Qualifications for Trustee Nominees

When evaluating a potential nominee for Independent Director/Trustee, the Committee may consider, among other factors: (i) educational background; (ii) relevant business and industry experience; (iii) whether the person is an “interested person” of the Fundas defined in the Investment Company Act of 1940; and (iv) whether the person is willing to serve, and willing and able to commit the time necessary to attend meetings and perform the duties of an Independent Director/Trustee. In addition, the Committee may consider whether a candidate’s background, experience, skills and views would complement the background, experience, skills and views of other Board members and would contribute to the diversity of the Board. Also, the background, experience, skills, and views of a departing Board member may be considered. The Committee meets with nominees and conducts a reference check. The final decision is based on a combination of factors, including the strengths and the experience an individual may bring to the Board.

Sources for Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) current Board members; (ii) Fund management; (iii) Fund shareholders (see below); and (iv) any other source the Committee deems to be appropriate. The Committee may, but is not required to, use the services of professional search firms to identify or evaluate potential candidates or nominees.

Consideration of Candidates Recommended by Shareholders

The Committee will consider and evaluate nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.
