of and any premium and interest on such Securities on the respective Stated Maturities or on the Redemption Date, in accordance with the terms of this Indenture and such Securities.

(2) In the event of an election to have Section 1302 apply to any Securities, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in the case of either (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) In the event of an election to have Section 1303 apply to any Securities, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Securities or any other Securities shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 501(4) and (5), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

(5) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any indenture or other agreement or instrument for borrowed money to which the Company is a party or by which it is bound.

(6) Such Defeasance or Covenant Defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act unless such trust shall be registered under the Investment Company Act or exempt from registration thereunder.

(7) If such Securities are to be redeemed prior to Stated Maturity (other than from mandatory sinking fund payments or analogous payments), notice of such redemption shall have been duly given pursuant to this Indenture or provision therefor satisfactory to the Trustee shall have been made.

(8) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

SECTION 1305. Deposited Money and Government Obligations to Be Held in Trust; Miscellaneous Provisions.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations (including the proceeds thereof and the interest thereon) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 1306, the Trustee and any such other trustee are referred to collectively as the "Trustee") pursuant to Section 1304 in respect of any Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Obligations deposited pursuant to Section 1304 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities.

Anything in this Article to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or Government Obligations held by it as provided in Section 1304 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Securities.

SECTION 1306. Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article with respect to any Securities by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Securities from which the Company has been discharged or released pursuant to Section 1302 or 1303 shall be revived and reinstated as though no deposit had occurred pursuant to this Article with respect to such Securities, until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 1305 with respect to such Securities in accordance with this Article; provided, however, that if the Company makes any payment of principal of or any premium or interest on any such Security following such

reinstatement of its obligations, the Company shall be subrogated to the rights (if any) of the Holders of such Securities to receive such payment from the money so held in trust.

SECTION 1307. Qualifying Trustee.

Any trustee appointed pursuant to Section 1304 for the purpose of holding trust funds deposited pursuant to that Section shall be appointed under an agreement in form acceptable to the Trustee and shall provide to the Trustee a certificate of such trustee, upon which certificate the Trustee shall be entitled to conclusively rely, that all conditions precedent provided for herein to the related Defeasance or Covenant Defeasance have been complied with. In no event shall the Trustee be liable for any acts or omissions of said trustee.

SECTION 304. Temporary Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for that purpose without charge to the Holder. Upon surrender for

cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of the same series of authorized denominations having the same Original Issue Date and Stated Maturity and having the same terms as such temporary Securities. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

SECTION 305. Registration, Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. Such register is herein sometimes referred to as the "Securities Register." The Trustee is hereby appointed "Securities Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at the office or agency of the Company designated for that purpose the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series of any authorized denominations, of a like aggregate principal amount, of the same original Issue Date and Stated Maturity and having the same terms.

At the option of the Holder, Securities may be exchanged for other Securities of the same series of any authorized denominations, of a like aggregate principal amount, of the same Original Issue Date and Stated Maturity and having the same terms, upon surrender of the Securities to be exchanged at such office or agency. Whenever any securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such transfer or exchange.

Every Security presented or surrendered for transfer or exchange shall (if so required by the Company or the Securities Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or

other governmental charge that may be imposed in connection with any transfer or exchange of Securities, other than exchanges pursuant to Section 304, 906 or 1106.

Notwithstanding any of the foregoing, any Global Security of a series shall be exchangeable pursuant to this Section 305 for Securities registered in the names of Persons other than the Depositary for such Security or its nominee only if (i) such Depositary notifies the Company that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, (ii) the Company executes and delivers to the Trustee a Company Order that such Global Security shall be so exchangeable or (iii) there shall have occurred and be continuing an Event of Default with respect to the Securities of such series. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as such Depositary shall direct.

Notwithstanding any other provision in this Indenture, a Global Security may not be transferred except as a whole by the Depositary with respect to such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary.

Neither the Company nor the Trustee shall be required, pursuant to the provisions of this Section, (a) to issue, transfer or exchange any Security of any series during a period beginning at the opening of business 15 days before the day of selection for redemption of Securities pursuant to Article Eleven and ending at the close of business on the day of mailing of notice of redemption or (b) to transfer or exchange any Security so selected for redemption in whole or in part, except, in the case of any Security to be redeemed in part, any portion thereof not to be redeemed.

SECTION 306. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee together with such security or indemnity as may be required by the Company or the Trustee to save each of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same issue and series of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such mutilated Security, and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security, and (ii) such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the issuing Company shall execute and upon its request the Trustee

shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same issue and series of like tenor and principal amount, having the same Original Issue Date and Stated Maturity and bearing the same Interest Rate as such destroyed, lost or stolen Security, and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 307. Payment of Interest; Interest Rights Preserved.

Interest on any Security of any series which is payable, and is punctually paid or duly provided for, on any Interest Payment Date, shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest in respect of Securities of such series, except that, unless otherwise provided in the Securities of such series, interest payable on the Stated Maturity of a Security shall be paid to the Person to whom principal is paid. The initial payment of interest on any Security of any series which is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Security or in the Board Resolution pursuant to Section 301 with respect to the related series of Securities.

Any interest on any Security which is payable, but is not timely paid or duly provided for, on any Interest Payment Date for Securities of such series (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted

Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series in respect of which interest is in default (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Holder of a Security of such series at the address of such Holder as it appears in the Securities Register not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion, in the name and at the expense of the Company, cause a similar notice to be published at least once in a newspaper, customarily published in the English language on each Business Day and of general circulation in the [Borough of Manhattan, The City of New York], but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of the series in respect of which interest is in default may be listed and, upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Security shall

carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 308. Persons Deemed Owners.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and (subject to Section 307) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 309. Cancellation.

All Securities surrendered for payment, redemption, transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities and Securities surrendered directly to the Trustee for any such purpose shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Securities shall be destroyed by the Trustee and the Trustee shall deliver to the Company a certificate of such destruction.

SECTION 310. Computation of Interest.

Except as otherwise specified as contemplated by Section 301 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months and interest on the Securities of each series for any partial period shall be computed on the basis of the number of days elapsed in a 360-day year of twelve 30-day months.

SECTION 311. Deferrals of Interest Payment Dates.

If specified as contemplated by Section 301 with respect to the Securities of a particular series, the Company shall have the right, at any time during the term of such series, from time to time to extend the interest payment period for such Securities for such period or periods as may be specified as contemplated by Section 301 (each, an "Extension Period") during which periods the Company shall have the right to make partial payments of interest on any Interest Payment Date, and at the end of such Extension Period the Company shall pay all interest then accrued and unpaid thereon (together with Additional Interest thereon, if any, at the rate specified for the Securities of such series to the extent permitted by applicable law), provided, however, that during any

such Extension Period, the Company shall not, and shall cause any Subsidiary not to, (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock, or (ii) make any payment of principal, interest or premium, if any, on or repay, repurchase or redeem any debt securities that rank pari passu with or junior in interest to the Securities of such series or make any guarantee payments with respect to the foregoing (other than (a) dividends or distributions in common stock of the Company, (b) redemptions or purchases of any rights pursuant to the Company's Rights Plan, or any successor to such Rights Plan, and the declaration of a dividend of such rights in the future, and (c) payments under any Principal Guarantee). Prior to the termination of any such Extension Period, the Company may further extend the interest payment period, provided that such Extension Period together with all such previous and further extensions of such Extension Period shall not exceed the period or periods so specified or extend beyond the Maturity of such Securities. Upon termination of any Extension Period and upon the payment of all accrued and unpaid interest and any Additional Interest then due, the Company may select a new Extension Period, subject to the above requirements. No interest shall be due and payable during an Extension Period, except at the end thereof. The Company shall give the Holders of the Securities of such series and the Trustee notice of its selection of such Extension Period at least one Business Day prior to the Interest Payment Date or, with respect to the Securities of a series issued to a Principal Trust, prior to the earlier of (i) the date the Distributions on the Preferred Securities of such Principal Trust are payable or (ii) the date the Administrative Trustees of such Principal Trust are required to give notice to the New York Stock Exchange or other applicable self-regulatory organization or to holders of such Preferred Securities of the record date or the date such Distributions are payable, but in any event not less than one Business Day prior to such record date.

The Trustee shall promptly give notice of the Company's selection of such Extension Period to the Holders of the outstanding Securities of such series.

SECTION 312. Right of Set-Off.

With respect to the Securities of a series issued to a Principal Trust, notwithstanding anything to the contrary in the Indenture, the Company shall have the right to set-off any payment it is otherwise required to make thereunder in respect of any such Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a payment under the Principal Guarantee relating to such Security or a payment to any Holder of a corresponding series of Preferred Securities in connection with a suit instituted pursuant to Section 508.

SECTION 313. Agreed Tax Treatment.

Each Security issued hereunder shall provide that the Company and, by its acceptance of a Security or a beneficial interest therein, the Holder of, and any Person that acquires a beneficial interest in, such Security agree that for United States Federal, state and local tax purposes it is intended that such Security constitute indebtedness.

SECTION 314. Extension of Stated Maturity; Adjustment of Stated Maturity Upon an Exchange.

If specified as contemplated by Section 202 with respect to the Securities of a particular series, the Company shall have the right to (a) change the Maturity Date of the Securities of such series upon the liquidation of a Principal Trust and the exchange of such Securities for the Preferred Securities of such Principal Trust and (b) extend the Stated Maturity for the Securities of such series; provided, that at time any election to extend the Maturity Date is made and at the time of such extension, (i) the Company is not in bankruptcy, otherwise insolvent or in liquidation, (ii) the Company is not in default in the payment of any interest or principal on the Securities of such series and no deferred interest payments thereon have accrued, (iii) the applicable Principal Trust is not in arrears on payments of Distributions on its Preferred Securities and no deferred Distributions thereon are accumulated, (iv) the Securities are rated not less than [BBB- by Standard & Poor's Ratings Services or Baa3 by Moody's Investors Service, Inc.] or the equivalent by any other nationally recognized statistical rating organization and (v) the extended Stated Maturity is no later than the 49th anniversary of the initial issuance of the Preferred Securities of the applicable Principal Trust; provided, further, that, if the Company exercises its right to liquidate the Principal Trust and exchange the Securities of such series for the Preferred Securities of such Principal Trust as specified in clause (a) above, any changed Stated Maturity of the Securities of such series shall be no earlier than the date that is five years after the issuance of the Preferred Securities and no later than the date 30 years (plus an extended term of up to an additional 19 years if the above-referenced conditions are satisfied) after the date of the initial issuance of the Preferred Securities of the applicable Principal Trust.

SECTION 315. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE FOUR

Satisfaction and Discharge

SECTION 401. Satisfaction and Discharge of Indenture.

This Indenture shall cease to be of further effect (except as to (i) any surviving rights of transfer, substitution and exchange of Securities, (ii) rights hereunder of Holders to receive payments of principal of (and premium, if any) and interest on the Securities and other rights, duties and obligations of the Holders as beneficiaries hereof with respect to the amounts, if any, so deposited with the Trustee and (iii) the rights and obligations of the Trustee hereunder), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year of the date of deposit, and the Company, in the case of (i) or (ii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose an amount in the currency or currencies in which the Securities of such series are payable sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest (including any Additional Interest) to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 607 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003 shall survive.

SECTION 402. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 1003, all money deposited with the Trustee pursuant to Section 401 or money or Government Obligations deposited with the Trustee pursuant to Section 403, or received by the Trustee in respect of Government Obligations deposited with the Trustee pursuant to Section 403, shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money or obligations have been deposited with or received by the Trustee; provided, however, such moneys need not be segregated from other funds except to the extent required by law.

SECTION 403. Satisfaction, Discharge and Defeasance of Securities of Any Series.

Unless otherwise provided in the Board Resolution adopted pursuant to Section 301 establishing the terms of the Securities of any series, the Company shall be deemed to have paid and discharged the entire indebtedness on all the Outstanding Securities of any such series and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of such indebtedness, when

(1) with respect to all Outstanding Securities of such series,

(A) the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee as trust funds in trust for such purpose an amount sufficient to pay and discharge the entire indebtedness on all Outstanding Securities of such series for principal (and premium, if any) and interest (including any Additional Interest) to the Stated Maturity or any Redemption Date as contemplated by the penultimate paragraph of this Section 403, as the case may be; or

(B) the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee as obligations in trust for such purpose an amount of

Government Obligations as will, in the written opinion of independent public accountants delivered to the Trustee, together with predetermined and certain income to accrue thereon, without consideration of any reinvestment thereof, be sufficient to pay and discharge when due the entire indebtedness on all Outstanding Securities of such series for principal (and premium, if any) and interest (including any Additional Interest) to the Stated Maturity or any Redemption Date as contemplated by the penultimate paragraph of this Section 403, as the case may be; and

(2) the Company has paid or caused to be paid all other sums payable with respect to the Outstanding Securities of such series; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire indebtedness on all Outstanding Securities of any such series have been complied with.

Any deposits with the Trustee referred to in Section 403(i) above shall be irrevocable and shall be made under the terms of an escrow trust agreement in form and substance reasonably satisfactory to the Trustee. If any Outstanding Securities of such series are to be redeemed prior to their Stated Maturity, whether pursuant to any optional redemption provisions or in accordance with any mandatory sinking fund requirement, the applicable escrow trust agreement shall provide therefor and the Company shall make such arrangements as are satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company. If the Securities of such series are not to become due and payable at their Stated Maturity or upon call for redemption within one year of the date of deposit, then the Company shall give, not later than the date of such deposit, notice of such deposit to the Holders of Securities of such series.

Upon the satisfaction of the conditions set forth in this Section 403 with respect to all the Outstanding Securities of any series, the terms and conditions of such series, including the terms and conditions with respect thereto set forth in this Indenture, shall no longer be binding upon, or applicable to, the Company; provided, that the Company shall not be discharged from any payment obligations in respect of Securities of such series which are deemed not to be Outstanding under clause (iii) of the definition thereof if such obligations continue to be valid obligations of the Company under applicable law.

ARTICLE FIVE

Remedies

SECTION 501. Events of Default.

"Event of Default", wherever used herein with respect to the Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security of that series, including any Additional Interest in respect thereof, when it becomes due and payable, and continuance of such default for a period of 30 days (subject to the deferral of any due date in the case of an Extension Period); or

(2) default in the payment of the principal of (or premium, if any, on) any Security of that series at its Maturity; or

(3) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied; or

(4) the entry of a decree or order by a court having jurisdiction in the premises adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(5) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of any such petition

or to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a bankrupt, or the taking of corporate action by the Company in furtherance of any such action; or

(6) any other Event of Default with respect to Securities of that series.

SECTION 502. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 501(4) or 501(5)) with respect to Securities of any series at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if the Securities of that series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), provided that, in the case of the Securities of a series issued to a Principal Trust, if upon an Event of Default, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series fail to declare the principal of all the Securities of that series to be immediately due and payable, the holders of at least 25% in aggregate liquidation amount of the corresponding series of Preferred Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration such principal amount (or specified amount) of and the accrued interest (including any Additional Interest) on all the Securities of such series shall become immediately due and payable, provided that the payment of principal and interest (including any Additional Interest) on such Securities shall remain subordinated to the extent provided in Article Thirteen. If an Event of Default specified in Section 501(4) or 501(5) with respect to Securities at the time Outstanding occurs, the principal amount on all the Securities shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue installments of interest (including any Additional Interest) on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate borne by the Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Securities of that series, other than the non-payment of the principal of Securities of that series which has become due solely by such acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Upon receipt by the Trustee of written notice declaring such an acceleration, or rescission and annulment thereof, with respect to Securities of a series all or part of which is represented by a Global Security, a record date shall be established for determining Holders of Outstanding Securities of such series entitled to join in such notice, which record date shall be at the close of business on the day the Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day which is 90 days after such record date, such notice of declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice which has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 502.

SECTION 503. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any installment of interest (including any Additional Interest) on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (and premium, if any, on) any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, including any sinking fund payment or analogous obligations (and premium, if any) and interest (including any Additional Interest), including, to the extent that payment of such interest shall be lawful, interest on any overdue principal (and premium if any) and on any overdue installments of interest (including any Additional Interest) at the rate borne by the Securities; and, in addition thereto, all amounts owing the Trustee under Section 607.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 504. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors,

(a) the Trustee (irrespective of whether the principal of the Securities of any series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal (and premium, if any) or interest (including any Additional Interest)) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest (including any Additional Interest) owing and unpaid in respect to the Securities and to file such other papers or documents as may be necessary or advisable and to take any and all actions as are authorized under the Trust Indenture Act in order to have the claims of the Holders and any predecessor to the Trustee under Section 607 and of the Holders allowed in any such judicial proceedings; and

(ii) and in particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same in accordance with Section 506; and

(b) any custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee for distribution in accordance with Section 506, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it and any predecessor Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 505. Trustee May Enforce Claim Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of all the amounts owing the Trustee and any predecessor Trustee under Section 607, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 506. Application of Money Collected.

Any money or property collected or to be applied by the Trustee with respect to a series of Securities pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or property on account of principal (or premium, if any) or interest (including any Additional Interest), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee and any predecessor Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid upon such series of Securities for principal (and premium, if any) and interest (including any Additional Interest), in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such series of Securities for principal (and premium, if any) and interest (including any Additional Interest), respectively; and

THIRD: The balance, if any, to the Person or Persons entitled thereto.

SECTION 507. Limitation on Suits.

No Holder of any Securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or for the appointment of a receiver, assignee, trustee, liquidator, sequestrator (or other similar official) or for any other remedy hereunder, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 508. Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and (subject to Section 307) interest (including any Additional Interest) on such Security on the respective Stated Maturities expressed in such Security and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. In the case of Securities of a series issued to a Principal Trust, any holder of the corresponding series of Preferred Securities shall have the right upon the occurrence of an Event of Default described in Section 501(1) or 501(2) hereof, to institute a suit directly against the Company for enforcement of payment to such Holder of principal of (premium, if any) and (subject to Section 307) interest (including any Additional Interest) on the Securities having a principal amount equal to the aggregate liquidation preference of the Preferred Securities of the corresponding series held by such Holder.

SECTION 509. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510. Rights and Remedies Cumulative.

Except as otherwise provided in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511. Delay or Omission Not Waiver.

Except as otherwise provided in the last paragraph of Section 306, no delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein.

Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 512. Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that:

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) subject to the provisions of Section 601, the Trustee shall have the right to decline to follow such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

Upon receipt by the Trustee of any written notice directing the time, method or place of conducting any such proceeding or exercising any such trust or power, with respect to Securities of a series all or part of which is represented by a Global Security, a record date shall be established for determining Holders of Outstanding Securities of such series entitled to join in such notice, which record date shall be at the close of business on the day the Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that, unless the Holders of a majority in principal amount of the Outstanding Securities of such series shall have joined in such notice prior to the day which is 90 days after such record date, such notice shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new notice identical to a notice which has been canceled pursuant to the proviso to the preceding sentence, in

which event a new record date shall be established pursuant to the provisions of this Section 512.

SECTION 513. Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default:

(1) in the payment of the principal of (or premium, if any) or interest (including any Additional Interest) on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 514. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest (including any Additional Interest) on any Security on or after the respective Stated Maturities expressed in such Security.

SECTION 515. Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in

force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

SECTION 601. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct except that

(1) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of Holders pursuant to

Section 512 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 602. Notice of Defaults.

Within 90 days after actual knowledge by a Responsible Officer of the Trustee of the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit by mail to all Holders of Securities of such series, as their names and addresses appear in the Securities Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest (including any Additional Interest) on any Security of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of Securities of such series; and provided, further, that, in the case of any default of the character specified in Section 501(3), no such notice to Holders of Securities of such series shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 603. Certain Rights of Trustee.

Subject to the provisions of Section 601:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, Security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, indenture, Security or other paper or document, but the Trustee in its discretion may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 604. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of the Securities or the proceeds thereof.

SECTION 605. May Hold Securities.

The Trustee, any Paying Agent, Securities Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 608 and 613, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Securities Registrar or such other agent.

SECTION 606. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

SECTION 607. Compensation and Reimbursement.

The Company agrees

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amounts as the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee (including in its individual capacity) and its officers, directors and employees for, and to hold each harmless against, any loss, liability or expense (including the reasonable compensation and the expenses and disbursements of its agents and counsel) incurred without negligence or bad faith, arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. This indemnification shall survive the termination of this Agreement.

To secure the Company's payment obligations in this Section, the Company and the Holders agree that the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee. Such lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 501(4) or (5) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Reform Act of 1978 or a successor statute.

SECTION 608. Disqualification; Conflicting Interests.

The Trustee for the Securities of any series issued hereunder shall be subject to the provisions of Section 310(b) of the Trust Indenture Act. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

SECTION 609. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be

(a) a corporation organized and doing business under the laws of the United States of America or of any State, Territory or the District of Columbia, authorized under such laws to exercise corporate trust powers and subject to supervision or examination by Federal, State, Territorial or District of Columbia authority, or

(b) a corporation or other Person organized and doing business under the laws of a foreign government that is permitted to act as Trustee pursuant to a rule, regulation or order of the Commission, authorized under such laws to exercise corporate trust powers, and subject to supervision or examination by authority of such foreign government or a political subdivision thereof substantially equivalent to supervision or examination applicable to United States institutional trustees,

in either case having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then, for the purpose of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article. Neither the Company nor any Person directly or indirectly controlling, controlled by or under common control with the Company shall serve as Trustee for the Securities of any series issued hereunder.

SECTION 610. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 611.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 608 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall cease to be eligible under Section 609 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by Board Resolution may remove the Trustee, or (ii) subject to Section 514, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause with respect to the Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee with respect to the Securities of that or those series. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series

delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to the Securities of such series and supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, subject to Section 514, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of such series as their names and addresses appear in the Securities Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

SECTION 611. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee (if requested by the Company) and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to

the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all rights, powers and trusts referred to in paragraph (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 612. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated, and in case any Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor Trustee or in the name of such successor Trustee, and in all cases the certificate of authentication shall have the full force which it is provided anywhere in the Securities or in this Indenture that the certificate of the Trustee shall have.

SECTION 613. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

SECTION 614. Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer or partial redemption thereof, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, or of any State, Territory or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of an Authenticating Agent shall be the successor Authenticating Agent hereunder, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent

and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give notice of such appointment in the manner provided in Section 106 to all Holders of Securities of the series with respect to which such Authenticating Agent will serve. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provision of this Section.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section, and the Trustee shall be entitled to be reimbursed for such payments, subject to the provisions of Section 607.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities referred to in the within mentioned Indenture.

SECTION 801. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into any other corporation or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and no Person shall consolidate with or merge into the Company or convey, transfer or lease its properties and assets substantially as an entirety to the Company, unless:

(1) in case the Company shall consolidate with or merge into another corporation or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the corporation formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Company substantially as an entirety shall be a corporation organized and existing under the laws of the United States of America or any State or the District of Columbia, and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest (including any Additional Interest) on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(2) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have happened and be continuing;

(3) in the case of the Securities of a series issued to a Principal Trust, such consolidation, merger, conveyance, transfer or lease is permitted under the related Trust Agreement and Principal Guarantee and does not give rise to any breach or violation of the related Trust Agreement or Principal Guarantee; and

(4) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance, transfer or lease and any such supplemental indenture complies with this Article and that all

conditions precedent herein provided for relating to such transaction have been complied with; and the Trustee, subject to Section 601, may rely upon such Officers' Certificate and opinion of Counsel as conclusive evidence that such transaction complies with this Section 801.

SECTION 802. Successor Corporation Substituted.

Upon any consolidation or merger by the Company with or into any other corporation, or any conveyance, transfer or lease by the Company of its properties and assets substantially as an entirety to any Person in accordance with Section 801, the successor corporation formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor corporation had been named as the Company herein; and in the event of any such conveyance, transfer or lease the Company shall be discharged from all obligations and covenants under the Indenture and the Securities and may be dissolved and liquidated.

Such successor corporation may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication pursuant to such provisions and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee on its behalf for the purpose pursuant to such provisions. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof.

In case of any such consolidation, merger, sale, conveyance or lease, such changes in phraseology and form may be made in the Securities thereafter to be issued as may be appropriate.

ARTICLE NINE

Supplemental Indentures

SECTION 901. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto or, if applicable, into agreements supplemental to any PFSI Guarantee, in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Securities or, if applicable, to evidence the succession of another Person to the Guarantor and the assumption by any such successor of the Guarantor's obligations under any PFSI Guarantee (in either case with such changes herein and therein as may be necessary or advisable to reflect such Person's legal status, if such Person is not a corporation); or

(2) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee or to surrender any right or power herein conferred upon the Company; or

(3) to establish the form or terms of Securities of any series as permitted by Sections 201 or 301; or

(4) to add to the covenants of the Company or the Guarantor for the benefit of the Holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company or the Guarantor; or

(5) to add any additional Events of Default; or

(6) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall become effective only when there is no Security Outstanding of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision; or

(7) to cure any ambiguity, to correct or supplement any provision herein, in any Securities or in any PFSI Guarantee, which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, provided that such action pursuant to this clause (7) shall not materially adversely affect the interest of the Holders of Securities of any series or, in the case of the Securities of a series issued to a Principal Trust and for so long as any of the corresponding series of Preferred Securities shall remain outstanding, the holders of such Preferred Securities; or

(8) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or

change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 611(b); or

(9) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture or any PFSI Guarantee under the Trust Indenture Act or otherwise as necessary to comply with applicable law.

SECTION 902. Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture and, if applicable, the Guarantor and the Trustee may enter into an agreement or agreements supplemental hereto to add to or to change or eliminate any provisions of a PFSI Guarantee; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) except to the extent permitted by Section 311 or as otherwise specified as contemplated by Section 301 with respect to the extension of the interest payment period of the Securities of any series, change the Stated Maturity of the principal of, or any installment of interest (including any Additional Interest) on, any Security, or reduce the principal amount thereof or the rate of interest thereon or reduce any premium payable upon the redemption thereof, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 502, or change the place of payment where, or the coin or currency in which, any Security or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the date fixed for redemption thereof), or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section, Section 513 or Section 1006, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security affected thereby; or

(4) modify the provisions in Article Thirteen of this Indenture with respect to the subordination of Outstanding Securities of any series in a manner adverse to the Holders thereof;

provided that, in the case of the Securities of a series issued to a Principal Trust, so long as any of the corresponding series of Preferred Securities remains outstanding, no such amendment shall be made that adversely affects the holders of such Preferred Securities, and no termination of this Indenture shall occur, and no waiver of any Event of Default or compliance with any covenant under this Indenture shall be effective, without the prior consent of the holders of at least a majority of the aggregate liquidation preference of such Preferred Securities then outstanding unless and until the principal (and premium, if any) of the Securities of such series and all accrued and unpaid interest (including any Additional Interest) thereon have been paid in full; and provided further that in the case of the Securities of a series issued to a Principal Trust, so long as any of the corresponding series of Preferred Securities remain outstanding, no amendment shall be made to Section 508 of this Indenture without the prior consent of the holders of each Preferred Security then outstanding unless and until the principal (and premium, if any) of the Securities of such series and all accrued and (subject to Section 307) unpaid interest (including any Additional Interest) thereon have been paid in full.

A supplemental indenture that changes or eliminates any covenant or other provision of this Indenture, or a supplemental agreement which changes or eliminates any covenant or other provision of a PFSI Guarantee, that has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903. Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture, and that all conditions precedent have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 904. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 905. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 906. Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE TEN

Covenants

SECTION 1001. Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of each series of securities that it will duly and punctually pay the principal of (and premium, if any) and interest on the Securities of that series in accordance with the terms of such Securities and this Indenture.

SECTION 1002. Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series, an office or agency where Securities of that series may be presented or surrendered for payment and an office or agency where Securities may be surrendered for transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company initially appoints the Trustee, acting through its Corporate Trust Office, as its agent for said purposes. The Company will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Company shall fail to maintain such office or agency or shall fail to

furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all of such purposes, and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation and any change in the location of any such office or agency.

SECTION 1003. Money for Security Payments to be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of (and premium, if any) or interest on any of the Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal and premium (if any) or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities) in the making of any payment of principal (and premium, if any) or interest;

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(4) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by the Company or any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on any Security and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be paid on Company Request to the Company, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the [Borough of Manhattan, The City of New York], notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid the Company.

SECTION 1004. Payment of Taxes and Other Claims.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Company or any Restricted Subsidiary or upon the income, profits or property of the Company or any Restricted Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Company or any Restricted Subsidiary; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any

such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 1005. Statement as to Compliance.

The Company shall deliver to the Trustee, within 120 days after the end of each calendar year of the Company ending after the date hereof, an Officers' Certificate covering the preceding fiscal year, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance, observance or fulfillment of or compliance with any of the terms, provisions, covenants and conditions of this Indenture, and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge. For the purpose of this Section 1005, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

SECTION 1006. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any covenant or condition set forth in Section 1004 or as specified as contemplated by Section 301 with respect to the Securities of any series, if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

SECTION 1007. Additional Sums.

In the case of the Securities of a series issued to a Principal Trust, except as otherwise specified as contemplated by Section 301, in the event that (i) a Principal Trust is the Holder of all of the Outstanding Securities of such series, (ii) a Tax Event in respect of such Principal Trust shall have occurred and be continuing and (iii) the Company shall not have (i) redeemed the Securities of such series pursuant to Section 1107(b) or (ii) terminated such Principal Trust pursuant to section 902(b) of the related Trust Agreement, the Company shall pay to such Principal Trust (and its permitted successors or assigns under the related Trust Agreement) for so long as such Principal Trust (or its permitted successor or assignee) is the registered holder of any Securities of such series, such additional amounts as may be necessary in order that the amount of distributions (including any Additional Amounts (as defined in the Trust Agreement)) then due and payable by such Principal Trust on the related Preferred Securities and Common Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any Additional Taxes (the "Additional Sums"); provided

that, if this Indenture has not been qualified under the Trust Indenture Act, the Company shall be required to pay such Additional Sums until this Indenture is so qualified. Whenever in this Indenture or the Securities there is a reference in any context to the payment of principal of or interest on the Securities, such mention shall be deemed to include mention of the payments of the Additional Sums provided for in this paragraph to the extent that, in such context, Additional Sums are, were or would be payable in respect thereof pursuant to the provisions of this paragraph and express mention of the payment of Additional Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Sums in those provisions hereof where such express mention is not made, provided, however, that the extension of an interest payment period pursuant to Section 311 of the Securities shall not extend the payment of any Additional Sums that may be due and payable during such interest payment period.

SECTION 1008. Additional Covenants.

The Company covenants and agrees with each Holder of Securities of a series issued to a Principal Trust that it will not, and it will not permit any Subsidiary of the Company to, (a) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any shares of the Company's capital stock, or (b) make any payment of principal, interest or premium, if any, on or repay, repurchase or redeem any debt securities that rank pari passu with or junior to the Securities of such series or make any guarantee payments with respect to the foregoing (other than (a) dividends or distributions in common stock of the Company, (b) redemptions or purchases of any rights pursuant to the Company's Rights Plan, or any successor to such Rights Plan, and the declaration of a dividend of such rights in the future, and (c) payments under any Principal Guarantee) if at such time (i) there shall have occurred any event of which the Company has actual knowledge that (a) with the giving of notice or the lapse of time or both, would constitute an Event of Default hereunder and (b) in respect of which the Company shall not have taken reasonable steps to cure, (ii) the Company shall be in default with respect to its payment of any obligations under the related Principal Guarantee or (iii) the Company shall have given notice of its selection of an Extension Period as provided herein and shall not have rescinded such notice, or such period, or any extension thereof, shall be continuing.

The Company also covenants with each Holder of Securities of a series issued to a Principal Trust (i) to maintain directly or indirectly 100% ownership of the Common Securities of such Principal Trust; provided, however, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities, (ii) not to voluntarily terminate, wind-up or liquidate such Principal Trust, except (a) in connection with a distribution of the Securities of such series to the holders of Preferred Securities in liquidation of such Principal Trust or (b) in connection with certain mergers, consolidations or amalgamations permitted by the related Trust Agreement and (iii) to use its reasonable efforts, consistent with the terms and provisions

of such Trust Agreement, to cause such Principal Trust to remain a business trust and not to be classified as an association taxable as a corporation for United States federal income tax purposes.

ARTICLE ELEVEN

Redemption of Securities

SECTION 1101. Applicability of This Article.

Redemption of Securities (whether by operation of a sinking fund or otherwise) as permitted or required by any form of Security issued pursuant to this Indenture shall be made in accordance with such form of Security and this Article; provided, however, that if any provision of any such form of Security shall conflict with any provision of this Article, the provision of such form of Security shall govern. Except as otherwise set forth in the form of Security for such series, each Security shall be subject to partial redemption only in the amount of \$25 or, in the case of the Securities of a series issued to a Principal Trust, \$25, or integral multiples thereof.

SECTION 1102. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company of less than all of the Securities of any particular series and having the same terms, the Company shall, not less than 30 nor more than 60 days prior to the date fixed for redemption (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such date and of the principal amount of Securities of that series to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities, the Company shall furnish the Trustee with an Officers' Certificate and an Opinion of Counsel evidencing compliance with such restriction.

SECTION 1103. Selection of Securities to be Redeemed.

If less than all the Securities of a particular series and having the same terms are to be redeemed, the Trustee shall select, not more than 60 days prior to the date fixed for redemption, in such manner as in its sole discretion it shall deem appropriate and fair, the Securities or portions thereof of such series to be redeemed. The Trustee shall promptly notify the Company in writing of the Securities selected for partial redemption and the principal amount thereof to be redeemed. For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed. If the

Company shall so direct, Securities registered in the name of the Company, any Affiliate or any Subsidiary thereof shall not be included in the Securities selected for redemption.

SECTION 1104. Notice of Redemption.

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not later than the thirtieth day, and not earlier than the sixtieth day, prior to the date fixed for redemption, to each Holder of Securities to be redeemed, at the address of such Holder as it appears in the Securities Register.

With respect to Securities of each series to be redeemed, each notice of redemption shall state:

(a) the date fixed for redemption for Securities of such series;

(b) the redemption price at which Securities of such series are to be redeemed;

(c) if less than all Outstanding Securities of such particular series and having the same terms are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the particular Securities to be redeemed;

(d) that on the date fixed for redemption, the redemption price at which such Securities are to be redeemed will become due and payable upon each such Security or portion thereof, and that interest thereon, if any, shall cease to accrue on and after said date;

(e) the place or places where such Securities are to be surrendered for payment of the redemption price at which such Securities are to be redeemed; and

(f) that the redemption is for a sinking fund, if such is the case.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, a failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

SECTION 1105. Deposit of Redemption Price.

Prior to the redemption date specified in the notice of redemption given as provided in Section 1104, the Company will deposit with the Trustee or with one or more

paying agents an amount of money sufficient to redeem on the redemption date all the Securities so called for redemption at the applicable redemption price.

SECTION 1106. Payment of Securities Called for Redemption.

If any notice of redemption has been given as provided in Section 1104, the Securities or portion of Securities with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable redemption price. On presentation and surrender of such Securities at a place of payment in said notice specified, the said securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price.

Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented and having the same Original Issue Date, Stated Maturity and terms. If a Global Security is so surrendered, such new Security will also be a new Global Security.

SECTION 1107. Company's Right of Redemption.

(a) Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series and notwithstanding any additional redemption rights that may be so specified, the Company may, at its option, redeem the Securities of any series after their date of issuance in whole or in part at any time and from time to time, subject to the provisions of this clause (a) and the other provisions of this Article Eleven. Unless otherwise specified as contemplated by Section 301 with respect to the Securities of a particular series, the redemption price for any Security so redeemed pursuant to this clause (a) shall equal any accrued and unpaid interest, including any Additional Interest, to the date fixed for redemption, plus the greater of (a) the principal amount thereof and (b) an amount equal to (i) in respect of the Securities of any series bearing interest at a fixed rate, the Discounted Remaining Fixed Amount Payments or (ii) in respect of the Securities of any series bearing interest determined by reference to a floating rate, the Discounted Swap Equivalent Payments. The Company shall not redeem the Securities in part unless all accrued and unpaid interest (including any Additional Interest) has been paid in full on all Securities Outstanding for all interest periods terminating on or prior to the date fixed for redemption. For purposes of this clause (a), the following terms shall have the meanings set forth below:

"Discounted Remaining Fixed Amount Payments" means, in respect of a Security of any series bearing interest at a fixed rate, an amount equal to the sum of the Current Values of the amounts of interest and principal that would have been payable by the

Company pursuant to the terms of such Security on each Interest Payment Date after the date fixed for redemption pursuant to this Section 1107 and at the Stated Maturity of the final payment of principal thereof (taking into account any required sinking fund payments but otherwise assuming that the Company had not redeemed such Security prior to such Stated Maturity).

"Current Value" means, in respect of any amount, the present value of that amount on the date fixed for redemption pursuant to this Section 1107 after discounting that amount on a basis corresponding to the interest period of the Securities to be redeemed from the originally scheduled date for payment on the basis of the Treasury Rate, all computed in accordance with generally accepted financial practice.

"Treasury Rate" means a per annum rate (expressed as a decimal and, in the case of United States Treasury bills, converted to a per annum yield) determined on the date fixed for redemption pursuant to this Section 1107 to be the per annum rate equal to the semiannual bond equivalent yield to maturity adjusted, in the case of Securities having monthly or quarterly Interest Payment Dates, to reflect monthly or quarterly compounding in accordance with generally accepted financial practice for United States Treasury securities maturing at the Stated Maturity of the final payment of principal of any series of Securities redeemed pursuant to this Section 1107, as determined (i) by reference to the weekly average yield to maturity for United States Treasury securities maturing on such Stated Maturity as reported in the most recent Statistical Release H.15(519) of the Board of Governors of the Federal Reserve, or (ii) if no such weekly average yield is so reported, by interpolation between the most recent weekly average yields to maturity for two series of United States Treasury securities, (a) one maturing as close as possible to, but earlier than, such Stated Maturity and (b) the other maturing as close as possible to, but later than, such Stated Maturity, in each case as published in the most recent Statistical Release H.15(519) of the Board of Governors of the Federal Reserve.

"Discounted Swap Equivalent Payments" means, in respect of a Security of any series bearing interest determined by reference to a floating rate, an amount equal to the sum of (i) the Current Value of the amount of principal that would have been payable by the Company pursuant to the terms of such Security at the Stated Maturity of the final payment of the principal thereof (taking into effect any required sinking fund payments but otherwise assuming that the Company had not redeemed such Security prior to such Stated Maturity) and (ii) the sum of the Current Values of the fixed rate payments that Reference Market-Makers would require to be paid by an assumed fixed rate payer having the same credit standing as the Company against floating rate payments to be made by such Reference Market-Makers equal to the interest payments on the Security being redeemed (taking into effect any required sinking fund payments but otherwise assuming the Company had not redeemed such Security prior to such Stated Maturity) under an interest rate swap agreement documented under standard forms of the

International Swap Dealers Association, Inc., and having a notional principal amount equal to the principal amount of such Security, a termination date set at the Stated Maturity of such Security and payment dates for both fixed and floating rate payers set at each Interest Payment Date of such Security. The Trustee (or its agent) will request each Reference Market-Maker to provide its quotation of such fixed rate payments to the extent practicable as of the same time (without regard to different time zones) on a date that is no more than five Business Days prior to the date on which the notice of redemption required by Section 1104 is first mailed to the Holders of the Securities being redeemed. If more than three such quotations are provided, the fixed rate payments will be the arithmetic mean of the dollar equivalent of such quotations without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the fixed rate payments will be the quotation remaining after disregarding the quotations having the highest and lowest values.

"Reference Market-Makers" means four leading dealers in the market for interest rate swaps selected by the Trustee (or its agent) in good faith from among dealers of the highest credit standing which satisfy all the criteria that the Trustee (or its agent) applies generally at the time in deciding whether to offer or to make an extension of credit or, if quotations from four such leading dealers are not reasonably obtainable, three such leading dealers.

(b) In the case of the Securities of a series issued to a Principal Trust, except as otherwise specified as contemplated by Section 301, if a Special Event in respect of such Principal Trust shall occur and be continuing, the Company may, at its option, redeem the Securities of such series, in whole but not in part, subject to the provisions of this clause (b) and the other provisions of this Article Eleven. The redemption price for any Security so redeemed pursuant to this clause (b) shall be equal to 100% of the principal amount of such Securities then Outstanding plus accrued and unpaid interest, including any Additional Interest, to the date fixed for redemption.

Notwithstanding any other provision of this Article 11, installments of accrued and unpaid interest whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of the series of Securities to be redeemed, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 307.

ARTICLE TWELVE

Subordination of Securities

SECTION 1201. Securities Subordinate to Senior Debt.

The Company covenants and agrees, and each Holder of a Security, by its acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the payment of the principal of (and premium, if any) and interest (including any Additional Interest) on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all amounts then due and payable in respect of all Senior Debt.

SECTION 1202. Payment Over of Proceeds Upon Dissolution, Etc.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company (each such event, if any, herein sometimes referred to as a "Proceeding"), then the holders of Senior Debt shall be entitled to receive payment in full of principal of (and premium, if any) and interest, if any, on such Senior Debt, or provision shall be made for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, before the Holders of the Securities are entitled to receive or retain any payment or distribution of any kind or character, whether in cash, property or securities (including any payment or distribution which may be payable or deliverable by reason of the payment of any other Debt of the Company (including any series of the Securities) subordinated to the payment of the Securities, such payment or distribution being hereinafter referred to as a "Junior Subordinated Payment"), on account of principal of (or premium, if any) or interest (including any Additional Interest) on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary and to that end the holders of Senior Debt shall be entitled to receive, for application to the payment thereof, any payment or distribution of any kind of character, whether in cash, property or securities, including any Junior Subordinated Payment, which may be payable or deliverable in respect of the Securities in any such Proceeding.

In the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any Security shall have received any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including any Junior Subordinated Payment, before all Senior Debt is paid in full or payment thereof is provided for in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, and if such fact shall, at or prior to the time of such payment or distribution, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment or distribution shall be paid over or

delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment or distribution of assets of the Company for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all Senior Debt in full, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt.

For purposes of this Article only, the words "any payment or distribution of any kind or character, whether in cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment which securities are subordinated in right of payment to all then outstanding Senior Debt to substantially the same extent as the Securities are so subordinated as provided in this Article. The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the sale of all or substantially all of its properties and assets as an entirety to another Person or the liquidation or dissolution of the Company following the sale of all or substantially all of its properties and assets as an entirety to another Person upon the terms and conditions set forth in Article Eight shall not be deemed a Proceeding for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires by sale such properties and assets as an entirety, as the case may be, shall, as a part of such consolidation, merger, or sale comply with the conditions set forth in Article Eight.

SECTION 1203. Prior Payment to Senior Debt Upon Acceleration of Securities.

In the event that any Securities are declared due and payable before their Stated Maturity, then and in such event the holders of the Senior Debt outstanding at the time such Securities so become due and payable shall be entitled to receive payment in full of all amounts due on or in respect of such Senior Debt (including any amounts due upon acceleration), or provision shall be made for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character, whether in cash, properties or securities (including any Junior Subordinated Payment) by the Company on account of the principal of (or premium, if any) or interest (including any Additional Interest) on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with this Indenture or as otherwise specified as contemplated by Section 301 for the Securities of any series by delivering and crediting as contemplated by Section 301 for the Securities of any series Securities which have been acquired (upon redemption or otherwise) prior to such declaration of acceleration.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which Section 1202 would be applicable.

SECTION 1204. No Payment When Senior Debt in Default.

(a) In the event and during the continuation of any default in the payment of principal of (or premium, if any) or interest on any Senior Debt, or in the event that any event of default with respect to any Senior Debt shall have occurred and be continuing and shall have resulted in such Senior Debt becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, unless and until such event of default shall have been cured or waived or shall have ceased to exist and such acceleration shall have been rescinded or annulled, or (b) in the event any judicial proceeding shall be pending with respect to any such default in payment or such event or default, then no payment or distribution of any kind or character, whether in cash, properties or securities (including any Junior Subordinated Payment) shall be made by the Company on account of principal of (or premium, if any) or interest (including any Additional Interest), if any, on the Securities or on account of the purchase or other acquisition of Securities by the Company or any Subsidiary; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with this Indenture or as otherwise specified as contemplated by Section 301 for the Securities of any series by delivering and crediting pursuant to Section 1202 or as otherwise specified as contemplated by Section 301 for the Securities of any series Securities which have been acquired (upon redemption or otherwise) prior to such default in payment or event of default.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which Section 1202 would be applicable.

SECTION 1205. Payment Permitted If No Default.

Nothing contained in this Article or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time except during the pendency of any Proceeding referred to in Section 1202 or under the conditions described in Sections 1203 and 1204, from making payments at any time of principal of (and premium, if any) or interest on the Securities, or (b) the application by the Trustee of any money or Government Obligations deposited with it hereunder to the payment of or on account of the principal of (and premium, if any) or interest (including any Additional Interest) on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge that such payment would have been prohibited by the provisions of this Article.

SECTION 1206. Subrogation to Rights of Holders of Senior Debt.

Subject to the payment in full of all Senior Debt, or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article (equally and ratably with the holders of all indebtedness of the Company which by its express terms is subordinated to Senior Debt of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation by reason of any payments or distributions made to holders of such Senior Debt) to the rights of the holders of such Senior Debt to receive payments and distributions of cash, property and securities applicable to the Senior Debt until the principal of (and premium, if any) and interest on the Securities shall be paid in full. For purposes of such subrogation or assignment, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article, and no payments over pursuant to the provisions of this Article to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

SECTION 1207. Provisions Solely to Define Relative Rights.

The provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as between the Company and the Holders of the Securities, the obligations of the Company, which are absolute and unconditional, to pay to the Holders of the Securities the principal of (and premium, if any) and interest (including any Additional Interest) on the Securities as and

when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than their rights in relation to the holders of Senior Debt; or (c) prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture including, without limitation, filing and voting claims in any Proceeding, subject to the rights, if any, under this Article of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 1208. Trustee to Effectuate Subordination.

Each Holder of a Security by his or her acceptance thereof authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination provided in this Article and appoints the Trustee his or her attorney-in-fact for any and all such purposes.

SECTION 1209. No Waiver of Subordination Provisions.

No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or be otherwise charged with.

SECTION 1210. Notice to Trustee.

The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor (whether or not the facts contained in such notice are true); provided, however, that if the Trustee shall not have received the notice provided for in this Section at least two Business Days prior to the date upon which by the terms hereof any monies may become payable for any purpose (including, without limitation, the payment of the principal of (and premium, if any) or interest (including any Additional Interest) on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received and shall not be

affected by any notice to the contrary which may be received by it within two Business Days prior to such date.

SECTION 1211. Reliance on Judicial Order or Certificate of Liquidating Agent.

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee, subject to the provisions of Article Six, and the Holders of the Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such Proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article.

SECTION 1212. Trustee Not Fiduciary for Holders of Senior Debt.

The Trustee, in its capacity as trustee under this Indenture, shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article or otherwise.

SECTION 1213. Rights of Trustee as Holder of Senior Debt; Preservation of Trustee's Rights.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any Senior Debt which may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

SECTION 1214. Article Applicable to Paying Agents.

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee.

SECTION 1215. Certain Conversions or Exchanges Deemed Payment.

For the purposes of this Article only, (a) the issuance and delivery of junior securities upon conversion or exchange of Securities shall not be deemed to constitute a payment or distribution on account of the principal of (or premium, if any) or interest (including any Additional Interest) on Securities or on account of the purchase or other acquisition of Securities, and (b) the payment, issuance or delivery of cash, property or securities (other than junior securities) upon conversion or exchange of a Security shall be deemed to constitute payment on account of the principal of such security. For the purposes of this Section, the term "junior securities" means (i) shares of any stock of any class of the Company and (ii) securities of the Company which are subordinated in right of payment to all Senior Debt which may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Securities are so subordinated as provided in this Article.

TRUST AGREEMENT

This TRUST AGREEMENT, dated as of _____, 200_, between Principal Financial Group, Inc., a Delaware corporation, as "Depositor" and _____, a _____ as "Trustee". The Depositor and the Trustee hereby agree as follows:

1. The trust created hereby shall be known as _____, in which name the Trustee, or the Depositor to the extent provided herein, may conduct the business of the Trust, make and execute contracts, and sue and be sued.

2. The Depositor hereby assigns, transfers, conveys and sets over to the Trustee the sum of \$10. The Trustee hereby acknowledges receipt of such amount in trust from the Depositor, which amount shall constitute the initial trust estate. The Trustee hereby declares that it will hold the trust estate in trust for the Depositor. It is the intention of the parties hereto that the Trust created hereby constitute a statutory trust under Chapter 38 of Title 12 of the Delaware Code, 12 Del. C. Section 3801 et seq. (the "Statutory Trust Act"), and that this document constitutes the governing instrument of the Trust. The Trustee is hereby authorized and directed to execute and file a certificate of trust with the Delaware Secretary of State in accordance with the provisions of the Statutory Trust Act.

3. The Depositor and the Trustee will enter into an amended and restated Trust Agreement, satisfactory to each such party and substantially in the form included as an exhibit to the 1933 Act Registration Statement (as defined below), to provide for the contemplated operation of the Trust created hereby and the issuance of the Preferred Securities and Common Securities referred to therein. Prior to the execution and delivery of such amended and restated Trust Agreement, the Trustee shall not have any duty or obligation hereunder or with respect to the trust estate, and the Depositor shall take or cause to be taken any action as may be required to obtain any licenses, consents or approvals required by applicable law or otherwise. Notwithstanding the foregoing, the Trustee may take all actions requested by the Depositor which the Depositor deems necessary, convenient or incidental to effect the transactions contemplated herein. Except as otherwise expressly required by Section 2 herein, the Trustee shall not have any duty or obligation under or in connection with this Trust Agreement or any document contemplated hereby, including, without limitation, with respect to the administration of the Trust, and no implied duties or obligations shall be inferred from or read into this Trust Agreement against or with respect to the Trustee. The Trustee has no duty or obligation to supervise or monitor the performance of, or compliance with this Trust Agreement, by the Depositor or any other beneficiaries, any agents or attorneys-in-fact of the Depositor, or any other trustee of the Trust. The Trustee shall not be liable for the acts or omissions of the Depositor or any other beneficiaries, any agents or attorneys-in-fact of the Depositor, or any other trustee of the Trust nor shall

the Trustee be liable for any act or omission by it in good faith in accordance with the directions of the Depositor. The right of the Trustee to perform any discretionary act enumerated herein shall not be construed as a duty.

4. The Depositor is hereby authorized, (i) to file with the Securities and Exchange Commission (the "Commission") and execute, in each case on behalf of the Trust, (a) the Registration Statement on Form S-3 (the "1933 Act Registration Statement"), including any pre-effective or post-effective amendments to such 1933 Act Registration Statement (including the prospectus and the exhibits contained therein), relating to the registration under the Securities Act of 1933, as amended, of the Preferred Securities of the Trust and certain other securities and (b) a Registration Statement on Form 8-A (the "1934 Act Registration Statement") (including all pre-effective and post-effective amendments thereto) relating to the registration of the Preferred Securities of the Trust under Section 12(b) of the Securities Exchange Act of 1934, as amended; (ii) to file with the New York Stock Exchange (the "Exchange") and execute on behalf of the Trust a listing application and all other applications, statements, certificates, agreements and other instruments as shall be necessary or desirable to cause the Preferred Securities to be listed on the Exchange; (iii) to file and execute on behalf of the Trust such applications, reports, surety bonds, irrevocable consents, appointments of attorney for service of process and other papers and documents as shall be necessary or desirable to register the Preferred Securities under the securities or "Blue Sky" laws, and to obtain any permits under the insurance laws of such jurisdictions as the Depositor, on behalf of the Trust, may deem necessary or desirable and (iv) to execute on behalf of the Trust one or more Underwriting Agreements with one or more underwriters relating to the offering of the Preferred Securities. In the event that any filing referred to in clauses (i), (ii) and (iii) above is required by the rules and regulations of the Commission, the Exchange or state securities or blue sky laws, to be executed on behalf of the Trust by a Trustee, the Depositor and any Trustee appointed pursuant to Section 6 hereof are hereby authorized to join in any such filing and to execute on behalf of the Trust any and all of the foregoing. In connection with all of the foregoing, the Depositor hereby constitutes and appoints _____, _____ and _____, and each of them, as its true and lawful attorneys-in-fact and agents, with full power of substitution and resubstitution, for the Depositor or in the Depositor's name, place and stead, in any and all capacities, to sign any and all amendments (including post-effective amendments) to the 1933 Act Registration Statement and the 1934 Act Registration Statement and to file the same, with all exhibits thereto, and other documents in connection therewith, with the Commission, granting unto said attorneys-in-fact and agents full power and authority to do and perform each and every act and thing requisite and necessary to be done in connection therewith, as fully to all intents and purposes as the Depositor might or could do in person, hereby ratifying and confirming all that said attorneys-in-fact and agents or any of them, or their respective substitute or substitutes, shall do or cause to be done by virtue hereof.

5. The Trustee is authorized to take such action or refrain from taking such action under this Trust Agreement as it may be directed in writing by the Depositor from time to time; provided, however, that the Trustee shall not be required to take or refrain from taking any such action if it shall have determined, or shall have been advised by counsel, that such performance is likely to involve the Trustee in personal liability or is contrary to the terms of this Trust Agreement or of any document contemplated hereby to which the Trust or the Trustee is a party or is otherwise contrary to law. If at any time the Trustee determines that it requires or desires guidance regarding the application of any provision of this Trust Agreement or any other document, or regarding compliance with any direction it received hereunder, then the Trustee may deliver a notice to the Depositor requesting written instructions as to the course of action desired by the Depositor, and such instructions by or on behalf of the Depositor shall constitute full and complete authorization and protection for actions taken and other performance by the Trustee in reliance thereon. Until the Trustee has received such instructions after delivering such notice, it may refrain from taking any action with respect to the matters described in such notice.

6. The Depositor hereby agrees to (i) reimburse the Trustee for all reasonable expenses (including reasonable fees and expenses of counsel and other experts), (ii) indemnify, defend and hold harmless the Trustee and the officers, directors, employees and agents of the Trustee (collectively, including the Trustee in its individual capacity, the "Indemnified Persons") from and against any and all losses, damages, liabilities, claims, actions, suits, costs, expenses, disbursements (including the reasonable fees and expenses of counsel), taxes and penalties of any kind and nature whatsoever (collectively, "Expenses"), to the extent that such Expenses arise out of or are imposed upon or asserted at any time against such Indemnified Persons with respect to the performance of this Trust Agreement, the creation, operation, administration or termination of the Trust, or the transactions contemplated hereby; provided, however, that the Depositor shall not be required to indemnify an Indemnified Person for Expenses to the extent such Expenses result from the willful misconduct, bad faith or gross negligence of such Indemnified Person, and (iii) advance to each such Indemnified Person Expenses (including reasonable fees and expenses of counsel) incurred by such Indemnified Person, in defending any claim, demand, action, suit or proceeding prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Depositor of an undertaking, by or on behalf of such Indemnified Person, to repay such amount if it shall be determined that such Indemnified Person is not entitled to be indemnified therefor under this Section 6. The obligations of the Depositor under this Section 6 shall survive the resignation or removal of any Trustee, shall survive the termination of this Trust Agreement, except by amendment and restatement of this Trust Agreement, and shall survive the transfer by the Depositor of any or all of its interest in the Trust.

7. This Trust Agreement may be executed in one or more counterparts.

8. The number of Trustees initially shall be one (1) and thereafter the number of Trustees shall be such number as shall be fixed from time to time by a written instrument signed by the Depositor which may increase or decrease the number of Trustees; provided, however, that to the extent required by the Statutory Trust Act, one Trustee shall either be a natural person who is a resident of the State of Delaware or, if not a natural person, an entity which has its principal place of business in the State of Delaware and otherwise meets the requirements of applicable Delaware law. Subject to the foregoing, the Depositor is entitled to appoint or remove without cause any Trustee at any time. The Trustee may resign upon thirty days' prior notice to the Depositor.

9. This Trust Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware (without regard to conflict of laws of principles).

IN WITNESS WHEREOF, the parties hereto have caused this Trust Agreement to be duly executed as of the day and year first above written.

(b) So long as this Trust Agreement remains in effect, the Trust (or the Trustees acting on behalf of the Trust) shall not undertake any business, activities or transaction except as expressly provided herein or contemplated hereby. In particular, the Trustees shall not (i) acquire any investments or engage in any activities not authorized by this Trust Agreement, (ii) sell, assign, transfer, exchange, mortgage, pledge, set-off or otherwise dispose of any of the Trust Property or interests therein, including to Securityholders, except as expressly provided herein, (iii) take any action that would cause the Trust to fail or cease to qualify as a "grantor trust" for federal income tax purposes, (iv) incur any indebtedness for borrowed money or issue any other debt or (v) take or consent to any action that would result in the placement of a Lien on any of the Trust Property. The Administrative Trustees shall defend all claims and demands of all Persons at any time claiming any Lien on any of the Trust Property adverse to the interest of the Trust or the Securityholders in their capacity as Securityholders.

(c) In connection with the issue and sale of the Preferred Securities, the Depositor shall have the right and responsibility to assist the Trust with respect to, or effect on behalf of the Trust, the following (and any actions taken by the Depositor in furtherance of the following prior to the date of this Trust Agreement are hereby ratified and confirmed in all respects):

(i) to prepare for filing by the Trust with the Commission and to execute on behalf of the Trust a registration statement on Form S-3 or S-4 in relation to the Preferred Securities, including any amendments thereto;

(ii) to determine the States in which to take appropriate action to qualify or register for sale all or part of the Preferred Securities and to do any and all such acts, other than actions which must be taken by or on behalf of the Trust, and advise the Trustees of actions they must take on behalf of the Trust, and prepare for execution and filing any documents to be executed and filed by the Trust or on behalf of the Trust, as the Depositor deems necessary or advisable in order to comply with the applicable laws of any such States;

(iii) to prepare for filing by the Trust and to execute on behalf of the Trust an application to the New York Stock Exchange or any other national stock exchange or the Nasdaq National Market for listing upon notice of issuance of any Preferred Securities;

(iv) to prepare for filing by the Trust with the Commission and to execute on behalf of the Trust a registration statement on Form 8-A relating to the registration of the Preferred Securities under Section 12(b) or 12(g) of the Exchange Act, including any amendments thereto;

(v) to negotiate the terms of, and execute and deliver, the Underwriting Agreement providing for the sale of the Preferred Securities; and

(vi) any other actions necessary or desirable to carry out any of the foregoing activities.

(d) Notwithstanding anything herein to the contrary, the Administrative Trustees are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that the Trust will not be deemed to be an "investment company" required to be registered under the Investment Company Act of 1940, as amended, or taxed as a corporation for United States federal income tax purposes and so that the Debentures will be treated as indebtedness of

the Depositor for United States federal income tax purposes. In this connection, the Depositor and the Administrative Trustees are authorized to take any action, not inconsistent with applicable law, the Certificate of Trust or this Trust Agreement, that each of the Depositor and the Administrative Trustees determines in their discretion to be necessary or desirable for such purposes, as long as such action does not adversely affect in any material respect the interests of the holders of the Preferred Securities.

Section 2.8. Assets of Trust.

The assets of the Trust shall consist of the Trust Property.

Section 2.9. Title to Trust Property.

Legal title to all Trust Property shall be vested at all times in the Property Trustee (in its capacity as such) and shall be held and administered by the Property Trustee for the benefit of the Securityholders in accordance with this Trust Agreement.

ARTICLE III
PAYMENT ACCOUNT

Section 3.1. Payment Account.

(a) On or prior to the Closing Date, the Property Trustee shall establish the Payment Account. The Property Trustee and any agent of the Property Trustee shall have exclusive control and sole right of withdrawal with respect to the Payment Account for the purpose of making deposits in and withdrawals from the Payment Account in accordance with this Trust Agreement. All monies and other property deposited or held from time to time in the Payment Account shall be held by the Property Trustee in the Payment Account for the exclusive benefit of the Securityholders and for distribution as herein provided, including (and subject to) any priority of payments provided for herein.

(b) The Property Trustee shall deposit in the Payment Account, promptly upon receipt, all payments of principal or interest on, and any other payments or proceeds with respect to, the Debentures. Amounts held in the Payment Account shall not be invested by the Property Trustee pending distribution thereof.

ARTICLE IV
DISTRIBUTIONS; REDEMPTION

Section 4.1. Distributions.

(a) Distributions on the Trust Securities shall be cumulative, and will accumulate whether or not there are funds of the Trust available for the payment of Distributions. Distributions shall accrue from --, 200--, and, except in the event that the Depositor exercises its right to extend the interest payment period for the Debentures pursuant to the Indenture, shall be payable quarterly in arrears on --, --, -- and -- of each year, commencing on --, --. If any date on which Distributions are otherwise payable on the Trust Securities is not a Business Day, then the payment of such Distribution shall be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, payment of such Distribution shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date (each date on which distributions are payable in accordance with this Section 4.1(a) a "Distribution Date").

(b) The Trust Securities represent undivided beneficial interests in the Trust Property, and, as a practical matter, the Distributions on the Trust Securities shall be payable at a rate of --% per annum of the Liquidation Amount of the Trust Securities. The amount of Distributions payable for any full period shall be computed on the basis of a 360-day year of twelve 30-day months. The amount of Distributions payable for any period shall include the Additional Amounts, if any.

(c) Distributions on the Trust Securities shall be made by the Property Trustee from the Payment Account and shall be payable on each Distribution Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Distributions.

(d) Distributions on the Trust Securities with respect to a Distribution Date shall be payable to the Holders thereof as they appear on the Securities Register for the Trust Securities on the relevant record date, which shall be one Business Day prior to such Distribution Date; provided, however, that in the event that the Preferred Securities do not remain in book-entry-only form, the relevant record date shall be the date 15 days prior to the relevant Distribution Date.

Section 4.2 Redemption.

(a) On each Debenture Redemption Date and on the stated maturity of the Debentures, the Trust will be required to redeem a Like Amount of Trust Securities at the Redemption Price.

(b) Notice of redemption shall be given by the Property Trustee by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date to each Holder of Trust Securities to be redeemed, at such Holder's address appearing in the Security Register. All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price;

(iii) the CUSIP number;

(iv) if less than all the Outstanding Trust Securities are to be redeemed, the identification and the total Liquidation Amount of the particular Trust Securities to be redeemed; and

(v) that on the Redemption Date the Redemption Price will become due and payable upon each such Trust Security to be redeemed and that distributions thereon will cease to accrue on and after said date.

(c) The Trust Securities redeemed on each Redemption Date shall be redeemed at the Redemption Price with the proceeds from the contemporaneous redemption of Debentures. Redemptions of the Trust Securities shall be made and the Redemption Price shall be payable on each Redemption Date only to the extent that the Trust has funds then on hand and available in the Payment Account for the payment of such Redemption Price.

(d) If the Property Trustee gives a notice of redemption in respect of any Preferred Securities, then, by 12:00 noon, New York time, on the Redemption Date, subject to Section 4.2(c), the Property Trustee will, so long as the Preferred Securities are in book-entry-only form, irrevocably deposit with the Clearing Agency for the Preferred Securities funds sufficient to pay the applicable Redemption Price and will give such Clearing Agency irrevocable instructions and authority to pay the Redemption Price to the holders thereof. If the Preferred Securities are no longer in book-entry-only form, the Property Trustee, subject to Section 4.2(c), will irrevocably deposit with the Paying Agent funds sufficient to pay the applicable Redemption Price and will give the Paying Agent irrevocable instructions and authority to pay the Redemption Price to the holders thereof upon

surrender of their Preferred Securities Certificates. Notwithstanding the foregoing, Distributions payable on or prior to the Redemption Date for any Trust Securities called for redemption shall be payable to the Holders of such Trust Securities as they appear on the Register for the Trust Securities on the relevant record dates for the related Distribution Dates. If notice of redemption shall have been given and funds deposited as required, then upon the date of such deposit, all rights of Securityholders holding Trust Securities so called for redemption will cease, except the right of such Securityholders to receive the Redemption Price, but without interest, and such Securities will cease to be outstanding. In the event that any date on which any Redemption Price is payable is not a Business Day, then payment of the Redemption Price payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case, with the same force and effect as if made on such date. In the event that payment of the Redemption Price in respect of any Trust Securities called for redemption is improperly withheld or refused and not paid either by the Trust or by the Depositor pursuant to the Guarantee, Distributions on such Trust Securities will continue to accrue, at the then applicable rate, from the Redemption Date originally established by the Trust for such Trust Securities to the date such Redemption Price is actually paid, in which case the actual payment date will be the date fixed for redemption for purposes of calculating the Redemption Price.

(e) Payment of the Redemption Price on the Trust Securities shall be made to the recordholders thereof as they appear on the Securities Register for the Trust Securities on the relevant record date, which shall be one Business Day prior to the relevant Redemption Date; provided, however, that in the event that the Preferred Securities do not remain in book-entry-only form, the relevant record date shall be the fifteenth day prior to the Redemption Date.

(f) If less than all the Outstanding Trust Securities are to be redeemed on a Redemption Date, then the aggregate Liquidation Amount of Trust Securities to be redeemed shall be allocated on a pro rata basis (based on Liquidation Amounts) among the Common Securities and the Preferred Securities. The particular Preferred Securities to be redeemed shall be selected on a pro rata basis (based upon Liquidation Amounts) not more than 60 days prior to the Redemption Date by the Property Trustee from the Outstanding Preferred Securities not previously called for redemption, by such method as the Property Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to \$25 or an integral multiple of \$25 in excess thereof) of the Liquidation Amount of Preferred Securities of a denomination larger than \$25. The Property Trustee shall promptly notify the Security Registrar in writing of the

Preferred Securities selected for redemption and, in the case of any Preferred Securities selected for partial redemption, the Liquidation Amount thereof to be redeemed. For all purposes of this Trust Agreement, unless the context otherwise requires, all provisions relating to the redemption of Preferred Securities shall relate, in the case of any Preferred Securities redeemed or to be redeemed only in part, to the portion of the Liquidation Amount of Preferred Securities which has been or is to be redeemed.

Section 4.3 Subordination of Common Securities.

(a) Payment of Distributions (including Additional Amounts, if applicable) on, and the Redemption Price of, the Trust Securities, as applicable, shall be made pro rata based on the Liquidation Amount of the Trust Securities; provided, however, that if on any Distribution Date or Redemption Date a Debenture Event of Default shall have occurred and be continuing, no payment of any Distribution (including Additional Amounts, if applicable) on, or Redemption Price of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions (including Additional Amounts, if applicable) on all Outstanding Preferred Securities for all distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price the full amount of such Redemption Price on all Outstanding Preferred Securities, shall have been made or provided for, and all funds immediately available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions (including Additional Amounts, if applicable) on, or Redemption Price of, Preferred Securities then due and payable.

(b) In the case of the occurrence of any Debenture Event of Default, the Holder of Common Securities will be deemed to have waived any right to act with respect to any such Event of Default under this Trust Agreement until the effect of all such Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated. Until any such Event of Default under this Trust Agreement with respect to the Preferred Securities have been so cured, waived or otherwise eliminated, the Property Trustee shall act solely on behalf of the Holders of the Preferred Securities and not the Holder of the Common Securities, and only the Holders of the Preferred Securities will have the right to direct the Property Trustee to act on their behalf.

Section 4.4 Payment Procedures.

Payments in respect of the Preferred Securities shall be made by check mailed to the address of the Person entitled thereto as such address shall appear on the Securities Register or, if the Preferred Securities are held by a Clearing Agency, such Distributions

shall be made to the Clearing Agency in immediately available funds, which shall credit the relevant Persons' accounts at such Clearing Agency on the applicable distribution dates. Payments in respect of the Common Securities shall be made in such manner as shall be mutually agreed between the Property Trustee and the Common Securityholder.

Section 4.5 Tax Returns and Reports.

The Administrative Trustees shall prepare (or cause to be prepared), at the Depositor's expense, and file all Federal, state and local tax and information returns and reports required to be filed by or in respect of the Trust. In this regard, the Administrative Trustees shall (a) prepare and file (or cause to be prepared or filed) the appropriate Internal Revenue Service Form required to be filed in respect of the Trust in each taxable year of the Trust and (b) prepare and furnish (or cause to be prepared and furnished) to each Securityholder the appropriate Internal Revenue Service form required to be furnished to such Securityholder or the information required to be provided on such form. The Administrative Trustees shall provide the Depositor and the Property Trustee with a copy of all such returns, reports and schedules promptly after such filing or furnishing. The Trustees shall comply with United States federal withholding and backup withholding tax laws and information reporting requirements with respect to any payments to Securityholders under the Trust Securities.

Section 4.6 Payment of Taxes, Duties, Etc. of the Trust.

Upon receipt under the Debentures of Additional Sums (as defined in the Indenture), the Property Trustee shall upon receipt of written notice from the applicable governmental authority promptly pay any taxes, duties or governmental charges of whatsoever nature (other than withholding taxes) imposed on the Trust by the United States or any other taxing authority.

Section 4.7 Payments under Indenture.

Any amount payable hereunder to any Holder of Preferred Securities (and any Owner with respect thereto) shall be reduced by the amount of any corresponding payment such Holder (and Owner) has directly received pursuant to Section 508 of the Indenture.

ARTICLE V TRUST SECURITIES CERTIFICATES

Section 5.1 Initial Ownership.

Upon the formation of the Trust and the contribution by the Depositor pursuant to Section 2.3 and until the issuance of the Trust Securities, and at any time during which no

Trust Securities are outstanding, the Depositor shall be the sole beneficial owner of the Trust.

Section 5.2 The Trust Securities Certificates.

The Preferred Securities Certificates shall be issued in minimum denominations of \$25 Liquidation Amount and integral multiples of \$25 in excess thereof, and the Common Securities Certificates shall be issued in denominations of \$25 Liquidation Amount and integral multiples thereof. The Trust Securities Certificates shall be executed on behalf of the Trust by manual signature of at least one Administrative Trustee. Trust Securities Certificates bearing the manual signatures of individuals who were, at the time when such signatures shall have been affixed, authorized to sign on behalf of the Trust, shall be validly issued and entitled to the benefits of this Trust Agreement, notwithstanding that such individuals or any of them shall have ceased to be so authorized prior to the delivery of such Trust Securities Certificates or did not hold such offices at the date of delivery of such Trust Securities Certificates. A transferee of a Trust Securities Certificate shall become a Securityholder, and shall be entitled to the rights and subject to the obligations of a Securityholder hereunder, upon due registration of such Trust Securities Certificate in such transferee's name pursuant to Section 5.4.

Section 5.3 Delivery of Trust Securities Certificates.

On the Closing Date, the Administrative Trustees shall cause Trust Securities Certificates, in an aggregate Liquidation Amount as provided in Sections 2.4 and 2.5, to be executed on behalf of the Trust and delivered to or upon the written order of the Depositor, signed by its chairman, president, chief executive officer, any senior vice president or any vice president, treasurer or assistant treasurer or controller without further corporate action by the Depositor, in authorized denominations.

Section 5.4 Registration of Transfer and Exchange of Preferred Securities Certificates.

The Securities Registrar shall keep or cause to be kept, at the office or agency maintained pursuant to Section 5.8, a Securities Register in which, subject to such reasonable regulations as it may prescribe, the Securities Registrar shall provide for the registration of Preferred Securities Certificates and Common Securities Certificates (subject to Section 5.10 in the case of the Common Securities Certificates) and registration of transfers and exchanges of Preferred Securities Certificates as herein provided. The Property Trustee shall be the initial Securities Registrar. The provisions of Sections 8.1, 8.3 and 8.6 shall apply to the Property Trustee also in its role as Securities Registrar, for so long as the Property Trustee shall act as Securities Registrar and, to the extent applicable, to any other securities registrar appointed hereunder. Any

reference in this Trust Agreement to the Securities Registrar shall include any co-securities registrar unless the context requires otherwise.

Upon surrender for registration of transfer of any Preferred Securities Certificate at the office or agency maintained pursuant to Section 5.8, the Administrative Trustees or any one of them shall execute and deliver, in the name of the designated transferee or transferees, one or more new Preferred Securities Certificates in authorized denominations of a like aggregate Liquidation Amount dated the date of execution by such Administrative Trustee or Trustees. The Securities Registrar shall not be required to register the transfer of any Preferred Securities that have been called for redemption. At the option of a Holder, Preferred Securities Certificates may be exchanged for other Preferred Securities Certificates in authorized denominations of the same class and of a like aggregate Liquidation Amount upon surrender of the Preferred Securities Certificates to be exchanged at the office or agency maintained pursuant to Section 5.8.

Every Preferred Securities Certificate presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in form satisfactory to the Administrative Trustees and the Securities Registrar duly executed by the Holder or his attorney duly authorized in writing. Each Preferred Securities Certificate surrendered for registration of transfer or exchange shall be cancelled and subsequently disposed of by the Administrative Trustees in accordance with their customary practice.

No service charge shall be made for any registration of transfer or exchange of Preferred Securities Certificates, but the Securities Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Preferred Securities Certificates.

Section 5.5 Mutilated, Destroyed, Lost or Stolen Trust Securities Certificates.

If (a) any mutilated Trust Securities Certificate shall be surrendered to the Securities Registrar, or if the Securities Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Trust Securities Certificate and (b) there shall be delivered to the Securities Registrar and the Administrative Trustees such security or indemnity as may be required by them to save each of them harmless, then in the absence of notice that such Trust Securities Certificate shall have been acquired by a protected purchaser, the Administrative Trustees, or any one of them, on behalf of the Trust shall execute and make available for delivery, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Trust Securities Certificate, a new Trust Securities Certificate of like class, tenor and denomination. In connection with the issuance of any new Trust Securities Certificate under this Section, the Administrative Trustees or the Securities Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Trust

Securities Certificate issued pursuant to this Section shall constitute conclusive evidence of an undivided beneficial interest in the assets of the Trust, as if originally issued, whether or not the lost, stolen or destroyed Trust Securities Certificate shall be found at any time.

Section 5.6 Persons Deemed Securityholders.

The Administrative Trustees or the Securities Registrar shall treat the Person in whose name any Trust Securities Certificate shall be registered in the Securities Register as the owner of such Trust Securities Certificate for the purpose of receiving distributions and for all other purposes whatsoever, and neither the Trustees nor the Securities Registrar shall be bound by any notice to the contrary.

Section 5.7 Access to List of Securityholders' Names and Addresses.

The Administrative Trustees or the Depositor shall furnish or cause to be furnished (a) to the Property Trustee, semi-annually on or before January 15 and July 15 in each year, a list, in such form as the Property Trustee may reasonably require, of the names and addresses of the Securityholders as of the most recent Record Date and (b) to the Property Trustee, promptly after receipt by any Administrative Trustee or the Depositor of a request therefor from the Property Trustee in order to enable the Property Trustee to discharge its obligations under this Trust Agreement, in each case to the extent such information is in the possession or control of the Administrative Trustees or the Depositor and is not identical to a previously supplied list or has not otherwise been received by the Property Trustee in its capacity as Securities Registrar. The rights of Securityholders to communicate with other Securityholders with respect to their rights under this Trust Agreement or under the Trust Securities, and the corresponding rights of the Trustee shall be as provided in the Trust Indenture Act. Each Holder, by receiving and holding a Trust Securities Certificate, and each Owner shall be deemed to have agreed not to hold the Depositor, the Property Trustee or the Administrative Trustees accountable by reason of the disclosure of its name and address, regardless of the source from which such information was derived.

Section 5.8 Maintenance of Office or Agency.

The Administrative Trustees shall maintain in The City of New York, an office or offices or agency or agencies where Preferred Securities Certificates may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Trustees in respect of the Trust Securities Certificates may be served. The Administrative Trustees initially designate -, as its principal corporate trust office for such purposes. The Property Trustee shall give prompt written notice to the Depositor and to the Securityholders of any change in the location of the Securities Register or any such office or agency.

Section 5.9 Appointment of Paying Agent.

The Paying Agent shall make distributions to Securityholders from the Payment Account and shall report the amounts of such distributions to the Property Trustee and the Administrative Trustees. Any Paying Agent shall have the revocable power to withdraw funds from the Payment Account for the purpose of making the distributions referred to above. The Administrative Trustees may revoke such power and remove the Paying Agent if such Trustees determine in their sole discretion that the Paying Agent shall have failed to perform its obligations under this Trust Agreement in any material respect. The Paying Agent shall initially be the Property Trustee, and any co-paying agent chosen by the Property Trustee, and acceptable to the Administrative Trustees and the Depositor. Any Person acting as Paying Agent shall be permitted to resign as Paying Agent upon 30 days' written notice to the Administrative Trustees, the Property Trustee and the Depositor. In the event that the Property Trustee shall no longer be the Paying Agent or a successor Paying Agent shall resign or its authority to act be revoked, the Administrative Trustees shall appoint a successor that is acceptable to the Property Trustee and the Depositor to act as Paying Agent (which shall be a bank or trust company). The Administrative Trustees shall cause such successor Paying Agent or any additional Paying Agent appointed by the Administrative Trustees to execute and deliver to the Trustees an instrument in which such successor Paying Agent or additional Paying Agent shall agree with the Trustees that as Paying Agent, such successor Paying Agent or additional Paying Agent will hold all sums, if any, held by it for payment to the Securityholders in trust for the benefit of the Securityholders entitled thereto until such sums shall be paid to such Securityholders. The Paying Agent shall return all unclaimed funds to the Property Trustee and upon removal of a Paying Agent such Paying Agent shall also return all funds in its possession to the Property Trustee. The provisions of Sections 8.1, 8.3 and 8.6 shall apply to the Property Trustee also in its role as Paying Agent, for so long as the Property Trustee shall act as Paying Agent and, to the extent applicable, to any other paying agent appointed hereunder. Any reference in this Trust Agreement to the Paying Agent shall include any co-paying agent unless the context requires otherwise.

Section 5.10 Ownership of Common Securities by Depositor.

On the Closing Date and on each other date provided for in Section 2.5, the Depositor shall acquire and retain beneficial and record ownership of the Common Securities. To the fullest extent permitted by law, except as otherwise permitted under the Indenture, any attempted transfer of the Common Securities shall be void. The Administrative Trustees shall cause each Common Securities Certificate issued to the Depositor to contain a legend stating "THIS CERTIFICATE IS NOT TRANSFERABLE EXCEPT AS PROVIDED IN THE TRUST AGREEMENT (AS DEFINED BELOW)".

Section 5.11 Book-Entry Preferred Securities Certificates; Common Securities Certificate.

(a) The Preferred Securities Certificates, upon original issuance, will be issued in the form of a typewritten Preferred Securities Certificate or Certificates representing Book-Entry Preferred Securities Certificates, to be delivered to The Depository Trust Company, the initial Clearing Agency, by, or on behalf of, the Trust. Such Preferred Securities Certificate or Certificates shall initially be registered on the Securities Register in the name of Cede & Co., the nominee of the initial Clearing Agency, and no beneficial owner will receive a Definitive Preferred Securities Certificate representing such beneficial owner's interest in such Preferred Securities, except as provided in Section 5.13. Unless and until Definitive Preferred Securities Certificates have been issued to beneficial owners pursuant to Section 5.13:

(i) the provisions of this Section 5.11(a) shall be in full force and effect;

(ii) the Securities Registrar and the Trustees shall be entitled to deal with the Clearing Agency for all purposes of this Trust Agreement relating to the Book-Entry Preferred Securities Certificates (including the payment of principal of and interest on the Book-Entry Preferred Securities and the giving of instructions or directions to Owners of Book-Entry Preferred Securities) as the sole Holder of Book-Entry Preferred Securities and shall have no obligations to the Owners thereof;

(iii) to the extent that the provisions of this Section 5.11 conflict with any other provisions of this Trust Agreement, the provisions of this Section 5.11 shall control; and

(iv) the rights of the Owners of the Book-Entry Preferred Securities Certificates shall be exercised only through the Clearing Agency and shall be limited to those established by law and agreements between such Owners and the Clearing Agency and/or the Clearing Agency Participants. Pursuant to the Certificate Depository Agreement, unless and until Definitive Preferred Securities Certificates are issued pursuant to Section 5.13, the initial Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit payments on the Preferred Securities to such Clearing Agency Participants.

(b) A single Common Securities Certificate representing the Common Securities shall be issued to the Depositor in the form of a definitive Common Securities Certificate.

Section 5.12 Notices to Clearing Agency.

To the extent that a notice or other communication to the Owners is required under this Trust Agreement, unless and until Definitive Preferred Securities Certificates shall have been issued to Owners pursuant to Section 5.13, the Trustees shall give all such notices and communications specified herein to be given to Owners to the Clearing Agency, and shall have no obligations to the Owners.

Section 5.13 Definitive Preferred Securities Certificates.

If (a) the Depositor advises the Trustees in writing that the Clearing Agency is no longer willing or able to properly discharge its responsibilities with respect to the Preferred Securities Certificates, and the Depositor is unable to locate a qualified successor, (b) the Depositor at its option advises the Trustees in writing that it elects to terminate the book-entry system through the Clearing Agency or (c) after the occurrence of a Debenture Event of Default, Owners of Preferred Securities Certificates representing beneficial interests aggregating at least a majority of the Liquidation Amount advise the Clearing Agency in writing that the continuation of a book-entry system through the Clearing Agency is no longer in the best interest of the Owners of Preferred Securities Certificates, then the Clearing Agency shall notify all Owners of Preferred Securities Certificates and the Trustees of the occurrence of any such event and of the availability of the Definitive Preferred Securities Certificates to Owners of such class or classes, as applicable, requesting the same. Upon surrender to the Administrative Trustees of the typewritten Preferred Securities Certificate or Certificates representing the Book Entry Preferred Securities Certificates by the Clearing Agency, accompanied by registration instructions, the Administrative Trustees, or any one of them, shall execute the Definitive Preferred Securities Certificates in accordance with the instructions of the Clearing Agency. Neither the Securities Registrar nor the Trustees shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Preferred Securities Certificates, the Trustees shall recognize the Holders of the Definitive Preferred Securities Certificates as Securityholders. The Definitive Preferred Securities Certificates shall be printed, lithographed or engraved or may be produced in any other manner as is reasonably acceptable to the Administrative Trustees, as evidenced by the execution thereof by the Administrative Trustees or any one of them.

Section 5.14 Rights of Securityholders.

The legal title to the Trust Property is vested exclusively in the Property Trustee (in its capacity as such) in accordance with Section 2.9, and the Securityholders shall not have any right or title therein other than the undivided beneficial interest in the assets of the Trust conferred by their Trust Securities and they shall have no right to call for any partition or division of property, profits or rights of the Trust except as described below. The Trust Securities shall be personal property giving only the rights specifically set forth therein and in this Trust Agreement. The Trust Securities shall have no preemptive or similar rights and when issued and delivered to Securityholders against payment of the purchase price therefor will be fully paid and nonassessable by the Trust. The Holders of the Trust Securities, in their capacities as such, shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Delaware.

ARTICLE VI ACTS OF SECURITYHOLDERS; MEETINGS; VOTING

Section 6.1 Limitations on Voting Rights.

(a) Except as provided in this Section, in Sections 8.10 and 10.2 and in the Indenture and as otherwise required by law, no Holder of Preferred Securities shall have any right to vote or in any manner otherwise control the administration, operation and management of the Trust or the obligations of the parties hereto, nor shall anything herein set forth, or contained in the terms of the Trust Securities Certificates, be construed so as to constitute the Securityholders from time to time as partners or members of an association.

(b) So long as any Debentures are held by the Property Trustee, the Trustees shall not (i) direct the time, method and place of conducting any proceeding for any remedy available to the Debenture Trustee, or executing any trust or power conferred on the Debenture Trustee with respect to such Debentures, (ii) waive any past default which is waivable under Section 5.13 of the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Debentures, where such consent shall be required, without, in each case, obtaining the prior approval of the Holders of at least a majority in Liquidation Amount of all outstanding Preferred Securities; provided, however, that where a consent under the Indenture would require the consent of each holder of Debentures affected thereby, no such consent shall be given by the Property Trustee without the prior written consent of each holder of Preferred Securities. The Trustees shall not revoke any action previously authorized or approved by a vote of the Preferred Securities, except by a subsequent vote of the Preferred

Securities. The Property Trustee shall notify all Holders of the Preferred Securities of any notice of default received from the Debenture Trustee with respect to the Debentures. In addition to obtaining the foregoing approvals of the Holders of the Preferred Securities, prior to taking any of the foregoing actions, the Trustees shall, at the expense of the Depositor, obtain an Opinion of Counsel experienced in such matters to the effect that the Trust will not be classified as an association taxable as a corporation or partnership for United States federal income tax purposes on account of such action.

(c) If any proposed amendment to the Trust Agreement provides for, or the Trustees otherwise propose to effect, (i) any action that would adversely affect in any material respect the powers, preferences or special rights of the Preferred Securities, whether by way of amendment to the Trust Agreement or otherwise, or (ii) the dissolution, winding-up or termination of the Trust, other than pursuant to the terms of this Trust Agreement, then the Holders of Outstanding Preferred Securities as a class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a majority in Liquidation Amount of the Outstanding Preferred Securities.

Section 6.2 Notice of Meetings.

Notice of all meetings of the Preferred Securityholders, stating the time, place and purpose of the meeting, shall be given by the Property Trustee upon receipt of written notice of the calling of such meeting from the Administrative Trustees pursuant to Section 10.8 to each Preferred Securityholder of record, at his registered address, at least 15 days and not more than 90 days before the meeting. At any such meeting, any business properly before the meeting may be so considered whether or not stated in the notice of the meeting. Any adjourned meeting may be held as adjourned without further notice.

Section 6.3 Meetings of Preferred Securityholders.

No annual meeting of Securityholders is required to be held. The Administrative Trustees, however, shall call a meeting of Securityholders to vote on any matter upon the written request of the Preferred Securityholders of record of 25% of the Preferred Securities (based upon their Liquidation Amount) and the Administrative Trustees or the Property Trustee may, at any time in their discretion, call a meeting of Preferred Securityholders to vote on any matters as to which Preferred Securityholders are entitled to vote.

Preferred Securityholders of record of 50% of the Preferred Securities (based upon their Liquidation Amount), present in person or by proxy, shall constitute a quorum at any meeting of Securityholders.

If a quorum is present at a meeting, an affirmative vote by the Preferred Securityholders of record present, in person or by proxy, holding more than a majority of the Preferred Securities (based upon their Liquidation Amount) held by the Preferred Securityholders of record present, either in person or by proxy, at such meeting shall constitute the action of the Securityholders, unless this Trust Agreement requires a greater number of affirmative votes.

Section 6.4 Voting Rights.

Securityholders shall be entitled to one vote for each \$25 of Liquidation Amount represented by their Trust Securities in respect of any matter as to which such Securityholders are entitled to vote.

Section 6.5 Proxies, etc.

At any meeting of Securityholders, any Securityholder entitled to vote thereat may vote by proxy, provided that no proxy shall be voted at any meeting unless it shall have been placed on file with the Administrative Trustees, or with such other officer or agent of the Trust as the Administrative Trustees may direct, for verification prior to the time at which such vote shall be taken. Pursuant to a resolution of the Property Trustee, proxies may be solicited in the name of the Property Trustee or one or more officers of the Property Trustee. Only Securityholders of record shall be entitled to vote. When Trust Securities are held jointly by several persons, any one of them may vote at any meeting in person or by proxy in respect of such Trust Securities, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote shall not be received in respect of such Trust Securities. A proxy purporting to be executed by or on behalf of a Securityholder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger. No proxy shall be valid more than three years after its date of execution.

Section 6.6 Securityholder Action by Written Consent.

Any action which may be taken by Securityholders at a meeting may be taken without prior notice and without a meeting if Securityholders holding more than a majority of all Outstanding Trust Securities (based upon their Liquidation Amount) entitled to vote in respect of such action (or such larger proportion thereof as shall be required by any express provision of this Trust Agreement) shall consent to the action in writing.

Section 6.7 Record Date for Voting and Other Purposes.

For the purposes of determining the Securityholders who are entitled to notice of and to vote at any meeting or by written consent, or to participate in any distribution on the Trust Securities in respect of which a record date is not otherwise provided for in this Trust Agreement, or for the purpose of any other action, Administrative Trustees may from time to time fix a date, not more than 90 days prior to the date of any meeting of Securityholders or the payment of distribution or other action, as the case may be, as a record date for the determination of the identity of the Securityholders of record for such purposes.

Section 6.8 Acts of Securityholders.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Trust Agreement to be given, made or taken by Securityholders or Owners may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Securityholders or Owners in person or by an agent duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such instrument or instruments are delivered to an Administrative Trustee. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Securityholders or Owners signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Trust Agreement and (subject to Section 8.1) conclusive in favor of the Trustees, if made in the manner provided in this Section.

The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which any Trustee receiving the same deems sufficient.

The ownership of Preferred Securities shall be proved by the Securities Register.

Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Securityholder of any Trust Security shall bind every future Securityholder of the same Trust Security and the Securityholder of every Trust Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of

anything done, omitted or suffered to be done by the Trustees or the Trust in reliance thereon, whether or not notation of such action is made upon such Trust Security.

Without limiting the foregoing, a Securityholder entitled hereunder to take any action hereunder with regard to any particular Trust Security may do so with regard to all or any part of the Liquidation Amount of such Trust Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such liquidation amount.

If any dispute shall arise between the Securityholders and the Administrative Trustees or among such Securityholders or Trustees with respect to the authenticity, validity or binding nature of any request, demand, authorization, direction, consent, waiver or other Act of such Securityholder or Trustee under this Article VI, then the dispute shall be submitted to an independent legal counsel which has not provided significant services to any of the disputing parties in the past two years (the "Independent Legal Counsel"), and reasonably satisfactory to the disputing parties, for determination of such matter. The Independent Legal Counsel's determination shall be conclusive and binding with respect to such matter.

Section 6.9 Inspection of Records.

Upon reasonable notice to the Administrative Trustees and the Property Trustee, the records of the Trust shall be open to inspection by Securityholders during normal business hours for any purpose reasonably related to such Securityholder's interest as a Securityholder.

ARTICLE VIII THE TRUSTEES

Section 8.1 Certain Duties and Responsibilities.

(a) The duties and responsibilities of the Trustees shall be as provided by this Trust Agreement and, in the case of the Property Trustee, by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Trust Agreement shall require the Trustees to expend or risk their own funds or otherwise incur any financial liability in the performance of any of their duties hereunder, or in the exercise of any of their rights or powers, if they shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustees shall be subject to the provisions of this Section. Nothing in this Trust Agreement shall be construed to release the Property Trustee from liability for its own negligent action, its own failure to act, or its own willful misconduct. To the extent that, at law or in equity, an Administrative Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Trust or to the Securityholders, such Administrative Trustee shall not be liable to the Trust or to any Securityholder for such Trustee's good faith reliance on the provisions of this

Trust Agreement. The provisions of this Trust Agreement, to the extent that they restrict the duties and liabilities of the Administrative Trustees otherwise existing at law or in equity, are agreed by the Depositor and the Securityholders to replace such other duties and liabilities of the Administrative Trustees.

(b) All payments made by the Property Trustee or a Paying Agent in respect of the Trust Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Property Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Securityholder, by its acceptance of a Trust Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Trustees are not personally liable to it for any amount distributable in respect of any Trust Security or for any other liability in respect of any Trust Security. This Section 8.1(b) does not limit the liability of the Trustees expressly set forth elsewhere in this Trust Agreement or, in the case of the Property Trustee, in the Trust Indenture Act.

(c) No provision of this Trust Agreement shall be construed to relieve the Property Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) the Property Trustee shall not be liable for any error of judgment made in good faith by an authorized officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(ii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in Liquidation Amount of the Trust Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or exercising any trust or power conferred upon the Property Trustee under this Trust Agreement;

(iii) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Debentures and the Payment Account shall be to deal with such Property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Trust Agreement and the Trust Indenture Act;

(iv) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Depositor. Money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Payment Account maintained by the Property Trustee pursuant to Section 3.1 and except to the extent otherwise required by law; and

(v) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Depositor with their respective duties under this Trust Agreement, nor shall the Property Trustee be liable for the default or misconduct of the Administrative Trustees or the Depositor.

Section 8.2 Notice of Defaults.

Within five Business Days after the occurrence of any Event of Default actually known to a Responsible Officer of the Property Trustee, the Property Trustee shall transmit, in the manner and to the extent provided in Section 10.8, notice of such Event of Default to the Securityholders, the Administrative Trustees and the Depositor, unless such Event of Default shall have been cured or waived.

Within five Business Days after the receipt of notice of the Depositor's exercise of its right to extend the interest payment period for the Debentures pursuant to the Indenture, the Administrative Trustee shall transmit, in the manner and to the extent provided in Section 10.8, notice of such exercise to the Securityholders and the Property Trustee, unless such exercise shall have been revoked.

Section 8.3 Certain Rights of Property Trustee.

Subject to the provisions of Section 8.1:

(a) the Property Trustee may rely and shall be protected in acting or refraining from acting in good faith upon any resolution, Opinion of Counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) if, (i) in performing its duties under this Trust Agreement the Property Trustee is required to decide between alternative courses of action or (ii) in construing any of the provisions in this Trust Agreement the Property Trustee finds the same ambiguous or inconsistent with any other provisions contained herein or (iii) the Property Trustee is unsure of the application of any provision of

this Trust Agreement, then, except as to any matter as to which the Preferred Securityholders are entitled to vote under the terms of this Trust Agreement, the Property Trustee shall deliver a notice to the Depositor requesting written instructions of the Depositor as to the course of action to be taken. The Property Trustee shall take such action, or refrain from taking such action, as the Property Trustee shall be instructed in writing to take, or to refrain from taking, by the Depositor; provided, however, that if the Property Trustee does not receive such instructions of the Depositor within ten Business Days after it has delivered such notice, or such reasonably shorter period of time set forth in such notice (which to the extent practicable shall not be less than two Business Days), it may, but shall be under no duty to, take or refrain from taking such action not inconsistent with this Trust Agreement as it shall deem advisable and in the best interests of the Securityholders, in which event the Property Trustee shall have no liability except for its own bad faith, negligence or willful misconduct;

(c) any direction or act of the Depositor or the Administrative Trustees contemplated by this Trust Agreement shall be sufficiently evidenced by an Officer's Certificate;

(d) whenever in the administration of this Trust Agreement, the Property Trustee shall deem it desirable that a matter be established before undertaking, suffering or omitting any action hereunder, the Property Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officer's Certificate which, upon receipt of such request, shall be promptly delivered by the Depositor or the Administrative Trustees;

(e) the Property Trustee shall have no duty to see to any recording, filing or registration of any instrument (including any financing or continuation statement or any filing under tax or securities laws) or any rerecording, refiling or reregistration thereof;

(f) the Property Trustee may consult with counsel and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon and in accordance with such advice, such counsel may be counsel to the Depositor or any of its Affiliates, and may include any of its employees. The Property Trustee shall have the right at any time to seek instructions concerning the administration of this Trust Agreement from any court of competent jurisdiction;

(g) the Property Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or

direction of any of the Securityholders pursuant to this Trust Agreement, unless such Securityholders shall have offered to the Property Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(h) the Property Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other evidence of indebtedness or other paper or document, unless requested in writing to do so by one or more Securityholders, but the Property Trustee may make such further inquiry or investigation into such facts or matters as it may see fit;

(i) the Property Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its agents or attorneys, and the Property Trustee shall not be responsible for any misconduct or negligence on the part of or for the supervision of, any such agent or attorney appointed with due care by it hereunder;

(j) whenever in the administration of this Trust Agreement the Property Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action hereunder the Property Trustee (i) may request instructions from the Holders of the Trust Securities which instructions may only be given by the Holders of the same proportion in Liquidation Amount of the Trust Securities as would be entitled to direct the Property Trustee under the terms of the Trust Securities in respect of such remedy, right or action, (ii) may refrain from enforcing such remedy or right or taking such other action until such instructions are received, and (iii) shall be fully protected in acting in accordance with such instructions;

(k) except as otherwise expressly provided by this Trust Agreement, the Property Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Trust Agreement; and

(l) the Property Trustee shall not be charged with knowledge of an Event of Default unless a Responsible Officer of the Property Trustee obtains actual knowledge of such event or the Property Trustee receives written notice of such event from any Securityholder, the Depositor or the Debenture Trustee.

No provision of this Trust Agreement shall be deemed to impose any duty or obligation on the Property Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which the Property Trustee shall be unqualified or incompetent in accordance with

applicable law, to perform any such act or acts, or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Property Trustee shall be construed to be a duty.

Section 8.4 Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Trust Securities Certificates shall be taken as the statements of the Trust, and the Trustees do not assume any responsibility for their correctness. The Trustees shall not be accountable for the use or application by the Depositor of the proceeds of the Debentures.

Section 8.5 May Hold Securities.

Any Trustee or any other agent of any Trustee or the Trust, in its individual or any other capacity, may become the owner or pledgee of Trust Securities and, subject to Sections 8.8 and 8.13 and except as provided in the definition of the term "Outstanding" in Article I, may otherwise deal with the Trust with the same rights it would have if it were not a Trustee or such other agent.

Section 8.6 Compensation; Indemnity; Fees.

The Depositor agrees:

(a) to pay to the Trustees from time to time reasonable compensation for all services rendered by them hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustees upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustees in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith;

(c) to indemnify each of the Trustees (including in their individual capacities) and their officers, directors and employees or any predecessor Trustee for, and to hold the Trustees harmless against, any loss, damage, claims, liability, penalty or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this Trust Agreement, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder (collectively, "Expenses"); and

(d) to the fullest extent permitted by law, the Expenses (including reasonable attorneys' fees and expenses) incurred by a Trustee referred to in paragraph (c) of this Section 8.6 shall be paid by the Depositor in advance upon receipt of an undertaking by or on behalf of such Trustee to repay such amount if it shall ultimately be determined that such Trustee is not entitled to be indemnified by the Depositor as authorized in this Section 8.6.

No Trustee may claim any lien or charge on any Trust Property as a result of any amount due pursuant to this Section 8.6.

Section 8.7 Corporate Property Trustee Required; Eligibility of Trustees.

(a) There shall at all times be a Property Trustee hereunder with respect to the Trust Securities. The Property Trustee shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Property Trustee with respect to the Trust Securities shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

(b) There shall at all times be one or more Administrative Trustees hereunder with respect to the Trust Securities. Each Administrative Trustee shall be either a natural person who is at least 21 years of age or a legal entity that shall act through one or more persons authorized to bind that entity.

(c) There shall at all times be a Delaware Trustee with respect to the Trust Securities. The Delaware Trustee shall either be (i) a natural person who is at least 21 years of age and a resident of the State of Delaware or (ii) a legal entity with its principal place of business in the State of Delaware and that otherwise meets the requirements of applicable Delaware law that shall act through one or more persons authorized to bind such entity.

Section 8.8 Conflicting Interests.

If the Property Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Property Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Trust Agreement.

Section 8.9 Co-Trustees and Separate Trustee.

Unless an Event of Default shall have occurred and be continuing, at any time or times, for the purpose of meeting the legal requirements of the Trust Indenture Act or of any jurisdiction in which any part of the Trust Property may at the time be located, the Depositor and the Administrative Trustees, by agreed action of the majority of such Trustees, shall have power to appoint, and upon the written request of the Administrative Trustees, the Depositor shall for such purpose join with the Administrative Trustees in the execution, delivery, and performance of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Property Trustee either to act as co-trustee, jointly with the Property Trustee, of all or any part of such Trust Property, or to the extent required by law to act as separate trustee of any such property, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section. If the Depositor does not join in such appointment within 15 days after the receipt by it of a request so to do, or in case a Debenture Event of Default has occurred and is continuing, the Property Trustee alone shall have power to make such appointment. Any co-trustee or separate trustee appointed pursuant to this Section shall either be (i) a natural person who is at least 21 years of age and a resident of the United States or (ii) a legal entity with its principal place of business in the United States that shall act through one or more persons authorized to bond such entity.

Should any written instrument from the Depositor be required by any co-trustee or separate trustee so appointed for more fully confirming to such co-trustee or separate trustee such property, title, right, or power, any and all such instruments shall, on request, be executed, acknowledged, and delivered by the Depositor.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) The Trust Securities shall be executed and delivered and all rights, powers, duties, and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustees specified hereunder, shall be exercised, solely by such Trustees and not by such co-trustee or separate trustee.

(b) The rights, powers, duties, and obligations hereby conferred or imposed upon the Property Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed by the Property Trustee or by the Property Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in

which any particular act is to be performed, the Property Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties, and obligations shall be exercised and performed by such co-trustee or separate trustee.

(c) The Property Trustee at any time, by an instrument in writing executed by it, with the written concurrence of the Depositor, may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default under the Indenture has occurred and is continuing, the Property Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Depositor. Upon the written request of the Property Trustee, the Depositor shall join with the Property Trustee in the execution, delivery, and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(d) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of the Property Trustee, or any other trustee hereunder.

(e) The Property Trustee shall not be liable by reason of any act of a co-trustee or separate trustee.

(f) Any Act of Holders delivered to the Property Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

Section 8.10 Resignation and Removal; Appointment of Successor.

No resignation or removal of any Trustee (the "Relevant Trustee") and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.11.

Any Trustee may resign at any time with respect to the Trust Securities by giving written notice thereof to the Securityholders. If the instrument of acceptance by the successor Trustee required by Section 8.11 shall not have been delivered to the Relevant Trustee within 30 days after the giving of such notice of resignation, the Relevant Trustee may petition, at the expense of the Depositor, any court of competent jurisdiction for the appointment of a successor Relevant Trustee with respect to the Trust Securities.

Unless a Debenture Event of Default shall have occurred and be continuing, any Trustee may be removed at any time by Act of the Common Securityholder. If a Debenture Event of Default shall have occurred and be continuing, the Property Trustee

or the Delaware Trustee, or both of them, may be removed at such time by Act of the Holders of a majority in Liquidation Amount of the Preferred Securities, delivered to the Relevant Trustee (in its individual capacity and on behalf of the Trust). An Administrative Trustee may be removed by the Common Securityholder at any time.

If any Trustee shall resign, be removed or become incapable of acting as Trustee, or if a vacancy shall occur in the office of any Trustee for any cause, at a time when no Debenture Event of Default shall have occurred and be continuing, the Common Securityholder, by Act of the Common Securityholder delivered to the retiring Trustee, shall promptly appoint a successor Trustee or Trustees with respect to the Trust Securities and the Trust, and the retiring Trustee shall comply with the applicable requirements of Section 8.11. If the Property Trustee or the Delaware Trustee shall resign, be removed or become incapable of continuing to act as the Property Trustee or the Delaware Trustee, as the case may be, at a time when a Debenture Event of Default is continuing, the Preferred Securityholders, by Act of the Securityholders of a majority in Liquidation Amount of the Preferred Securities then Outstanding delivered to the retiring Relevant Trustee, shall promptly appoint a successor Relevant Trustee or Trustees with respect to the Trust Securities and the Trust, and such successor Trustee shall comply with the applicable requirements of Section 8.11. If an Administrative Trustee shall resign, be removed or become incapable of acting as Administrative Trustee, at a time when a Debenture Event of Default shall have occurred and be continuing, the Common Securityholder shall appoint a successor or Administrative Trustees. If no successor Relevant Trustee with respect to the Trust Securities shall have been so appointed by the Common Securityholder or the Preferred Securityholders and accepted appointment in the manner required by Section 8.11, any Securityholder who has been a Securityholder of Trust Securities for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Relevant Trustee with respect to the Trust Securities.

The Property Trustee shall give notice of each resignation and each removal of a Trustee and each appointment of a successor Trustee to all Securityholders in the manner provided in Section 10.8 and shall give notice to the Depositor, in each case promptly upon receipt by it of notice of such resignation. Each notice shall include the name of the successor Relevant Trustee and the address of its Corporate Trust Office if it is the Property Trustee.

Notwithstanding the foregoing or any other provision of this Trust Agreement, in the event any Administrative Trustee or a Delaware Trustee who is a natural person dies or becomes, in the opinion of the Depositor, incompetent or incapacitated, the vacancy created by such death, incompetence or incapacity may be filled by (a) the unanimous act of remaining Administrative Trustees if there are at least two of them or (b) otherwise by the Depositor (with the successor in each case being a Person who satisfies the eligibility requirement for Administrative Trustees set forth in Section 8.7).

Section 8.11 Acceptance of Appointment by Successor.

In case of the appointment hereunder of a successor Trustee such successor Trustee so appointed shall execute, acknowledge and deliver to the Trust and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Depositor or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and if the Property Trustee is the resigning Trustee shall duly assign, transfer and deliver to the successor Trustee all property and money held by such retiring Property Trustee hereunder.

In case of the appointment hereunder of a successor Relevant Trustee with respect to the Trust Securities and the Trust, the retiring Relevant Trustee (if requested by the Depositor) and each successor Relevant Trustee with respect to the Trust Securities shall execute and deliver an amendment hereto wherein each successor Relevant Trustee shall accept such appointment and which (a) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Relevant Trustee all the rights, powers, trusts and duties of the retiring Relevant Trustee with respect to the Trust Securities and the Trust and (b) shall add to or change any of the provisions of this Trust Agreement as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Relevant Trustee, it being understood that nothing herein or in such amendment shall constitute such Relevant Trustees co-trustees of the same trust and that each such Relevant Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Relevant Trustee and upon the execution and delivery of such amendment the resignation or removal of the retiring Relevant Trustee shall become effective to the extent provided therein and each such successor Relevant Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Relevant Trustee with respect to the Trust Securities and the Trust; but, on request of the Trust or any successor Relevant Trustee such retiring Relevant Trustee shall duly assign, transfer and deliver to such successor Relevant Trustee all Trust Property, all proceeds thereof and money held by such retiring Relevant Trustee hereunder with respect to the Trust Securities and the Trust.

Upon request of any such successor Relevant Trustee, the Trust shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Relevant Trustee all such rights, powers and trusts referred to in the first or second preceding paragraph, as the case may be.

No successor Relevant Trustee shall accept its appointment unless at the time of such acceptance such successor Relevant Trustee shall be qualified and eligible under this Article.

Section 8.12 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Property Trustee, the Delaware Trustee or any Administrative Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Relevant Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of such Relevant Trustee, shall be the successor of such Relevant Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Section 8.13 Preferential Collection of Claims Against Depositor or Trust.

If and when the Property Trustee or the Delaware Trustee shall be or become a creditor of the Depositor or the Trust (or any other obligor upon the Debentures or the Trust Securities), the Property Trustee or the Delaware Trustee, as the case may be, shall be subject to and shall take all actions necessary in order to comply with the provisions of the Trust Indenture Act regarding the collection of claims against the Depositor or Trust (or any such other obligor).

Section 8.14 Reports by Property Trustee.

(a) Within 60 days after December 31 of each year commencing with December 31, 200- the Property Trustee shall transmit to all Securityholders in accordance with Section 10.8, and to the Depositor, a brief report dated as of such December 31 with respect to:

(i) its eligibility under Section 8.7 or, in lieu thereof, if to the best of its knowledge it has continued to be eligible under said Section, a written statement to such effect;

(ii) a statement that the Property Trustee has complied with all of its obligations under this Trust Agreement during the twelve-month period (or, in the case of the initial report, the period since the Closing Date) ending with such December 31 or, if the Property Trustee has not complied in any material respect with such obligations, a description of such noncompliance; and

(iii) any change in the property and funds in its possession as Property Trustee since the date of its last report and any action taken by

the Property Trustee in the performance of its duties hereunder which it has not previously reported and which in its opinion materially affects the Trust Securities.

(b) In addition the Property Trustee shall transmit to Securityholders and the Depositor such reports concerning the Property Trustee and its actions under this Trust Agreement as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto.

(c) A copy of each such report shall, at the time of such transmission to the Depositor, be filed by the Depositor with each stock exchange upon which the Trust Securities are listed and with the Commission.

Section 8.15 Reports to the Property Trustee.

The Depositor and the Administrative Trustees on behalf of the Trust shall provide to the Property Trustee such documents, reports and information as required by Section 3.14 of the Trust Indenture Act (if any) and the compliance certificate required by Section 3.14(a) of the Trust Indenture Act in the form, in the manner and at the times required by Section 3.14 of the Trust Indenture Act.

Section 8.16 Evidence of Compliance with Conditions Precedent.

Each of the Depositor and the Administrative Trustees on behalf of the Trust shall provide to the Property Trustee such evidence of compliance with any conditions precedent, if any, provided for in this Trust Agreement that relate to any of the matters set forth in Section 3.14(c) of the Trust Indenture Act. Any certificate or opinion required to be given by an officer pursuant to Section 3.14(c)(1) of the Trust Indenture Act shall be given in the form of an Officers' Certificate.

Section 8.17 Number of Trustees.

(a) The number of Trustees shall be four, provided that the Holder of all of the Common Securities by written instrument may increase or decrease the number of Administrative Trustees.

(b) If a Trustee ceases to hold office for any reason and the number of Administrative Trustees is not reduced pursuant to Section 8.17(a), or if the number of Trustees is increased pursuant to Section 8.17(a), a vacancy shall occur. The vacancy shall be filled with a Trustee appointed in accordance with Section 8.10.

(c) The death, resignation, retirement, removal, bankruptcy, incompetence or incapacity to perform the duties of a Trustee shall not operate to

annul, dissolve or terminate the Trust. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of an Administrative Trustee in accordance with Section 8.10, the Administrative Trustees in office, regardless of their number (and notwithstanding any other provision of this Trust Agreement), shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Trust Agreement.

Section 8.18 Delegation of Power.

(a) Any Administrative Trustee may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 his or her power for the purpose of executing any documents contemplated in Section 2.7(a), including any registration statement or amendment thereto filed with the Commission, or making any other governmental filing; and

(b) The Administrative Trustees shall have power to delegate from time to time to such of their number or to the Depositor the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Administrative Trustees or otherwise as the Administrative Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of the Trust, as set forth herein.

ARTICLE IX DISSOLUTION, LIQUIDATION AND MERGER

Section 9.1 Dissolution Upon Expiration Date.

Unless earlier dissolved, the Trust shall automatically dissolve on - -, - (the "Expiration Date"), following the distribution of the Trust Property in accordance with Section 9.4.

Section 9.2 Early Dissolution.

The first to occur of any of the following events is an "Early Termination Event", upon the occurrence of which the Trust shall be dissolved:

(a) the occurrence of a Bankruptcy Event in respect of, or the dissolution or liquidation of, the Depositor;

(b) the occurrence of a Tax Event or an Investment Company Event (each, a "Special Event"), or the Trust is or will not be taxed as a grantor trust but a Tax Event has not occurred (a "Grantor Trust Event"), and written direction is given to the Property Trustee from the Depositor within 45 days of such Special

Event or Grantor Trust Event (which direction is optional and wholly within the discretion of the Depositor) to dissolve the Trust and distribute Debentures to Securityholders in accordance with Section 9.4;

(c) the redemption of all of the Preferred Securities; and

(d) an order for dissolution of the Trust shall have been entered by a court of competent jurisdiction.

Section 9.3 Termination.

The respective obligations and responsibilities of the Trustees and the Trust created and continued hereby shall terminate upon the latest to occur of the following: (a) the distribution by the Property Trustee to Securityholders upon the liquidation of the Trust pursuant to Section 9.4, or upon the redemption of all of the Trust Securities pursuant to Section 4.2, of all amounts required to be distributed hereunder upon the final payment of the Trust Securities; (b) the payment of any expenses owed by the Trust; and (c) the discharge of all administrative duties of the Administrative Trustees, including the performance of any tax reporting obligations with respect to the Trust or the Securityholders.

Section 9.4 Liquidation.

(a) If an Early Termination Event specified in clause (a), (b) or (d) of Section 9.2 occurs or upon the Expiration Date, the Trust shall be liquidated by the Trustees as expeditiously as the Trustees determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to each Securityholder a Like Amount of Debentures, subject to Section 9.4(d). Notice of liquidation shall be given by the Property Trustee by first-class mail, postage prepaid, mailed not later than 30 nor more than 60 days prior to the Liquidation Date to each Holder of Trust Securities at such Holder's address appearing in the Securities Register. All notices of liquidation shall:

(i) state the Liquidation Date;

(ii) state that from and after the Liquidation Date, the Trust Securities will no longer be deemed to be outstanding and any Trust Securities Certificates not surrendered for exchange will be deemed to represent a Like Amount of Debentures; and

(iii) provide such information with respect to the mechanics by which Holders may exchange Trust Securities Certificates for Debentures, or if Section 9.4(d) applies receive a Liquidation Distribution, as the Administrative Trustees or the Property Trustee shall deem appropriate.

(b) Except where Section 9.2(c) or 9.4(d) applies, in order to effect the liquidation of the Trust and distribution of the Debentures to Securityholders, the Property Trustee shall establish a record date for such distribution (which shall be not more than 45 days prior to the Liquidation Date) and, either itself acting as exchange agent or through the appointment of a separate exchange agent, shall establish such procedures as it shall deem appropriate to effect the distribution of Debentures in exchange for the Outstanding Trust Securities Certificates.

(c) Except where Section 9.2(c) or 9.4(d) applies, after the Liquidation Date, (i) the Trust Securities will no longer be deemed to be outstanding, (ii) certificates representing a Like Amount of Debentures will be issued to holders of Trust Securities Certificates, upon surrender of such certificates to the Administrative Trustees or their agent for exchange, (iii) the Depositor shall use its reasonable efforts to have the Debentures listed on the New York Stock Exchange or on such other exchange as the Preferred Securities are then listed, (iv) any Trust Securities Certificates not so surrendered for exchange will be deemed to represent a Like Amount of Debentures, accruing interest at the rate provided for in the Debentures from the last Distribution Date on which a Distribution was made on such Trust Certificates until such certificates are so surrendered (and until such certificates are so surrendered, no payments or interest or principal will be made to holders of Trust Securities Certificates with respect to such Debentures) and (v) all rights of Securityholders holding Trust Securities will cease, except the right of such Securityholders to receive Debentures upon surrender of Trust Securities Certificates.

(d) In the event that, notwithstanding the other provisions of this Section 9.4, whether because of an order for dissolution entered by a court of competent jurisdiction or otherwise, distribution of the Debentures in the manner provided herein is determined by the Property Trustee not to be practical, the Trust Property shall be liquidated, and the Trust shall be wound-up by the Property Trustee in such manner as the Property Trustee determines. In such event, Securityholders will be entitled to receive out of the assets of the Trust available for distribution to Securityholders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to the Liquidation Amount per Trust Security plus accrued and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"). If, upon any such winding up the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then, subject to the next succeeding sentence, the amounts payable by the Trust on the Trust Securities shall be paid on a pro rata basis (based upon Liquidation Amounts). The Holder of the Common Securities will be entitled to receive Liquidation Distributions upon any such dissolution, winding-up or termination pro rata (determined as aforesaid)

with Holders of Preferred Securities, except that, if a Debenture Event of Default has occurred and is continuing, the Preferred Securities shall have a priority over the Common Securities.

Section 9.5 Mergers, Consolidations, Amalgamations or Replacements of the Trust.

The Trust may not merge with or into, consolidate, amalgamate, or be replaced by, or convey, transfer or lease its properties and assets substantially as an entirety to any corporation or other body, except pursuant to this Section 9.5 or Section 9.4. At the request of the Depositor, with the consent of the Administrative Trustees and without the consent of the holders of the Preferred Securities, the Trust may merge with or into, consolidate, amalgamate, or be replaced by a trust organized as such under the laws of any State; provided, that (i) such successor entity either (a) expressly assumes all of the obligations of the Trust with respect to the Preferred Securities or (b) substitutes for the Preferred Securities other securities having substantially the same terms as the Preferred Securities (the "Successor Securities") so long as the Successor Securities rank the same as the Preferred Securities rank in priority with respect to distributions and payments upon liquidation, redemption and otherwise, (ii) the Depositor expressly appoints a trustee of such successor entity possessing the same powers and duties as the Property Trustee as the holder of the Debentures, (iii) the Successor Securities are listed, or any Successor Securities will be listed upon notification of issuance, on any national securities exchange or other organization on which the Preferred Securities are then listed, if any, (iv) such merger, consolidation, amalgamation or replacement does not cause the Preferred Securities (including any Successor Securities) to be downgraded by any nationally recognized statistical rating organization, (v) such merger, consolidation, amalgamation or replacement does not adversely affect the rights, preferences and privileges of the holders of the Preferred Securities (including any Successor Securities) in any material respect, (vi) such successor entity has a purpose substantially identical to that of the Trust, (vii) prior to such merger, consolidation, amalgamation or replacement, the Depositor has received an Opinion of Counsel to the effect that (a) such merger, consolidation, amalgamation or replacement does not adversely affect the rights, preferences and privileges of the holders of the Preferred Securities (including any Successor Securities) in any material respect, and (b) following such merger, consolidation, amalgamation or replacement, neither the Trust nor such successor entity will be required to register as an investment company under the 1940 Act and (viii) the Depositor owns all of the common securities of such successor entity and guarantees the obligations of such successor entity under the Successor Securities at least to the extent provided by the Guarantee. Notwithstanding the foregoing, the Trust shall not, except with the consent of holders of 100% in Liquidation Amount of the Preferred Securities, consolidate, amalgamate, merge with or into, or be replaced by any other entity or permit any other entity to consolidate, amalgamate, merge with or into, or replace it if such consolidation, amalgamation, merger or replacement would cause the Trust or the

successor entity to be classified as other than a grantor trust for federal income tax purposes.

ARTICLE X
MISCELLANEOUS PROVISIONS

Section 10.1 Limitation of Rights of Securityholders.

The death or incapacity of any Person having an interest, beneficial or otherwise, in Trust Securities shall not operate to terminate this Trust Agreement, nor annul, dissolve or terminate the Trust, nor entitle the legal representatives or heirs of such person or any Securityholder for such person, to claim an accounting, take any action or bring any proceeding in any court for a partition or winding up of the arrangements contemplated hereby, nor otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Section 10.2 Amendment.

(a) This Trust Agreement may be amended from time to time by the Administrative Trustees and the Depositor, without the consent of any Securityholders, (i) to cure any ambiguity, correct or supplement any provision herein or therein which may be inconsistent with any other provision herein or therein, or to make any other provisions with respect to matters or questions arising under this Trust Agreement, which shall not be inconsistent with the other provisions of this Trust Agreement, or (ii) to modify, eliminate or add to any provisions of this Trust Agreement to such extent as shall be necessary to ensure that the Trust will be classified for Federal income tax purposes as a grantor trust at all times that any Trust Securities are outstanding or to ensure that the Trust will not be required to register as an "investment company" under the 1940 Act; provided, however, that in the case of clause (i), such action shall not adversely affect in any material respect the interests of any Securityholder, and any such amendments of this Trust Agreement shall become effective when notice thereof is given to the Securityholders.

(b) Except as provided in Section 10.2(c) hereof, any provision of this Trust Agreement may be amended by the Administrative Trustees and the Depositor with (i) the consent of Trust Securityholders representing not less than a majority (based upon Liquidation Amounts) of the Trust Securities then Outstanding and (ii) receipt by the Trustees of an Opinion of Counsel to the effect that such amendment or the exercise of any power granted to the Trustees in accordance with such amendment will not affect the Trust's status as a grantor trust for federal income tax purposes or the Trust's exemption from status of an "investment company" under the 1940 Act.

(c) In addition to and notwithstanding any other provision in this Trust Agreement, without the consent of each affected Securityholder, this Trust Agreement may not be amended to (i) change the amount or timing of any Distribution on the Trust Securities or otherwise adversely affect the amount of any Distribution required to be made in respect of the Trust Securities as of a specified date or (ii) restrict the right of a Securityholder to institute suit for the enforcement of any such payment on or after such date; notwithstanding any other provision herein without the unanimous consent of the Securityholders, this paragraph (c) of this Section 10.2 may not be amended.

(d) Notwithstanding any other provisions of this Trust Agreement, no Trustee shall enter into or consent to any amendment to this Trust Agreement which would cause the Trust to fail or cease to qualify for the exemption from status of an "investment company" under the 1940 Act.

(e) Notwithstanding anything in this Trust Agreement to the contrary, without the consent of the Depositor, this Trust Agreement may not be amended in a manner which imposes any additional obligation on the Depositor.

(f) In the event that any amendment to this Trust Agreement is made, the Administrative Trustees shall promptly provide to the Depositor a copy of such amendment.

(g) No amendment to this Trust Agreement shall be adopted that affects the Property Trustee's or the Delaware Trustee's rights, duties or immunities under this Trust Agreement without the consent of the Property Trustee or the Delaware Trustee, as the case may be. The Property Trustee shall be entitled to receive and conclusively rely on an Opinion of Counsel and an Officer's Certificate stating that any amendment to this Trust Agreement is in compliance with this Trust Agreement.

Section 10.3 Separability.

In case any provision in this Trust Agreement or in the Trust Securities Certificates shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.4 Governing Law.

This Trust Agreement and the rights and obligations of each of the Securityholders, the Trust and the Trustees with respect to this Trust Agreement and the Trust Securities shall be construed in accordance with and governed by the laws of the State of Delaware without regard to principles of conflicts of laws.

Section 10.5 Payments Due on Non-Business Day.

If the date fixed for any payment on any Trust Security shall be a day which is not a Business Day, then such payment need not be made on such date but may be made on the next succeeding day which is a Business Day (except as otherwise provided in Section 4.1(a)), with the same force and effect as though made on the date fixed for such payment, and no interest shall accrue thereon for the period after such date.

Section 10.6 Successors.

This Trust Agreement shall be binding upon and shall inure to the benefit of any successor to the Depositor, the Trust or the Relevant Trustee, including any successor by operation of law. Except in connection with a consolidation, merger or sale involving the Depositor that is permitted under Article Eight of the Indenture and pursuant to which the assignee agrees in writing to perform the Depositor's obligations hereunder, the Depositor shall not assign its obligations hereunder.

Section 10.7 Headings.

The Article and Section headings are for convenience only and shall not affect the construction of this Trust Agreement.

Section 10.8 Reports, Notices and Demands.

Any report, notice, demand or other communication which by any provision of this Trust Agreement is required or permitted to be given or served to or upon any Securityholder or the Depositor may be given or served in writing by deposit thereof, first-class postage prepaid, in the United States mail, hand delivery or facsimile transmission, in each case, addressed, (a) in the case of a Preferred Securityholder, to such Preferred Securityholder as such Securityholder's name and address may appear on the Securities Register; and (b) in the case of the Common Securityholder or the Depositor, to Principal Financial Group, Inc., 711 High Street, Des Moines, Iowa 50392, Attention: [Treasurer], facsimile no.: (515) []. Any notice to Preferred Securityholders shall also be given to such owners as have, within two years preceding the giving of such notice, filed their names and addresses with the Property Trustee for that purpose. Such notice, demand or other communication to or upon a Securityholder shall be deemed to have been sufficiently given or made, for all purposes, upon hand delivery, mailing or transmission.

Section 10.9 Agreement Not to Petition.

Each of the Trustees and the Depositor agree for the benefit of the Securityholders that, until at least one year and one day after the Trust has been terminated in accordance with Article IX, they shall not file, or join in the filing of, a petition against the Trust under any bankruptcy, insolvency, reorganization or other similar law (including, without limitation, the United States Bankruptcy Code) (collectively, "Bankruptcy Laws") or otherwise join in the commencement of any proceeding against the Trust under any Bankruptcy Law. In the event the Depositor takes action in violation of this Section 10.9, the Property Trustee agrees, for the benefit of Securityholders, that at the expense of the Depositor, it shall (promptly after receipt of written notice of the taking of such action) file an answer with the bankruptcy court or otherwise properly contest the filing of such petition by the Depositor against the Trust or the commencement of such action and raise the defense that the Depositor has agreed in writing not to take such action and should be stopped and precluded therefrom and such other defenses, if any, as counsel for the Trustee or the Trust may assert. The provisions of this Section 10.9 shall survive the termination of this Trust Agreement.

Section 10.10 Trust Indenture Act; Conflict with Trust Indenture Act.

(a) This Trust Agreement is subject to the provisions of the Trust Indenture Act that are required to be part of this Trust Agreement and shall, to the extent applicable, be governed by such provisions.

(b) The Property Trustee shall be the only Trustee which is a trustee for the purposes of the Trust Indenture Act.

(c) If any provision hereof limits, qualifies or conflicts with another provision hereof which is required to be included in this Trust Agreement by any of the provisions of the Trust Indenture Act, such required provision shall control. If any provision of this Trust Agreement modifies or excludes any provision of the Trust Indenture Act which may be so modified or excluded, the latter provision shall be deemed to apply to this Trust Agreement as so modified or to be excluded, as the case may be.

(d) The application of the Trust Indenture Act to this Trust Agreement shall not affect the nature of the Securities as equity securities representing undivided beneficial interests in the assets of the Trust.

Section 10.11 Acceptance of Terms of Trust Agreement, Guarantee and Indenture.

THE RECEIPT AND ACCEPTANCE OF A TRUST SECURITY OR ANY INTEREST THEREIN BY OR ON BEHALF OF A SECURITYHOLDER OR ANY BENEFICIAL OWNER, WITHOUT ANY SIGNATURE OR FURTHER MANIFESTATION OF ASSENT, SHALL CONSTITUTE THE UNCONDITIONAL ACCEPTANCE BY THE SECURITYHOLDER AND ALL OTHERS HAVING A BENEFICIAL INTEREST IN SUCH TRUST SECURITY OF ALL THE TERMS AND PROVISIONS OF THIS TRUST AGREEMENT AND AGREEMENT TO THE SUBORDINATION PROVISIONS AND OTHER TERMS OF THE GUARANTEE AND THE INDENTURE, AND SHALL CONSTITUTE THE AGREEMENT OF THE TRUST, SUCH SECURITYHOLDER AND SUCH OTHERS THAT THE TERMS AND PROVISIONS OF THIS TRUST AGREEMENT SHALL BE BINDING, OPERATIVE AND EFFECTIVE AS BETWEEN THE TRUST AND SUCH SECURITYHOLDER AND SUCH OTHERS.

Re: [_____] [Quarterly] Income Preferred Securities

Ladies and Gentlemen:

The purpose of this letter is to set forth certain matters relating to the issuance and deposit with The Depository Trust Company ("DTC") of [_____] [_____]% Cumulative [Quarterly] Income Preferred Securities, Series A (the "Preferred Securities"), of [_____], a Delaware statutory trust (the "Issuer"), formed pursuant to a Trust Agreement between Principal Financial Group, Inc. ("Principal") and _____, as Trustee. The payment of distributions on the Preferred Securities to the extent the Issuer has funds available for the payment thereof, and payments due upon liquidation of Issuer or redemption of the Preferred Securities are guaranteed by Principal to the extent set forth in a Guarantee Agreement, dated _____, _____, by Principal with respect to the Preferred Securities. Principal and the Issuer propose to sell the Preferred Securities to certain Underwriters (the "Underwriters") pursuant to an Underwriting Agreement, dated _____, _____, 200_, by and among the Underwriters, the Issuer and Principal dated _____, _____, and the Underwriters wish to take delivery of the Preferred Securities through DTC. _____ is acting as transfer agent and registrar with respect to the Preferred Securities (the "Transfer Agent and Registrar").

To induce DTC to accept the Preferred Securities as eligible for deposit at DTC, and to act in accordance with DTC's rules with respect to the Preferred Securities, the Issuer, the Transfer Agent and Registrar and DTC agree among each other as follows:

1. Prior to the closing of the sale of the Preferred Securities to the Underwriters, which is expected to occur on or about _____, _____, there shall be deposited with DTC one or more global certificates (individually and collectively, the "Global Certificate") registered in the name of DTC's Preferred Securities nominee, Cede & Co., representing an aggregate of _____ Preferred Securities and bearing the following legend:

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to Issuer or its agent for

registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

2. The Amended and Restated Trust Agreement of the Issuer provides for the voting by holders of the Preferred Securities under certain limited circumstances. The Issuer shall establish a record date for such purposes and shall, to the extent possible, give DTC notice of such record date not less than 15 calendar days in advance of such record date.
3. In the event of a stock split, conversion, recapitalization, reorganization or any other similar transaction resulting in the cancellation of all or any part of the Preferred Securities outstanding, the Issuer or the Transfer Agent and Registrar shall send DTC a notice of such event at least 5 business days prior to the effective date of such event.
4. In the event of distribution on, or an offering or issuance of rights with respect to, the Preferred Securities outstanding, the Issuer or the Transfer Agent and Registrar shall send DTC a notice specifying: (a) the amount of and conditions, if any, applicable to the payment of any such distribution or any such offering or issuance of rights; (b) any applicable expiration or deadline date, or any date by which any action on the part of the holders of Preferred Securities is required; and (c) the date any required notice is to be mailed by or on behalf of the Issuer to holders of Preferred Securities or published by or on behalf of the Issuer (whether by mail or publication, the "Publication Date"). Such notice shall be sent to DTC by a secure means (e.g., legible telecopy, registered or certified mail, overnight delivery) in a timely manner designed to assure that such notice is in DTC's possession no later than the close of business on the business day before the Publication Date. The Issuer or the Transfer Agent and Registrar will forward such notice either in a separate secure transmission for each CUSIP number or in a secure transmission of multiple CUSIP numbers (if applicable) that includes a manifest or list of each CUSIP number submitted in that transmission. (The party sending such notice shall have a method to verify subsequently the use of such means and the timeliness of such notice.) The Publication Date shall be not less than 30

calendar days nor more than 60 calendar days prior to the payment of any such distribution or any such offering or issuance of rights with respect to the Preferred Securities. After establishing the amount of payment to be made on the Preferred Securities, the Issuer or the Transfer Agent and Registrar will notify DTC's Dividend Department of such payment 5 business days prior to payment date. Notices to DTC's Dividend Department by telecopy shall be sent to (212) 855-4555. Such notices by mail or by any other means shall be sent to:

Manager, Announcements
Dividend Department
The Depository Trust Company
55 Water Street, 25th Floor
New York, New York 10041

The Issuer or the Transfer Agent and Registrar shall confirm DTC's receipt of such telecopy by telephoning the Dividend Department at (212) 855-4550.

5. In the event of a redemption by the Issuer of the Preferred Securities, notice specifying the terms of the redemption and the Publication Date of such notice shall be sent by the Issuer or the Transfer Agent and Registrar to DTC not less than 30 calendar days prior to such event by a secure means in the manner set forth in paragraph 4. Such redemption notice shall be sent to DTC's Call Notification Department at (212) 855-7232, (212) 855-7233 or (212) 855-7234 and receipt of such notice shall be confirmed by telephoning (212) 855-7207. Notice by mail or by any other means shall be sent to:

Call Notification Department
The Depository Trust Company
55 Water Street, 50th Floor
New York, New York 10041

6. In the event of any invitation to tender the Preferred Securities, notice specifying the terms of the tender and the Publication Date of such notice shall be sent by the Issuer or the Transfer Agent and Registrar to DTC by a secure means and in a timely manner as described in paragraph 4. (ii) Any direction or act of the Guarantor contemplated by this Guarantee Agreement shall be sufficiently evidenced by an Officers' Certificate unless otherwise prescribed herein.

(iii) Whenever, in the administration of this Guarantee Agreement, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting to take any action hereunder, the Guarantee Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request from the Guarantee Trustee, shall be promptly delivered by the Guarantor.

(iv) The Guarantee Trustee may consult with legal counsel, and the written advice or opinion of such legal counsel with respect to legal matters shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in accordance with such advice or opinion. At such election, the stockholders shall elect a successor to such director to hold office until the next election of the class for which such director shall have been chosen and until his successor shall be elected and qualified.
